ARLINGTON HEIGHTS HERALD

VOLUME 14, NUMBER 21 — ENTERED AS SECOND CLASS MATTER AT ARLINGTON HEIGHTS, ILLINOIS — ARLINGTON HEIGHTS, ILL., FRIDAY, JANUARY 17, 1941 — TWO SECTIONS—14 PAGES — Published Every Friday by H. O. PADDOCK SONS — $2.00 PER YEAR

Lions Club Movie On Screen At High School

"We're in the Movies," Arlington Lions club movie, will be screened this Friday and Saturday night at the Arlington high school auditorium beginning at 8 o'clock. Presenting a full length picture in technicolor, the film was taken in the community with local people and scenes woven around a successful Hollywood plot. The proceeds of the show will benefit the community service fund of the Lions club.

Final votes for the movie queen contest will be cast today (Thursday) as the count will be taken tonight and the queen and her attendants will be crowned at each of the evening performances. All contestants and Lions club members must turn in their unsold tickets or cash by Thursday evening to Mr. Gronert, of the National Bank, who is the ticket chairman.

The movie queen contest, rapidly coming to a close, stood as follows Wednesday morning when the votes were counted at Sieburgs, A&P, National Tea, Rodewalds and the Bank:

Gloria Paddock	20,000
Jane Martens	12,000
Madeleine McCoy	12,000
Peg Helwig	11,500
Lois Bokelman	11,500
Pat Haemker	8,000
Marian Hardtke	6,000
Mary Jane Millay	6,000

The actual filming of the movie took almost a twenty-four hour a day schedule of the director, Miss Robinson and her cameraman, representing John B. Rogers Producing company of Ohio, who were in charge of the production sponsored by the Lions club.

Starting Tuesday of last week, Arlington Heights became the scene of some confusion and derangement as the plot began to thicken and the camera unreel. Patrons of many of the stores had to step carefully over the cables and electric cords at one time or another if they happened to come "on set." Yet all cooperated willingly.

The parade Saturday afternoon and the firemen's demonstration created live interest as many residents waited patiently while the tedious job of plotting the scene was executed. A highway accident "shot" Sunday afternoon on Foundry road, east of the village attracted the neighboring families and passing cars who were unaware that the wreck was "planted."

Miss Robinson reports that because of the unusual interest in the show here that 500 extra feet of film were taken than was originally planned, adding another 20 minutes to the picture.

Walter F. Karstens and C. A. Hughes, co-chairmen of the general committee of the Lions club, predict large audiences Friday and Saturday evenings and that the picture will be something that no one can afford to miss.

Matinee For School Children

Arrangements have been made for a showing of the movie to the pupils of all Arlington Heights schools at a matinee to be given in the high school gym Friday afternoon at 3:30 o'clock. Practically all of these children appear in the film as "shots" were taken at all of the schools. Admission price is 10 cents. A teacher will accompany the children of each group. Parents who desire, may accompany their children on the payment of the regular admission price of 40 cents.

D. R. Hitchcock Returns To Railroad Employment

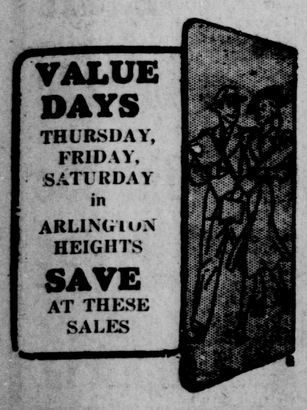

After many months with nothing to do except to care for the eye which was injured early last summer when mowing his lawn, D. R. Hitchcock is returning to railroad employment. Barred from his old job in the junction tower west of Des Plaines, he has been assigned to a telegraph position at the National Ave. yard office at Milwaukee. Mr. Hitchcock left on Wednesday for his new job. He expects to be home week-ends.

In the meantime, physicians and D. R. are doing everything possible to regain full sight in the injured eye.

Local Racing Stables Break Into Print!

Local racing stables are breaking into the public prints lately.

The Lexbrook stable of Schaumburg township, has a large stable at Miami and has won several races and finished in the money in many other events.

Railroad Detective Blames Boys and Girls; They Blame Grownups

Fifteen Arlington Heights boys and girls from the southside school are alive today and will probably grow to man and womanhood if they profit from a lecture given them in the office of Supt. Baker by a Chicago R. R. detective, Tuesday.

They have scared more than one railroad engineer by their dares to each other to see who could face the oncoming train the longest. One boy admitted that he threw stones at a passing train.

These young people had a rather good alibi. Because the grownups of Arlington Heights, a city of 6,000 people are too busy to provide a skating pond they were forced to find their own place to skate. They found it near the railroad track, back of Scarsdale.

Walking down the track, the temptation to "dare the engineer to hit them," was too great.

The youngsters appear to have profited from the lecture, but that skating pond is still missing.

New Draft Advisory Board At Arlington

Atwood, Collins, Thal Appointed New Board; Meet Every Thursday

A second advisory board to aid draftees has been appointed for Cook county district No. 1. The new board will hold weekly meetings at Arlington Heights.

This should be a convenience to registrants located in the southern part of the district who now have to go to Barrington in order to obtain assistance from the Advisory Board.

The members of the new board are Mr. Peter B. Atwood, Mr. Paul E. Collins and Mr. Hugo J. Thal. All of them are residents of Arlington Heights.

The first meeting of the Advisory Board at Arlington Heights will be held at the village hall, Arlington Heights, Thursday evening, January 16, at 8:00 p. m. Thereafter the Barrington Board will meet each Tuesday night and the Arlington Heights Board will meet each Thursday night, until further notice.

Selective Service On the Air

Four evenings each week over national hookups, officials of the National Headquarters are on the air explaining the purpose and procedure of the Selective Service.

Tune in at 6:15 p. m. on WGN Monday, Wednesday and Friday.

National Broadcasting Co. (Red Network) broadcasts Monday and Saturday evenings at 10:30.

These radio talks which are of five minutes duration, are primarily for the information of the general public.

Chinese Team Faces Arlington Racers Next Tuesday

"San Francisco Hong Wah Kues," Chinese basketball team, will present a novelty cage card with the Arlington Racers next Tuesday evening at the Arlington high school gymnasium.

This team has become the best Chinese team that has ever been organized. The members of the team have been picked from the best that California has to offer. Although comparatively small, these Oriental players have their own style of play and make up for their lack of height by fast and accurate shooting.

The Racers have made a good account of themselves by winning most of their games by comfortable margins, even pushing some of the professional teams that they have opposed. Their height advantage will make it an even battle.

In a preliminary game, Arlington's Pee-Wees, high school players ranging from 90 to 110 pounds in weight, will meet Barrington's Midgets, a team of the same weight, at 7:30.

Admission prices of 45 cents and 25 cents will prevail.

Mayor Flentie Buys Home In Barrington; Moves It To Arlington

As one of the judges at the recent ceremony awarding the Lions club "House of the Year," J. D. Flentie, Arlington Heights mayor, could not assign the "lucky number" to any of his Arlington Heights friends. He has done the next best thing and has brought the house to Arlington Heights.

He was one of the guests at the victory dinner staged by the Barrington Lions Thursday evening, when "finis" was written on the Lions project by a drawing for the model replica of the "house of the year." Again Mr. Flentie was not lucky and the model went to a Barrington resident, who in turn sold it to Mayor Flentie.

The model is on display at the office of the mayor, where any of the local boys who purchased tickets on the original house, can come in and "get a look" for the tickets they bought.

Mutual Fire Insurance Co. Has Many Losses

Pays 105 Claims During Year; Total Over $16,000

Shareholders of the Mutual County Fire Insurance Co., Mt. Prospect, displayed their confidence in their directors and officers Tuesday afternoon by re-electing for another term, George F. Meyer, Henry J. Schroeder and George Busse, as directors.

The officers also re-elected are: George F. Meyer, president; Emil F. Schoppe, vice president; George Busse, secretary-treasurer; Geo. L. Busse, assistant secretary.

The secretary's report announced 105 losses during the year, which included fire, windstorm and lightning claims, totaling $16,782.98, divided as follows:

Fire loses	14,647.02
Windstorm losses	1,359.84
Lightning losses	776.12

This company is one of only three in the state of Illinois that is allowed to issue a combined policy, a privilege that was nearly lost in 1927, but was saved due to the strenuous objection of the officers.

Mr. Busse's report is of special interest to many hundreds of policy holders in this vicinity and is published in part below:

Assessment Plan Proves Fair

The company was operated on the assessment plan from its beginning until 1939. During that time an assessment was made whenever money was necessary to pay losses, and when no assessment was necessary it was made against all policy holders and in that way those who had policies expiring in that year had to pay the assessment of three percent on premium note and also pay for renewing the policy, which amounted to a total of six percent.

In the year 1928 when the building on the Leseberg farm in Palatine was destroyed by fire, two assessments were made, one for three percent and one for four percent. Those policy holders whose policies expired paid 3% for renewal of the policy making a total of ten per cent.

Under the new advance premium plan everybody pays once a year the same percentage. This plan has worked well for the past two years and most of the policy holders like this system better than the old assessment plan. The income for the company is less under the new plan because no one pays twice a year as heretofore.

Those policy holders whose policy expired during 1939 and 1940 saved $13,000.00 in premiums which they would have had to pay under the old assessment plan.

When the company started the advance premium plan in 1939 it had $200.00 on hand and a few outstanding bills to pay. This is a deplorable condition for a company with over $14,000,000.00 of insurance on its books. After one year of operating under the advance premium plan, charging the regular three percent on the premium notes and all losses and operating expenses were paid, the sum of $8,319.00 on hand.

On December 26, 1939, the board of directors met at the office of the company and fixed the rate at three percent on all premium notes for the year 1940. This year they had great hopes to reduce the rate, but during 1940 there were more fire losses than usual and then came the storm on November 11, 1940 in which there were no losses from large buildings, but the company lost one and two car garages, summer houses, roofs, gutters, and shingles. There were 105 losses reported at the office, some of which are not settled or paid. Therefore when the Board of Directors met on December 26, 1940, they decided that the rate for 1941, be 3%.

During the year 1940 there were issued 768 policies. The number of the policies in force December 31, 1940, are 3,107. The funds of which there are $9,857.35 on hand on December 31, 1940, are on deposit in the Barrington, Arlington Heights, and Des Plaines National Banks and in the Mount Prospect State Bank. $2,340.00 is invested in Government bonds. The board of directors are doing all they possibly can for the best interest of the policy holders and with the cooperation of policy holders, this company will continue to grow in the future as it has in the past.

Four Police Squads Locate Runaway Car

Geo. Orth, manager of Arlington office of Tibbits-Cameron Lumber Co., is confident that Arlington Heights is protected by the finest police force in the world. He had parked his car in front of his office the other day. Suddenly, he discovered the car had disappeared. He phoned the report of the car theft to the Arlington Heights police station, which in turn caused the theft to be broadcast over the air. Mr. Orth had hardly hung up his receiver before the local police car, two state and one county cars were at his office to pick up the clue. They found it a block away at Sigwalt street, where the car by its own weight had rolled down the hill.

GOP Leaders of Past and Present at Unique Party

Hot election battles of ten, twenty, thirty, forty, yes, fifty years ago were lived over again in the recreation room of G. Rex Volz home, 836 N. Belmont, Arlington Heights, last Thursday evening when Rex and his father, A. F. Volz, played host to friends of County Commissioner Wm. Busse, who recently completed fifty years public service.

The official celebration of those fifty years occurred last month and received considerable publicity. The dinner last Thursday was "off the record." Gathered around that festive board were "old political warhorses" some of whom were in the rank and file two to three decades ago, and have now retired from the political battle field after long and faithful services. Others are younger men bearing scars of battles of the twenties. A third group were in the front ranks during the early thirties. Then there were the new recruits.

All walks of life, all faiths and nationalities were represented. The cause of Republicanism was the magnet that brought them together during fat and lean political years in the past, and it seemed like old times to answer "yes" to the invitation received from their fellow comrade, Albert F. Volz, who directed the G. O. P. campaign so many years in the country towns of Cook county.

Many anecdotes and interesting stories were told of the bitter political battles of the past. They were very interesting to the younger fellows and were a revelation to them of the political strategy that won and lost elections in the old days.

Dick Lyons, with his ever ready wit, delivered the headliner speeches of the evening, demonstrating that he can talk just as well after a campaign as when he is on the firing line.

Veterans Present

The patriarch of all guests was Wm. H. Weber, 85, of Blue Island, whose years of public service exceeds that of Mr. Busse. Another old timer was Chas. V. Julian, 82, Palatine, who first entered politics fifty years ago and became deputy coronor in 1892, serving 38 years in county service. Others present that evening who have many years to their credit were Judge Machette, Judge Oscar Hebel, Judge Daniel Trude and Judge Hugo Friend.

Regrets were received from Wm. Struckman, Roy O. West, John T. Dempsey and Judge Wm. V. Brothers.

Public Officials Attend Party

Public officials of the past and present were members of the "family party." Among those who are still in public service were: Werner Schroeder, National Republican committeeman; Geo. A. Miller, county commissioner; Gen. John V. Clinnin, acting commander new Illinois Reserves; Richard Lyons, Arthur J. Bidwill, state senator; Arthur Sprague, legislator; L. A. Westcott, master in chancery.

Business men and former officials included: O. W. Schmidt, Wilmette; Carl J. Carlson, Blue Island; Frank J. Kriz, Western Springs; Fred B. Roos, Forest Park; Edwin A. Robson, Wilmette; Henry Fowler, Wilmette; Albert C. Conn, Evanston; Earl F. Kistner, Blue Island; John Mackler, Chicago Heights; Hugh Donnelly, Oak Park; Geo. C. Novotny, LaGrange; Geo. Pyott, Oak Park; Leonard Reid, Chicago; Bruce Benson, Maywood; Wm. Busse, Jr., Mt. Prospect.

Mundy Heads Scarsdale Imp. Ass'n

New Officers Make Plans For Increased Membership & Activity

The Scarsdale Property Owenr's Association will hold their first regular meeting in the new year Friday evening, January 31, at the field house.

Mr. Paul Collins, and his fellow officers have just completed a most satisfactory administration. At the last meeting of the association, the following new officers were chosen.

President, Arthur Mundy.
Vice Pres., Robert M. Beatty.
Secretary, Ira S. Parker.
Treasurer, Hugh E. Nichols.

President Mundy has indicated that he has a number of new ideas for the consideration of the association during the coming year, and all of the new officers have expressed themselves as being anxious to carry on the good work according to the standards set by their predecessors.

Scarsdale is a rapidly growing community, and the head of each new family will be interested in the Property Owner's Association. President Mundy wants every resident and property owner in Scarsdale to be familiar with the association, its purpose, and the time and place of meetings. He points out that the Association affords not only an excellent opportunity to become acquainted with one's neighbors, but is also a means of cooperative effort with the officials of the village of Arlington Heights in safeguarding and improving community conditions.

Mr. Mundy feels that increased activity thruout the country generally will be reflected in local conditions, and predicts that the year ahead will be a busy one for the Association. He therefore urges every property owner in Scarsdale to take an active part in the affairs of this group to the end that this community and the village of Arlington Heights will be the very best place in which to live.

Mrs. Herman Meyer, 11 S. Dunton celebrated her birthday Friday, Jasuary 10. Relatives and friends called on her Thursday and Friday evenings. Cards, bingo and refreshments were served.

Mayor and Supervisor Take In Inauguration

Mayor J. D. Flentie and Supervisor Gilbert Klehm, accompanied by their wives, took in the Green inauguration at Springfield Monday. J. D. claims that the reason they were able to secure second row seats on the main floor was because Arlington Heights starts with an "A." Gil says the reason is because the two wives smiled on the police officer who escorted them to the seats. Anyway, they were directly before the platform.

As the men folks had left their dress suits at home, they had to view the evening ball from the gallery.

Smith-Dawson Fives Split With Westmont

The Smith and Dawson basketball fives split a doubleheader Thursday night at the Arlington high school gym with two squads from Westmont.

The heavies lost to the visitors 31 to 23 with Erdman's 13 points pacing the victors. The Westmont lights lost to Arlington, 35 to 25 with Jackie Peters looping 17 points for the latter.

Thursday the Smith and Dawson teams play Emerson Y, a colored organization from Evanston. First game starts at 8 p. m.

First Robin Stories Are Barred; This Robin Is Here All Winter

Before anybody sends any first robin stories to this paper notice is hereby served that one robin has been here all winter. Mrs. H. S. Heise reports that a robin has made his abode under the rear porch of her home all winter. Mrs. Heise has supplied the food that kept it alive and the bird appears grateful.

Lions To Entertain The Ladies Tuesday Night

With the big movie out of the way, members of Arlington Heights Lions club will endeavor to get back into the good graces of their wives by entertaining them at a dinner next Tuesday evening. Tickets can be secured from W. Gronert at the National Bank.

Robert Duenn Injured

Robert Duenn, employed by Walter Woolmer on a job near Michigan City had the misfortune Tuesday afternoon to have a mixture of lime and cement get into his eyes as he was setting down a bucket. He is not yet able to see.

TABOR EVANGELICAL CHURCH of Milwaukee, for which pastorate Rev. R. J. Kalwitz will leave Arlington Heights charge in February.

Arlington National Bank Continues Gain

Stockholders Receive First Dividend; Officers and Directors Reelected

Stockholders of the Arlington Heights National Bank learned at the annual meeting Tuesday evening that 1940 had been a good year for the bank and business generally.

Dividend checks, the first since the establishment of the bank in 1937 had previously been mailed to them. At the meeting President H. H. Franzen presented to the stockholders present, a very encouraging report showing a thirty per cent increase in deposits over the previous year and additions to surplus and undivided profit accounts.

Total deposits December 31, 1940 were $866,850, an increase of $204,369 over 1939. The increase for two years is $449,000, which Mr. Franzen termed as very gratifying to the officers and directors. "That growth," reminded the president, is largely due to the cooperation of the stockholders and the interest of the general public and business interests in the territory served by the Arlington Heights National Bank.

Two years ago the institution was on the road to a half million in deposits. Today the bank is nearing a million in deposits, an exceptional growth.

Increase in business has required additional help and there are today two full time officers and seven full-time employees. The addition to the surplus account is $2,500. Addition to undivided profits is $2,469. During the past four years a reserve account of $7,000 has been set up.

Depositors of the local bank have reached two thousand. Nearly 600 safety deposit boxes are in use.

The stockholders, numbering over fifty, re-elected the following directors:

Herman A. Dohe, Carl H. Ewert, Arthur H. Franzen, H. H. Franzen, C. Wm. Lussman, Hugo J. Thal, Jos. G. Wagner.

Present officers were re-elected at a meeting of the board of directors also held that evening.

They are H. H. Franzen, president; Carl H. Ewert, 1st vice president; Hugo J. Thal, vice president; Arthur H. Franzen, cashier and Wm. Gronert, Jr., asst. cashier.

Plan Addition To Forest Preserves

Increased Acreage For Elk Grove And DesPlaines River Tracts

If the recommendations made by the advisory committee are accepted by the county board, small tracts of adjoining land will be added to the Elk Grove and Des Planies river forest preserves in northern Cook county. The recommendation advises the purchase of 4,000 acres, but only a small part of the increase is advised for this part of the county. If the entire 4,000 acres are purchased, the cost would be about $3,000,000. The district has $2,000,000 on hand and has authority to issue additional bonds for land purchase.

Located in 18 Townships

The tracts recommended for acquisition are scattered throughout 18 of Cook county's 30 townships under the advisory committee's proposal.

Robert Kingery, secretary of the advisory group, said the proposed locations were selected primarily for five reasons:

1. To widen unusually narrow strips of the present forest preserves where feasible.
2. To fill in missing connections between forest preserve lands.
3. To round out some sections of the forest preserves to satisfactory fixed boundaries that are nearby, such as public roads, streams and canals, and cemeteries.
4. For aditional open spaces near present heavily wooded tracts so that the forests can be protected from over-use.
5. To permit the completion or extension of forest preserve improvements.

No additional land is contemplated in Deer Grove preserve. The advisory committee has spent several months in compiling its report which was made to the county board Tuesday. It may be some time before definite action is taken, according to County Commissioner, Wm. Busse.

Frozen Food Sale At Certified Star Food Stores

Fred Tesch, manager of the Certified Star Food Stores at 17 East Miner st., announces a special selling of Booth's quick frozen foods Thursday, Friday and Saturday. The occasion is national frozen foods week which is being featured throughout the country. During these three days all Booth frozen food prices will be reduced substantially. They include frozen fruits, vegetables and fish.

Rev. R. J. Kalwitz Accepts Call To Milwaukee

After serving St. John Evangelical church of Arlington Heights for the past four and a half years as pastor, the Rev. R. J. Kalwitz has accepted the position to become the associate pastor of Tabor Evangelical Church of Milwaukee, Wisconsin. The Rev. R. J. Kalwitz will leave for his city parish about the middle of February.

Tabor Evangelical Congregation is one of the large congregations of the South Wisconsin Synod of the Evangelical and Reformed Church and has a communicant membership over 1600. According to the latest church statistics, the enrollment of the Tabor church school is 564 members. There are 140 members in the Ladies Aid. Tabor Church has also four choirs, including a mixed choir of 60 voices, which are under the able direction of Mr. Robert A. McKee. Tabor church is located at 3500 North Eighth street in the vicinity of Capitol Drive and Green Bay avenue.

Tabor Church has been served for the past 32 years by the Rev. E. John Fleer, who will continue to serve as an associate pastor. In 1942, the Rev. E. John Fleer will complete 50 years in the Christian ministry. He has been very active in the affairs of his Synod, serving for many years as Vice President, and chairman of the Larger Kingdom Service. At the present time he is chairman of the Board of Directors of the Evangelical Deaconess Hospital of Milwaukee. Under his spiritual leadership, Tabor Church has usually met their financial obligations to the denomination in full.

The Building Program of Tabor Church includes the renovation of the present church edifice as well as the erection of a new Christian Education building.

The Pulpit Committee of St. John Evangelical church is considering calling a pastor within the near future. Several applications have been received and are now under consideration.

Fred W. Gieseke, Jr., Admitted to Illinois Bar; Opens Chicago Office

Fred W. Gieseke, Jr., son of Mr. and Mrs. F. W. Gieseke, 416 South State rd., Arlington Heights, has opened a law office at 134 N. La Salle st., Chicago after having been admitted to the Illinois State bar by the Supreme Court December 12, 1940.

Mr. Gieseke is a graduate of the College of Liberal Arts of Valparaiso University, Valparaiso, Indiana and is also a graduate of the school of Law of Valparaiso University.

At present Mr. Gieseke is associated with Robert Emmett Dowling, an arbitrator of the Illinois Industrial Commission and a former trial attorney for the city of Chicago. Mr. Dowling maintains offices at 134 North La Salle st., Chicago, and Mr. Gieseke is associated with him in the general practice of the law at this address.

Mr. Gieseke resides at 416 South State rd., Arlington Heights, with his parents and will maintain an office in Chicago, and later also in Arlington Heights.

Zeolite Company To Open Service Store At Arlington Heights

The store recently vacated by the Vogue Shop, opposite the Arlington theatre, has been rented by the Soft Water Service Co. The Zeolite company which manufactures water softener minerals is understood to be interested in the plan to service from Arlington Heights the users of water softeners in the northwest towns. The agency is expected to be in operation by February 1st.

Mt. Prospect Cop Catches 'Bandit' And Stolen Car

Man and Woman Make Getaway; Motorist Loses 1927 Car

If the Herald were paying out awards for police achievements, the January check would go to Art Gosch, of the Mt. Prospect police department. Mr. Gosch captured one of two bandits who were trying to gain entrance into the home of Mr. and Mrs. Sistler, George st., Mt. Prospect. Acting on his own hunch, when he had the first prisoner in his car, he also recovered a stolen Mercury 1941 car, from which a woman driver escaped.

Credit for the capture goes partly to Mrs. Sistler, who with presence of mind did not frighten away the burglars as they were trying to gain entrance to her home.

John T. Duerkof, 401 Allis ave., Des Plaines is minus a 1927 Reo, which he had left standing at 8 So. Wille street. It is presumed that the second bandit helped himself to the car in order to make his getaway.

The woman driver was tracked across the railroad through Cumberland Terrace to Touhy ave., where the trail was lost.

Mrs. Sistler phoned the police station at eight o'clock Tuesday eveneing that someone was trying to gain an entrance to her home. She had retired early and there were no lights in the house. The marauders had first broken a window in the garage but found that no entry was accorded to the house. They next broke a storm window on the house.

As Officer Gosch arrived at the scene, he saw two men run away, separating. He took up the chase and after firing a shot in the air captured one of them.

On the way to the station he noticed a 1941 Mercury car that was being driven slowly. He gave chase, when the Mercury was driven against a curb and its driver, a woman, ran across the country. The officer, with a prisoner in his charge, could do nothing except to return to the station, where he called out special police. Chief Wittenberg was paged at the Des Plaines theatre and returned in time to help take up the search for the missing woman.

The abandoned car was searched and it was found to be well filled with radios, cameras, pictures, jewelry, grips and two well loaded guns.

License plates of Iowa and Florida were found in the car, which displayed Missouri plates.

In the meantime, Mr. Duerkof, who was visiting Roy Wille discovered that his car had disappeared.

The prisoner, who claimed that he was Orlei Caylor, of Web City, Iowa, stated that he was only a hitch hiker and knew nothing about what had happened. He blamed his lapse of memory to his head that was "queer at times." After spending the night in the Arlington Heights jail, he was turned over to the states attorney.

Inquiry by Chief Wittenburg brought a telegram from Iowa that the Mercury car had been stolen at Pella, Iowa December 5, 1940.

Skating Difficulties At Recreation Park

Just after Arlington Park District employees succeeded in establishing a good base to hold the water, warmer weather destroyed the base and the work must be done all over again. As stated in last week's paper, colder weather is necessary if there is to be skating at the park.

Good Skating At Deer Grove

There is excellent skating on both lakes at Deer Grove. The warming shelter on the north lake is open to skaters. There is also ample room for parking.

Clearance Sales and Dollar Day Values In Arlington Thursday, Friday, Saturday

Well Machinery Is On The Job;

The contractor has moved the well drilling machinery onto the site to speedily drill Arlington Heights new well, but red tape is still in evidence. It seems that in addition to the state water supply board, another state agency, "mines and minerals" must also give the well an O. K. The bonds have been approved by Chapman & Cutler. Funds not needed for this well can be used to retire bonds on the older water improvement, thereby saving a one per cent interest rate.

Arlington's New Code Book Is Completed

Compiled under authority of the WPA, Arlington Heights new code book of 400 pages is complete with maps and index. It is considered one of the best jobs of its kind that has been compiled by the WPA in this part of the county. The Palatine code, similarly compiled, is now in the hands of the printers.

Here's the news that Arlington Heights people have been waiting for. Local merchants this week are featuring unusual price markdowns in clearance sales and dollar days that are being held Thursday, Friday and Saturday. The larger stores are running big ads telling you about the wonderful bargains that they are offering.

It will pay thrifty minded shoppers to look over the Herald and better still to visit these stores and investigate the savings that can be enjoyed by buying in Arlington Heights this week.

Some of the stores are closing out entire stocks of winter merchandise in preparation for the new spring lines that will soon go on the shelves. To do this more rapidly they are offering some stocks at big sacrifices. Other stores are featuring regular dollar day values on regular merchandise to give the public a "break" during the month of January.

Here are the stores that feature special values this week:

Gieseke's, The Emerald Shop, Arlington Bootery, G. H. Wilke Jewelry, Hartmann's Shoe Store, Dreyer Electric Co., Arlington Cafe, and Emerald Cleaners.

Food stores also offer big values.

ARLINGTON HEIGHTS HERALD

VOLUME 14, NUMBER 21 | ENTERED AS SECOND CLASS MATTER AT ARLINGTON HEIGHTS, ILLINOIS | ARLINGTON HEIGHTS, ILL., FRIDAY, JANUARY 17, 1941 | TWO SECTIONS—14 PAGES | Published Every Friday by H. C. PADDOCK SONS | $2.00 PER YEAR

Lions Club Movie On Screen At High School

"We're in the Movies," Arlington Lions club movie, will be screened this Friday and Saturday night at the Arlington high school auditorium beginning at 8 o'clock. Presenting a full length picture in technicolor, the film was taken in the community with local people and scenes woven around a successful Hollywood plot. The proceeds of the show will benefit the community service fund of the Lions club.

Final votes for the movie queen contest will be cast today (Thursday) as the count will be taken tonight and the queen and her attendants will be crowned at each of the evening performances. All contestants and Lions club members must turn in their unsold tickets or cash by Thursday evening to Mr. Gronert, of the National Bank, who is the ticket chairman.

The movie queen contest, rapidly coming to a close, stood as follows Wednesday morning when the votes were counted at Sieburgs, A&P, National Tea, Rodewalds and the Bank:

Gloria Paddock	20,000
Jane Martens	12,000
Madeleine McCoy	12,000
Peg Helwig	11,500
Lois Bokelman	11,500
Pat Haemker	8,000
Marian Hardtke	6,000
Mary Jane Millay	6,000

The actual filming of the movie took almost a twenty-four hour a day schedule of the director, Miss Robinson and her cameraman, representing John B. Rogers Producing company of Ohio, who were in charge of the production sponsored by the Lions club.

Starting Tuesday of last week, Arlington Heights became the scene of some confusion and derangement as the plot began to thicken and the camera unreel. Patrons of many of the stores had to step carefully over the cables and electric cords at one time or another if they happened to come "on set." Yet all cooperated willingly.

The parade Saturday afternoon and the firemen's demonstration created live interest as many residents waited patiently while the tedious job of plotting the scene was executed. A highway accident "shot" Sunday afternoon on Foundry road, east of the village attracted the neighboring families and passing cars who were unaware that the wreck was "planted."

Miss Robinson reports that because of the unusual interest in the show here that 500 extra feet of film were taken than was originally planned, adding another 20 minutes to the picture.

Walter F. Karstens and C. A. Hughes, co-chairmen of the general committee of the Lions club, predict large audiences Friday and Saturday evenings and that the picture will be something that no one can afford to miss.

Matinee For School Children

Arrangements have been made for a showing of the movie to the pupils of all Arlington Heights schools at a matinee to be given in the high school gym Friday afternoon at 3:30 o'clock. Practically all of these children appear in the film as "shots" were taken at all of the schools. Admission price is 10 cents. A teacher will accompany the children of each group. Parents who desire, may accompany their children on the payment of the regular admission price of 40 cents.

D. R. Hitchcock Returns To Railroad Employment

After many months with nothing to do except to care for the eye which was injured early last summer when mowing his lawn, D. R. Hitchcock is returning to railroad employment. Barred from his old job in the junction tower west of Des Plaines, he has been assigned to a telegraph position at the National Ave. yard office at Milwaukee. Mr. Hitchcock left on Wednesday for his new job. He expects to be home week-ends.

In the meantime, physicians and D. R. are doing everything possible to regain full sight in the injured eye.

Local Racing Stables Break Into Print!

Local racing stables are breaking into the public prints lately.

The Lexbrook stable of Schaumburg township, has a large stable at Miami and has won several races and finished in the money in many other events.

Railroad Detective Blames Boys and Girls; They Blame Grownups

Fifteen Arlington Heights boys and girls from the southside school are alive today and will probably grow to man and womanhood if they profit from a lecture given them in the office of Supt. Baker by a Chicago R. R. detective, Tuesday.

They have scared more than one railroad engineer by their dares to each other to see who could face the oncoming train the longest. One boy admitted that he threw stones at a passing train.

These young people had a rather good alibi. Because the grownups of Arlington Heights, a city of 6,000 people are too busy to provide a skating pond they were forced to find their own place to skate. They found it near the railroad track, back of Scarsdale.

Walking down the track, the temptation to "dare the engineer to hit them," was too great.

The youngsters appear to have profited from the lecture, but that skating pond is still missing.

New Draft Advisory Board At Arlington

Atwood, Collins, Thal Appointed New Board; Meet Every Thursday

A second advisory board to aid draftees has been appointed for Cook county district No. 1. The new board will hold weekly meetings at Arlington Heights.

This should be a convenience to registrants located in the southern part of the district who now have to go to Barrington in order to obtain assistance from the Advisory Board.

The members of the new board are Mr. Peter B. Atwood, Mr. Paul E. Collins and Mr. Hugo J. Thal. All of them are residents of Arlington Heights.

The first meeting of the Advisory Board at Arlington Heights will be held at the village hall, Arlington Heights, Thursday evening, January 16, at 8:00 p. m. Thereafter the Barrington Board will meet each Tuesday night and the Arlington Heights Board will meet each Thursday night, until further notice.

Selective Service On the Air

Four evenings each week over national hookups, officials of the National Headquarters are on the air explaining the purpose and procedure of the Selective Service.

Tune in at 6:15 p. m. on WGN Monday, Wednesday and Friday.

National Broadcasting Co. (Red Network) broadcasts Monday and Saturday evenings at 10:30.

These radio talks which are of five minutes duration, are primarily for the information of the general public.

Chinese Team Faces Arlington Racers Next Tuesday

"San Francisco Hong Wah Kues," Chinese basketball team, will present a novelty cage card with the Arlington Racers next Tuesday evening at the Arlington high school gymnasium.

This team has become the best Chinese team that has ever been organized. The members of the team have been picked from the best that California has to offer. Although comparatively small, these Oriental players have their own style of play and make up for their lack of height by fast and accurate shooting.

The Racers have made a good account of themselves by winning most of their games by comfortable margins, even pushing some of the professional teams that they have opposed. Their height advantage will make it an even battle.

In a preliminary game, Arlington's Pee-Wees, high school players ranging from 90 to 110 pounds in weight, will meet Barrington's Midgets, a team of the same weight, at 7:30.

Admission prices of 45 cents and 25 cents will prevail.

Mayor Flentie Buys Home In Barrington; Moves It To Arlington

As one of the judges at the recent ceremony awarding the Lions club "House of the Year," J. D. Flentie, Arlington Heights mayor, could not assign the "lucky number" to any of his Arlington Heights friends. He has done the next best thing and has brought the house to Arlington Heights.

He was one of the guests at the victory dinner staged by the Barrington Lions Thursday evening, when "finis" was written on the Lions project by a drawing for the model replica of the "house of the year." Again Mr. Flentie was not lucky and the model went to a Barrington resident, who in turn sold it to Mayor Flentie.

The model is on display at the office of the mayor, where any of the local boys who purchased tickets on the original house, can come in and "get a look" for the tickets they bought.

Mutual Fire Insurance Co. Has Many Losses

Pays 105 Claims During Year; Total Over $16,000

Shareholders of the Mutual County Fire Insurance Co., Mt. Prospect, displayed their confidence in their directors and officers Tuesday afternoon by re-electing for another term, George F. Meyer, Henry J. Schroeder and George Busse, as directors.

The officers also re-elected are: George F. Meyer, president; Emil F. Schoppe, vice president; George Busse, secretary-treasurer; Geo. L. Busse, assistant secretary.

The secretary's report announced 105 losses during the year, which included fire, windstorm and lightning claims, totaling $16,782.98, divided as follows:

Fire loses	14,647.02
Windstorm losses	1,359.84
Lightning losses	776.12

This company is one of only three in the state of Illinois that is allowed to issue a combined policy, a privilege that was nearly lost in 1927, but was saved due to the strenuous objection of the officers.

Mr. Busse's report is of special interest to many hundreds of policy holders in this vicinity and is published in part below:

Assessment Plan Proves Fair

The company was operated on the assessment plan from its beginning until 1939. During that time an assessment was made whenever money was necessary to pay losses, and when no assessment was necessary it was made against all policy holders and in that way those who had policies expiring in that year had to pay the assessment of three percent on premium note and also pay for renewing the policy, which amounted to a total of six percent.

In the year 1928 when the building on the Leseberg farm in Palatine was destroyed by fire, two assessments were made, one for three percent and one for four percent. Those policy holders whose policies expired paid 3% for renewal of the policy making a total of ten per cent.

Under the new advance premium plan everybody pays once a year the same percentage. This plan has worked well for the past two years and most of the policy holders like this system better than the old assessment plan. The income for the company is less under the new plan because no one pays twice a year as heretofore.

Those policy holders whose policy expired during 1939 and 1940 saved $13,000.00 in premiums which they would have had to pay under the old assessment plan.

When the company started the advance premium plan in 1939 it had $200.00 on hand and a few outstanding bills to pay. This is a deplorable condition for a company with over $14,000,000.00 of insurance on its books. After one year of operating under the advance premium plan, charging the regular three percent on the premium notes and all losses and operating expenses were paid, the sum of $8,319.00 on hand.

On December 26, 1939, the board of directors met at the office of the company and fixed the rate at three percent on all premium notes for the year 1940. This year they had great hopes to reduce the rate, but during 1940 there were more fire losses than usual and then came the storm on November 11, 1940 in which there were no losses from large buildings, but the company lost one and two car garages, summer houses, roofs, gutters, and shingles. There were 105 losses reported at the office, some of which are not settled or paid. Therefore when the Board of Directors met on December 26, 1940, they decided that the rate for 1941, be 3%.

During the year 1940 there were issued 768 policies. The number of the policies in force December 31, 1940, are 3,107. The funds of which there are $9,857.35 on hand on December 31, 1940, are on deposit in the Barrington, Arlington Heights, and Des Plaines National Banks and in the Mount Prospect State Bank. $2,340.00 is invested in Government bonds. The board of directors are doing all they possibly can for the best interest of the policy holders and with the cooperation of policy holders, this company will continue to grow in the future as it has in the past.

Four Police Squads Locate Runaway Car

Geo. Orth, manager of Arlington office of Tibbits-Cameron Lumber Co., is confident that Arlington Heights is protected by the finest police force in the world. He had parked his car in front of his office the other day. Suddenly, he discovered the car had disappeared. He phoned the report of the car theft to the Arlington Heights police station, which in turn caused the theft to be broadcast over the air. Mr. Orth had hardly hung up his receiver before the local police car, two state and one county cars were at his office to pick up the clue. They found it a block away at Sigwalt street, where the car by its own weight had rolled down the hill.

GOP Leaders of Past and Present at Unique Party

Hot election battles of ten, twenty, thirty, forty, yes, fifty years ago were lived over again in the recreation room of G. Rex Volz home, 836 N. Belmont, Arlington Heights, last Thursday evening when Rex and his father, A. F. Volz, played host to friends of County Commissioner Wm. Busse, who recently completed fifty years public service.

The official celebration of those fifty years occurred last month and received considerable publicity. The dinner last Thursday was "off the record." Gathered around that festive board were "old political warhorses" some of whom were in the rank and file two to three decades ago, and have now retired from the political battle field after long and faithful services. Others are younger men bearing scars of battles of the twenties. A third group were in the front ranks during the early thirties. Then there were the new recruits.

All walks of life, all faiths and nationalities were represented. The cause of Republicanism was the magnet that brought them together during fat and lean political years in the past, and it seemed like old times to answer "yes" to the invitation received from their fellow comrade, Albert F. Volz, who directed the G. O. P. campaign so many years in the country towns of Cook county.

Many anecdotes and interesting stories were told of the bitter political battles of the past. They were very interesting to the younger fellows and were a revelation to them of the political strategy that won and lost elections in the old days.

Dick Lyons, with his ever ready wit, delivered the headliner speeches of the evening, demonstrating that he can talk just as well after a campaign as when he is on the firing line.

Veterans Present

The patriarch of all guests was Wm. H. Weber, 85, of Blue Island, whose years of public service exceeds that of Mr. Busse. Another old timer was Chas. V. Julian, 82, Palatine, who first entered politics fifty years ago and became deputy coronor in 1892, serving 38 years in county service. Others present that evening who have many years to their credit were Judge Machette, Judge Oscar Hebel, Judge Daniel Trude and Judge Hugo Friend.

Regrets were received from Wm. Struckman, Roy O. West, John T. Dempsey and Judge Wm. V. Brothers.

Public Officials Attend Party

Public officials of the past and present were members of the "family party." Among those who are still in public service were: Werner Schroeder, National Republican committeeman; Geo. A. Miller, county commissioner; Gen. John V. Clinnin, acting commander new Illinois Reserves; Richard Lyons, Arthur J. Bidwill, state senator; Arthur Sprague, legislator; L. A. Westcott, master in chancery.

Business men and former officials included: O. W. Schmidt, Wilmette; Carl J. Carlson, Blue Island; Frank J. Kriz, Western Springs; Fred B. Roos, Forest Park; Edwin A. Robson, Wilmette; Henry Fowler, Wilmette; Albert C. Conn, Evanston; Earl F. Kistner, Blue Island; John Mackler, Chicago Heights; Hugh Donnelly, Oak Park; Geo. C. Novotny, LaGrange; Geo. Pyott, Oak Park; Leonard Reid, Chicago; Bruce Benson, Maywood; Wm. Busse, Jr., Mt. Prospect.

Mundy Heads Scarsdale Imp. Ass'n

New Officers Make Plans For Increased Membership & Activity

The Scarsdale Property Owenr's Association will hold their first regular meeting in the new year Friday evening, January 31, at the field house.

Mr. Paul Collins, and his fellow officers have just completed a most satisfactory administration. At the last meeting of the association, the following new officers were chosen.

President, Arthur Mundy.
Vice Pres., Robert M. Beatty.
Secretary, Ira S. Parker.
Treasurer, Hugh E. Nichols.

President Mundy has indicated that he has a number of new ideas for the consideration of the association during the coming year, and all of the new officers have expressed themselves as being anxious to carry on the good work according to the standards set by their predecessors.

Scarsdale is a rapidly growing community, and the head of each new family will be interested in the Property Owner's Association. President Mundy wants every resident and property owner in Scarsdale to be familiar with the association, its purpose, and the time and place of meetings. He points out that the Association affords not only an excellent opportunity to become acquainted with one's neighbors, but is also a means of cooperative effort with the officials of the village of Arlington Heights in safeguarding and improving community conditions.

Mr. Mundy feels that increased activity thruout the country generally will be reflected in local conditions, and predicts that the year ahead will be a busy one for the Association. He therefore urges every property owner in Scarsdale to take an active part in the affairs of this group to the end that this community and the village of Arlington Heights will be the very best place in which to live.

Mrs. Herman Meyer, 11 S. Dunton celebrated her birthday Friday, Jasuary 10. Relatives and friends called on her Thursday and Friday evenings. Cards, bingo and refreshments were served.

Mayor and Supervisor Take In Inauguration

Mayor J. D. Flentie and Supervisor Gilbert Klehm, accompanied by their wives, took in the Green inauguration at Springfield Monday. J. D. claims that the reason they were able to secure second row seats on the main floor was because Arlington Heights starts with an "A." Gil says the reason is because the two wives smiled on the police officer who escorted them to the seats. Anyway, they were directly before the platform.

As the men folks had left their dress suits at home, they had to view the evening ball from the gallery.

Smith-Dawson Fives Split With Westmont

The Smith and Dawson basketball fives split a doubleheader Thursday night at the Arlington high school gym with two squads from Westmont.

The heavies lost to the visitors 31 to 23 with Erdman's 13 points pacing the victors. The Westmont lights lost to Arlington, 35 to 25 with Jackie Peters looping 17 points for the latter.

Thursday the Smith and Dawson teams play Emerson Y, a colored organization from Evanston. First game starts at 8 p. m.

First Robin Stories Are Barred; This Robin Is Here All Winter

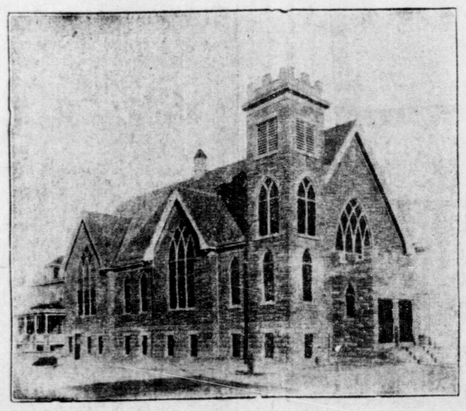

Before anybody sends any first robin stories to this paper notice is hereby served that one robin has been here all winter. Mrs. H. S. Heise reports that a robin has made his abode under the rear porch of her home all winter. Mrs. Heise has supplied the food that kept it alive and the bird appears grateful.

Lions To Entertain The Ladies Tuesday Night

With the big movie out of the way, members of Arlington Heights Lions club will endeavor to get back into the good graces of their wives by entertaining them at a dinner next Tuesday evening. Tickets can be secured from W. Gronert at the National Bank.

Robert Duenn Injured

Robert Duenn, employed by Walter Woolmer on a job near Michigan City had the misfortune Tuesday afternoon to have a mixture of lime and cement get into his eyes as he was setting down a bucket. He is not yet able to see.

TABOR EVANGELICAL CHURCH of Milwaukee, for which pastorate Rev. R. J. Kalwitz will leave Arlington Heights charge in February.

Arlington National Bank Continues Gain

Stockholders Receive First Dividend; Officers and Directors Reelected

Stockholders of the Arlington Heights National Bank learned at the annual meeting Tuesday evening that 1940 had been a good year for the bank and business generally.

Dividend checks, the first since the establishment of the bank in 1937 had previously been mailed to them. At the meeting President H. H. Franzen presented to the stockholders present, a very encouraging report showing a thirty per cent increase in deposits over the previous year and additions to surplus and undivided profit accounts.

Total deposits December 31, 1940 were $866,850, an increase of $204,369 over 1939. The increase for two years is $449,000, which Mr. Franzen termed as very gratifying to the officers and directors. "That growth," reminded the president, is largely due to the cooperation of the stockholders and the interest of the general public and business interests in the territory served by the Arlington Heights National Bank.

Two years ago the institution was on the road to a half million in deposits. Today the bank is nearing a million in deposits, an exceptional growth.

Increase in business has required additional help and there are today two full time officers and seven full-time employees. The addition to the surplus account is $2,500. Addition to undivided profits is $2,469. During the past four years a reserve account of $7,000 has been set up.

Depositors of the local bank have reached two thousand. Nearly 600 safety deposit boxes are in use.

The stockholders, numbering over fifty, re-elected the following directors:

Herman A. Dohe, Carl H. Ewert, Arthur H. Franzen, H. H. Franzen, C. Wm. Lussman, Hugo J. Thal, Jos. G. Wagner.

Present officers were re-elected at a meeting of the board of directors also held that evening.

They are H. H. Franzen, president; Carl H. Ewert, 1st vice president; Hugo J. Thal, vice president; Arthur H. Franzen, cashier and Wm. Gronert, Jr., asst. cashier.

Plan Addition To Forest Preserves

Increased Acreage For Elk Grove And DesPlaines River Tracts

If the recommendations made by the advisory committee are accepted by the county board, small tracts of adjoining land will be added to the Elk Grove and Des Planies river forest preserves in northern Cook county. The recommendation advises the purchase of 4,000 acres, but only a small part of the increase is advised for this part of the county. If the entire 4,000 acres are purchased, the cost would be about $3,000,000. The district has $2,000,000 on hand and has authority to issue additional bonds for land purchase.

Located in 18 Townships

The tracts recommended for acquisition are scattered throughout 18 of Cook county's 30 townships under the advisory committee's proposal.

Robert Kingery, secretary of the advisory group, said the proposed locations were selected primarily for five reasons:

1. To widen unusually narrow strips of the present forest preserves where feasible.
2. To fill in missing connections between forest preserve lands.
3. To round out some sections of the forest preserves to satisfactory fixed boundaries that are nearby, such as public roads, streams and canals, and cemeteries.
4. For aditional open spaces near present heavily wooded tracts so that the forests can be protected from over-use.
5. To permit the completion or extension of forest preserve improvements.

No additional land is contemplated in Deer Grove preserve. The advisory committee has spent several months in compiling its report which was made to the county board Tuesday. It may be some time before definite action is taken, according to County Commissioner, Wm. Busse.

Frozen Food Sale At Certified Star Food Stores

Fred Tesch, manager of the Certified Star Food Stores at 17 East Miner st., announces a special selling of Booth's quick frozen foods Thursday, Friday and Saturday. The occasion is national frozen foods week which is being featured throughout the country. During these three days all Booth frozen food prices will be reduced substantially. They include frozen fruits, vegetables and fish.

Rev. R. J. Kalwitz Accepts Call To Milwaukee

After serving St. John Evangelical church of Arlington Heights for the past four and a half years as pastor, the Rev. R. J. Kalwitz has accepted the position to become the associate pastor of Tabor Evangelical Church of Milwaukee, Wisconsin. The Rev. R. J. Kalwitz will leave for his city parish about the middle of February.

Tabor Evangelical Congregation is one of the large congregations of the South Wisconsin Synod of the Evangelical and Reformed Church and has a communicant membership over 1600. According to the latest church statistics, the enrollment of the Tabor church school is 564 members. There are 140 members in the Ladies Aid. Tabor Church has also four choirs, including a mixed choir of 60 voices, which are under the able direction of Mr. Robert A. McKee. Tabor church is located at 3500 North Eighth street in the vicinity of Capitol Drive and Green Bay avenue.

Tabor Church has been served for the past 32 years by the Rev. E. John Fleer, who will continue to serve as an associate pastor. In 1942, the Rev. E. John Fleer will complete 50 years in the Christian ministry. He has been very active in the affairs of his Synod, serving for many years as Vice President, and chairman of the Larger Kingdom Service. At the present time he is chairman of the Board of Directors of the Evangelical Deaconess Hospital of Milwaukee. Under his spiritual leadership, Tabor Church has usually met their financial obligations to the denomination in full.

The Building Program of Tabor Church includes the renovation of the present church edifice as well as the erection of a new Christian Education building.

The Pulpit Committee of St. John Evangelical church is considering calling a pastor within the near future. Several applications have been received and are now under consideration.

Fred W. Gieseke, Jr., Admitted to Illinois Bar; Opens Chicago Office

Fred W. Gieseke, Jr., son of Mr. and Mrs. F. W. Gieseke, 416 South State rd., Arlington Heights, has opened a law office at 134 N. La Salle st., Chicago after having been admitted to the Illinois State bar by the Supreme Court December 12, 1940.

Mr. Gieseke is a graduate of the College of Liberal Arts of Valparaiso University, Valparaiso, Indiana and is also a graduate of the school of Law of Valparaiso University.

At present Mr. Gieseke is associated with Robert Emmett Dowling, an arbitrator of the Illinois Industrial Commission and a former trial attorney for the city of Chicago. Mr. Dowling maintains offices at 134 North La Salle st., Chicago, and Mr. Gieseke is associated with him in the general practice of the law at this address.

Mr. Gieseke resides at 416 South State rd., Arlington Heights, with his parents and will maintain an office in Chicago, and later also in Arlington Heights.

Zeolite Company To Open Service Store At Arlington Heights

The store recently vacated by the Vogue Shop, opposite the Arlington theatre, has been rented by the Soft Water Service Co. The Zeolite company which manufactures water softener minerals is understood to be interested in the plan to service from Arlington Heights the users of water softeners in the northwest towns. The agency is expected to be in operation by February 1st.

Well Machinery Is On The Job;

The contractor has moved the well drilling machinery onto the site to speedily drill Arlington Heights new well, but red tape is still in evidence. It seems that in addition to the state water supply board, another state agency, "mines and minerals" must also give the well an O. K. The bonds have been approved by Chapman & Cutler. Funds not needed for this well can be used to retire bonds on the older water improvement, thereby saving a one per cent interest rate.

Arlington's New Code Book Is Completed

Compiled under authority of the WPA, Arlington Heights new code book of 400 pages is complete with maps and index. It is considered one of the best jobs of its kind that has been compiled by the WPA in this part of the county.

The Palatine code, similarly compiled, is now in the hands of the printers.

Mt. Prospect Cop Catches 'Bandit' And Stolen Car

Man and Woman Make Getaway; Motorist Loses 1927 Car

If the Herald were paying out awards for police achievements, the January check would go to Art Gosch, of the Mt. Prospect police department. Mr. Gosch captured one of two bandits who were trying to gain entrance into the home of Mr. and Mrs. Sistler, George st., Mt. Prospect. Acting on his own hunch, when he had the first prisoner in his car, he also recovered a stolen Mercury 1941 car, from which a woman driver escaped.

Credit for the capture goes partly to Mrs. Sistler, who with presence of mind did not frighten away the burglars as they were trying to gain entrance to her home.

John T. Duerkof, 401 Allis ave., Des Plaines is minus a 1927 Reo, which he had left standing at 8 So. Wille street. It is presumed that the second bandit helped himself to the car in order to make his getaway.

The woman driver was tracked across the railroad through Cumberland Terrace to Touhy ave., where the trail was lost.

Mrs. Sistler phoned the police station at eight o'clock Tuesday eveneing that someone was trying to gain an entrance to her home. She had retired early and there were no lights in the house. The marauders had first broken a window in the garage but found that no entry was accorded to the house. They next broke a storm window on the house.

As Officer Gosch arrived at the scene, he saw two men run away, separating. He took up the chase and after firing a shot in the air captured one of them.

On the way to the station he noticed a 1941 Mercury car that was being driven slowly. He gave chase, when the Mercury was driven against a curb and its driver, a woman, ran across the country. The officer, with a prisoner in his charge, could do nothing except to return to the station, where he called out special police. Chief Wittenberg was paged at the Des Plaines theatre and returned in time to help take up the search for the missing woman.

The abandoned car was searched and it was found to be well filled with radios, cameras, pictures, jewelry, grips and two well loaded guns.

License plates of Iowa and Florida were found in the car, which displayed Missouri plates.

In the meantime, Mr. Duerkof, who was visiting Roy Wille discovered that his car had disappeared.

The prisoner, who claimed that he was Orlei Caylor, of Web City, Iowa, stated that he was only a hitch hiker and knew nothing about what had happened. He blamed his lapse of memory to his head that was "queer at times." After spending the night in the Arlington Heights jail, he was turned over to the states attorney.

Inquiry by Chief Wittenburg brought a telegram from Iowa that the Mercury car had been stolen at Pella, Iowa December 5, 1940.

Skating Difficulties At Recreation Park

Just after Arlington Park District employees succeeded in establishing a good base to hold the water, warmer weather destroyed the base and the work must be done all over again. As stated in last week's paper, colder weather is necessary if there is to be skating at the park.

Good Skating At Deer Grove

There is excellent skating on both lakes at Deer Grove. The warming shelter on the north lake is open to skaters. There is also ample room for parking.

Clearance Sales and Dollar Day Values In Arlington Thursday, Friday, Saturday

Here's the news that Arlington Heights people have been waiting for. Local merchants this week are featuring unusual price markdowns in clearance sales and dollar days that are being held Thursday, Friday and Saturday. The larger stores are running big ads telling you about the wonderful bargains that they are offering.

It will pay thrifty minded shoppers to look over the Herald and better still to visit these stores and investigate the savings that can be enjoyed by buying in Arlington Heights this week.

Some of the stores are closing out entire stocks of winter merchandise in preparation for the new spring lines that will soon go on the shelves. To do this more rapidly they are offering some stocks at big sacrifices. Other stores are featuring regular dollar day values on regular merchandise to give the public a "break" during the month of January.

Here are the stores that feature special values this week:

Gieseke's, The Emerald Shop, Arlington Bootery, G. H. Wilke Jewelry, Hartmann's Shoe Store, Dreyer Electric Co., Arlington Cafe, and Emerald Cleaners.

Food stores also offer big values.

Churches

THE FIRST METHODIST CHURCH

of Arlington Heights, Ill.
R. C. Schellhase, A.M., B.D., Pastor
8 W. St. James St. Tel. 99-M

Sunday Services

10:00 a. m., Church school. M. W. Prellberg, superintendent; J. Everett, assistant superintendent; A. L. Ashcraft, secretary. Don't overlook your most significant opportunity to defend and preserve the religious and democratic liberties of our Nation by careful and thorough education in the basic Christian principles which form our heritage.

11:00 a. m. Divine worship. Director of music, J. Everett; organist, Mrs. R. H. Manley. Beautiful music at each service. Sermon: "A Young and Fearless Prophet" will introduce to you the true and only Savior of Mankind at the outset of his ministry.

7:00 p. m., Epworth League devotional meeting in the chapel.

Calendar

Thursday, January 16 at 8 p. m., choir rehearsal in the Sanctuary.

Monday, January 20, at 8 p. m., meeting of the Missionary Circle at the home of Mrs. B. Burkitt, 502 N. State, with Mrs. J. E. Best assisting hostess.

Wednesday, January 22, at 8 p. m., regular meeting of the Gleaners' Circle.

Wednesday, January 22, at 8 p. m., Men's meeting and recreation night in the gymnasium. Refreshments will be served. All men of the church are cordially urged to enjoy this evening.

Few of us will deny the truth of the assertion, what we bring and give to a task determine what we shall receive in return. Yet, contradictorily, few of us willingly apply the statement to spiritual things or to our life with men. We think we can come to the worship of God empty-headed, empty-hearted, and empty-handed, and go home filled, particularly filled with all spiritual grace and goodness. We think we can come into the fellowship of men with a mind to gain, a heart to greed, and a hand to grab, and come away with love, friendship, and success. These people learn the error of their ways by their experiences in contact with men, but they have so pitifully few experiences in the worship of God that they remain in darkness and never see the light. But for those who seek it, there is light upon the path to truth, and you are invited to find and travel that path with us each Sunday morning in our worship.

FIRST PRESBYTERIAN CHURCH

Corner Dunton and Eastman
Herman G. McCoy, Pastor
308 North Dunton Ave.
Telephose 571

Sunday church school for all ages at 9:45 a. m. Morning worship will begin at 11 o'clock when the pastor will preach and there will be special music by the choir under the direction of A. E. Johnson with Mrs. James Groves as organist.

The Pioneer Society for Intermediates will meet Sunday afternoon at 5 o'clock, and the Senior-Young People's Society will meet Sunday evening at 7 o'clock. In between the two meetings at 6 o'clock there will be a luncheon and a fellowship period for members of both societies.

On this coming Monday night at 7:45, and for five succeeding Monday nights, a class in leadership training will be held. This will be a study on "How to Teach in the Church School," and credit will be given to all persons who fulfill certain requirements. All persons sixteen years of age or over are eligible for the course.

Booth fisheries will serve a dinner at the church Tuesday at 12:30 p. m. under the sponsorship of the Ladies' Aid. All who wish to come are asked to make reservations.

Consume Rattlesnakes

Americans consume above five tons of rattlesnake meat annually.

PROSPECT HEIGHTS SUNDAY SCHOOL

If you are not now attending a conveniently located fundamental Sunday school, we cordially invite you to fellowship with us every Sunday morning from 10 to 11:30 in the Wheeling Center school house, Schoenbeck and Palatine rds. There are classes for all ages, from the tiny tots to the adults, with competent teachers.

The Sunday school is interdenominational in character, and non-sectarian in spirit.

Prayer meeting every Thursday evening at 8 o'clock in the Foxworthy home on McDonald rd. Everybody welcome.

CHRISTIAN SCIENCE CHURCHES

"Sacrament" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 12.

The Golden Text was, "The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all" (II Corinthians 13:14).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "John answered, saying unto them all, I indeed baptize you with water; but one mightier than I cometh, the latchet of whose shoes I am not worthy to unloose: he shall baptize you with the Holy Ghost and with fire" (Luke 3:16).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We should strive to reach the Horeb height where God is revealed; and the corner-stone of all spiritual building is purity. The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual Life and its demonstration" (p. 241).

ST. JOHN'S EPISCOPAL MISSION

of Mt. Prospect
201 N. Wille St.

Rev. John B. Hubbard, priest in charge; Mr. Delbert Tildesley, Lay Reader.

Church school, 9:30 a. m.

Morning prayer and sermon, 11 a. m.

Choir practice every Tuesday evening at 8:00 p. m.

Confirmation class for adults Sundays at 4:00 p. m.

This month there will be no early celebration of Holy Communion on the third Sunday of the month, as Communion will be celebrated at the 11:00 o'clock service on January 26.

On January 26, the Rt. Rev. Edwin E. Randall, Bishop of Chicago, will make an Episcopal visit to St. John's. This will be a confirmation service, and celebration of Holy Communion, and we hope all members will be present and bring their friends.

On Wednesday, January 22, there will be a "pot luck" supper in the basement of the church. At this supper will be read the reports of the church and the auxiliary for the past year. All members are urged to be present.

Gems of Thought

Humility

True humility is not an abject, groveling, self-despising spirit; it is but a right estimate of ourselves as God sees us.

—Tryon Edwards

Churches

THE FIRST METHODIST CHURCH

of Arlington Heights, Ill.
R. C. Schellhase, A.M., B.D., Pastor
8 W. St. James St. Tel. 99-M

Sunday Services

10:00 a. m., Church school. M. W. Prellberg, superintendent; J. Everett, assistant superintendent; A. L. Ashcraft, secretary. Don't overlook your most significant opportunity to defend and preserve the religious and democratic liberties of our Nation by careful and thorough education in the basic Christian principles which form our heritage.

11:00 a. m. Divine worship. Director of music, J. Everett; organist, Mrs. R. H. Manley. Beautiful music at each service. Sermon: "A Young and Fearless Prophet" will introduce to you the true and only Savior of Mankind at the outset of his ministry.

7:00 p. m., Epworth League devotional meeting in the chapel.

Calendar

Thursday, January 16, at 8 p. m., choir rehearsal in the Sanctuary.

Monday, January 20, at 8 p. m., meeting of the Missionary Circle at the home of Mrs. B. Burkitt, 502 N. State, with Mrs. J. E. Best assisting hostess.

Wednesday, January 22, at 8 p. m., regular meeting of the Gleaners' Circle.

Wednesday, January 22, at 8 p. m., Men's meeting and recreation night in the gymnasium. Refreshments will be served. All men of the church are cordially urged to enjoy this evening.

Few of us will deny the truth of the assertion, what we bring and give to a task determine what we shall receive in return. Yet, contradictorily, few of us willingly apply the statement to spiritual things or to our life with men. We think we can come to the worship of God empty-headed, empty-hearted, and empty-handed, and go home filled, particularly filled with all spiritual grace and goodness. We think we can come into the fellowship of men with a mind to gain, a heart to greed, and a hand to grab, and come away with love, friendship, and success. These people learn the error of their ways by their experiences in contact with men, but they have so pitifully few experiences in the worship of God that they remain in darkness and never see the light. But for those who seek it, there is light upon the path to truth, and you are invited to find and travel that path with us each Sunday morning in our worship.

FIRST PRESBYTERIAN CHURCH

Corner Dunton and Eastman
Herman G. McCoy, Pastor
308 North Dunton Ave.
Telephone 571

Sunday church school for all ages at 9:45 a. m. Morning worship will begin at 11 o'clock when the pastor will preach and there will be special music by the choir under the direction of A. E. Johnson with Mrs. James Groves as organist.

The Pioneer Society for Intermediates will meet Sunday afternoon at 5 o'clock, and the Senior-Young People's Society will meet Sunday evening at 7 o'clock. In between the two meetings at 6 o'clock there will be a luncheon and a fellowship period for members of both societies.

On this coming Monday night at 7:45, and for five succeeding Monday nights, a class in leadership training will be held. This will be a study on "How to Teach in the Church School," and credit will be given to all persons who fulfill certain requirements. All persons sixteen years of age or over are eligible for the course.

Booth fisheries will serve a dinner at the church Tuesday at 12:30 p. m. under the sponsorship of the Ladies' Aid. All who wish to come are asked to make reservations.

Sunday, January 26, is Young People's day. In observance of this occasion the young people will sponsor a special evening service on this date.

A cordial invitation is extended to the public to study and worship with us.

Arlington

Born to Mr. and Mrs. Wm. O'Connel, a daughter, Friday, Jan. 10, in St. Francis hospital. Mrs. O'Connel, before her marriage, was Marion Jahn.

Mr. and Mrs. C. B. Jones presented their infant son, Robert Lyle for baptism by Dr. McCoy in Sunday service in Presbyterian church.

Born to Mr. and Mrs. John Weisenbach a son, Monday, Jan. 13.

David, son of Mr. and Mrs. Henry Collignon, has been sick the past week.

Mr. and Mrs. U. A. Oliger, Hintz rd. have gone to Louisville, Ky., where he will be employed in government work.

Mrs. Wm. Horstman and Mrs. Liebau, came from the city last week Thursday to attend meeting of Mother's club at home of Mrs. Arthur Windheim, So. Evergreen ave.

Miss Alma Niman, from the city, called on Arlington Heights friends last week Thursday.

Mrs. Lindecker from Chicago has been with her daughter, Mrs. E. O. Ogren during her recent illness.

Richard Taege, N. Vail ave. was sick last week and unable to report for work.

Mr. and Mrs. H. G. Witt from the city visited her parents, Mr. and Mrs. Albert Mors, Sunday.

Mrs. A. Jensen of Seattle, Wash., came to attend services for her brother, Mr. L. J. Chatlien, last week.

Norman Stadtler and boy friends have been skating and enjoying a fine time on a lagoon in the Stadtler home grounds during the past week.

Mr. and Mrs. J. W. Bruhnke enjoyed a motor trip to Milwaukee, Monday. They visited Mrs. Freeman, who is convalescing from a recent illness.

Mr. and Mrs. Clarence Stadtler and Norman, recently returned from Ft. Lauderdale, Florida, where they spent the holiday season with his father. They had good roadways and fair weather and enjoyed the southern scenes.

Mr. and Mrs. Berte Pryce recently entertained his brother and friend and their wives, Mr. and Mrs. Clyde Pryce and Mr. and Mrs. Gordon Graham, who came from their home in the west to visit relatives in Chicagoland. They were on their honeymoon trip and all enjoyed the holiday visit.

Mrs. L. J. Chatlien plans to make a trip west soon. She will visit her son in San Francisco and go to visit her mother in Seattle. She has not seen her mother for eighteen years and expects to enjoy a long restful time with her mother and make up lost time.

Mr. Frank Cordes is expected to come home from the hospital soon.

Mr. and Mrs. Jos. E. Brown, E. Euclid entertained ten guests to a dinner party last week Friday. Among the out-of-town guests were Mr. and Mrs. Edward Staunton, Mr. and Mrs. Douglas C. McMurtie of Evanston and Mr. and Mrs. James McHugh, Rogers Park.

Mrs. E. W. Crane, N. Belmont, had a birthday anniversary January 9 and her friends had a fine time surprising her with cards, etc. At meeting of Mother's club Thursday, she was guest of honor with special cake and a shower of gifts. Family friends and society members joined in making a happy birthday for Mrs. Crane.

Mr. H. M. Blume had an anniversary the 14th. Monday evening his sisters, Misses Carrie and Lydia Blume and nephews came from Edison Park and members of his pinochle club gave him a serenade and everyone had a merry time.

Mrs. Paul Vawter, So. Chestnut ave., was hostess Monday to eight guests who enjoyed a bridge luncheon.

Don't forget to attend the Bake sale given by the Lutheran Ladies' Aid at Landmeier's Hardware store on Saturday, January 25, at 1:00 o'clock.

V. F. W. Auxiliary Card Party

Will be given Jan. 31 at 136 So. Belmont ave., home of Mrs. Wm. Beckman. There will be door prizes, refreshments and a fine social time. Tickets 35 cents. Date January 31; time 8 o'clock p. m.

Seal Hunt Still On

There is more than one way to skin a cat; so says the old adage. Conversely there is more than one way to help on the drive in our Christmas Seal Campaign.

The time will soon be here when the final of the Arlington Heights Christmas Seal Committee will have to be made to the Chicago office.

If your seal hunt last week failed to disclose the whereabouts of those missing seals it is suggested that you enclose your contribution which you intended to make together with your name and address in an envelope and either mail it to the Christmas Seal committee or drop it in the box at the Arlington Heights National Bank. By doing this those missing seals will regain their life to do the work for which they were created.

Tomorrow may be too late! Do it now!

Christmas Seal
Sale Committee.

Swipe Hitching Post

Somebody stole E. L. Swigert's iron hitching post that he had kept on his lawn at Enid, Okla., out of sentiment for some 25 years. Swigert blames antique hunters. "Who else," he reasons, "would need it?"

From Adolescence To Menopause

By C. W. Lussman
of Sieburg Pharmacy

From the flowering of a woman's life in the early teens to the climacteric of middle years a doctor's advice is frequently important.

Any irregularity, any abnormal condition should be checked at once. Early correction is important and necessary to continued good health and efficiency.

Excessive modesty should go by the board. The doctor knows how to read the slightest symptoms and how to establish a cure which may be comparatively simple if he is consulted in time, and which may become difficult, long drawn out, and perhaps impossible if neglect of minor difficulties exists.

Medication should be of the first order. Patronize a good druggist.

This is the 118th of a series of Editorial Advertisements appearing in this paper each week.

Call Health Meeting At Brookfield

How a community may develop plans for health will be discussed at a meeting to be conducted by the Tuberculosis Institute of Chicago and Cook County at Gross school, Lincoln and Maple ave., Brookfield, Saturday at 10:30. Representative groups from each surrounding community have been asked to participate and the Arlington Heights Health Center invites all to attend the open meeting.

To illustrate the utilization of community resources for a coordinating home, school and community health plan, the program will include a dramatic presentation developed around a Health Council meeting. Its purpose is the discussion of the problem of health examinations for children.

'Tan' Commandments

One Toronto swimming pool lists "Tan Commandments" for bathers. Among the rules are: Do not read books in the shunshine; do not mix alcohol and sunshine; do not sprinkle the skin with perfume while sunbathing.

Arlington

Born to Mr. and Mrs. Wm. O'Connel, a daughter, Friday, Jan. 10, in St. Francis hospital. Mrs. O'Connel, before her marriage, was Marion Jahn.

Mr. and Mrs. C. B. Jones presented their infant son, Robert Lyle for baptism by Dr. McCoy in Sunday service in Presbyterian church.

Born to Mr. and Mrs. John Weisenbach a son, Monday, Jan. 13.

David, son of Mr. and Mrs. Henry Collignon, has been sick the past week.

Mr. and Mrs. U. A. Oliger, Hintz rd. have gone to Louisville, Ky., where he will be employed in government work.

Mrs. Wm. Horstman and Mrs. Liebau, came from the city last week Thursday to attend meeting of Mother's club at home of Mrs. Arthur Windheim, So. Evergreen ave.

Miss Alma Niman, from the city, called on Arlington Heights friends last week Thursday.

Mrs. Lindecker from Chicago has been with her daughter, Mrs. E. O. Ogren during her recent illness.

Richard Taege, N. Vail ave. was sick last week and unable to report for work.

Mr. and Mrs. H. G. Witt from the city visited her parents, Mr. and Mrs. Albert Mors, Sunday.

Mrs. A. Jensen of Seattle, Wash., came to attend services for her brother, Mr. L. J. Chatlien, last week.

Norman Stadtler and boy friends have been skating and enjoying a fine time on a lagoon in the Stadtler home grounds during the past week.

Mr. and Mrs. J. W. Bruhnke enjoyed a motor trip to Milwaukee, Monday. They visited Mrs. Freeman, who is convalescing from a recent illness.

Mr. and Mrs. Clarence Stadtler and Norman, recently returned from Ft. Lauderdale, Florida, where they spent the holiday season with his father. They had good roadways and fair weather and enjoyed the southern scenes.

Mr. and Mrs. Berte Pryce recently entertained his brother and friend and their wives, Mr. and Mrs. Clyde Pryce and Mr. and Mrs. Gordon Graham, who came from their home in the west to visit relatives in Chicagoland. They were on their honeymoon trip and all enjoyed the holiday visit.

Mrs. L. J. Chatlien plans to make a trip west soon. She will visit her son in San Francisco and go to visit her mother in Seattle. She has not seen her mother for eighteen years and expects to enjoy a long restful time with her mother and make up lost time.

Mr. Frank Cordes is expected to come home from the hospital soon.

Mr. and Mrs. Jos. E. Brown, E. Euclid entertained ten guests to a dinner party last week Friday. Among the out-of-town guests were Mr. and Mrs. Edward Staunton, Mr. and Mrs. Douglas C. McMurtie of Evanston and Mr. and Mrs. James McHugh, Rogers Park.

Mrs. E. W. Crane, N. Belmont, had a birthday anniversary January 9 and her friends had a fine time surprising her with cards, etc. At meeting of Mother's club Thursday, she was guest of honor with special cake and a shower of gifts. Family friends and society members joined in making a happy birthday for Mrs. Crane.

Mr. H. M. Blume had an anniversary the 14th. Monday evening his sisters, Misses Carrie and Lydia Blume and nephews came from Edison Park and members of his pinochle club gave him a serenade and everyone had a merry time.

Mrs. Paul Vawter, So. Chestnut ave., was hostess Monday to eight guests who enjoyed a bridge luncheon.

MONDAY NIGHT LEAGUE

Lauterburg & Oehler	34	23	890
Hartmann's Shoes	29	28	885
Arlington Elevators	29	28	885
Gaare's Studebakers	28	29	906
Park View Tavern	26	31	883
Vail Tavern	25	32	867

On alleys 1 and 2 the Arlington Elevator's won all three games from Hartmann's Shoes. Both of these teams are now tied for second place. Johnny Oltrogge was high man for the Elevators with a nice 626 series and won himself the $1.00 with a 230 game. George "Cart" Harris, was high man for Hartmann's with a 577 series.

On 3 and 4 Lauterburg & Oehler won two games from Park View Tavern. L. & O. now lead by five games. Ray Dieball was high for L. & O. with a neat 631 series. Otto Krause won the $1.00 on a 246 game and had a 602 series. George "Pepper" Thompson was high man for Park View with 590. Nice shootin' boys.

On 5 and 6 Vail Tavern took two games from Gaare's Studebakers. Al Pederson was high for Vail Tavern with 563. Al also won the $1.00 on a 207 game Rox Bolte was high for Gaare's with 544. All the boys on 5 and 6 put on an exhibition on how not to bowl. It looked like a baseball game with a lot of errors, foul balls and wild pitches.

Dixie Kehe's alibi was too much posing for the movies. Some of the other boys don't think so, Dixie, they said you've been crowding the Hero Bench like last Saturday. "O yes, he's quite a chap, this boy Dixie.

PRUNE WHIP IS SO ACCOMMODATING!

Prune Whip is a dainty old-time dessert we'd do well to revive. I shall not dwell on the wealth of minerals and vitamins that prunes offer . . . or the fact that being among our surplus foods they are plentiful and inexpensive. You are well acquainted with these facts. But I do want to call your attention to the way this lightsome refreshing dessert can adapt itself to all sorts of occasions and tastes.

You have a casserole dish in the oven . . . a 350°F., moderate oven . . . and you are looking for a dessert to bake at the same time. Not too heavy a dessert . . . and something with fruit in it. A Baked Prune Whip will exactly fill the bill.

BAKED PRUNE WHIP

1 cup cut-up, pitted, well drained cooked prunes
Confectioners' sugar to sweeten (about 3 tbsp.)
Dash of salt
1 tsp. lemon juice
3 egg whites

Mix prunes with sugar, salt and lemon juice, and chill thoroughly. Beat egg whites until stiff. Carefully fold them into the chilled prune mixture until thoroughly blended. Place in a buttered baking dish (6 inches in diameter and about 2½ inches deep). Set in a pan of hot water—having the water come up about 1 inch on the dish. Bake in a moderate oven, 350°F., for 25 to 30 minutes.

Serve warm with a topping of whipped cream. This makes from 4 to 6 servings.

Chilled and Unbaked If You Prefer It That Way

Or it may be that you want a cool refreshing dessert. Make this same Prune Whip with Egg Whites—but instead of baking it, pile it into sherbet glasses and chill well before serving. If you choose, you may serve plain cream or whipped cream with this chilled egg white Prune Whip.

PRUNE WHIP MADE WITH WHIPPED CREAM

Perhaps you are looking for a light dessert you can make in the morning and keep in the refrigerator until evening. In that case, Prune Whip made with whipped cream and gelatin is exactly the thing.

1 tbsp. gelatin
½ cup prune juice
1½ cups cut-up, pitted, well drained cooked prunes
Confectioners' sugar to sweeten (about 3 tbsp.)
1 tbsp. lemon juice
1 cup whipping cream (35% butterfat)

Soak gelatin in prune juice about 5 minutes. Then melt over hot water. Mix prunes with sugar and lemon juice—and stir in melted-gelatin-and-prune-juice mixture. Cool thoroughly.

Whip cream until stiff, and carefully fold it into the prune mixture. Pile into sherbet glasses, and chill well before serving.

Or—if desired—place the mixture in a lightly buttered mold (4½x 7x2½ inches deep). Chill well and unmold just before serving.

For A Hurry-up Dessert Too

Again perhaps, you are faced with having to get up a dinner in a hurry. Guests have come. You'd planned to go out for dinner—and something at the last minute has kept you at home. You have the things for a prune whip. But there isn't time for the gelatin to set.

The answer is simple. Omit the gelatin and the prune juice. Just whip your cream and fold it into the prunes which have been mixed with the sugar and lemon juice. Pile this mixture into sherbet cups and let it chill in the refrigerator while you are eating your main course.

It Happened Here

January morning: Just a notch above zero at six-thirty and darker than a pocket, indoors and out; the beat of a horse's hoofs, clip, clip,—Jack Frost riding into town or only the early milkman? The timbers of the house creak and snap ominously as though feeling the strain of resisting the invader all night, and about ready to yield entrance, or maybe it's just the Year, yawning and girding its loins for a start to roll around the calendar; the windows, a-glitter with frosted lace are steeped in pink as the sun begins to rise and Venus is swimming in a rosy haze, so brilliant she might be Liberty Enlightening The World; curls of smoke below her become roseate plumes and banners proclaiming Light. The cardinals are early to breakfast on the freshly scattered seed; in a frozen and bitter world, their trust in humanity is heartening. Another visitor to the feeding ground is the whitethroat whose high, clear notes are a pleasing accompaniment to icy winds; the bluejay comes, chiefly as a contrast to the cardinal.

Bluejay In The Snow

I am a robber baron,
A gay freebooter, I;
Like a bolt of blue I drop
Out of the snowy sky,
With my jaunty cap,
My cape and my sword
I'm a swashbuckler gay,
I'm good, I give you my word!
I thieve the corn from the crib
And with flash of gray and blue
I brighten the wintry day
For stodgy folk like you.
I tilt on the old gray fence
And shout a quip that is stale:
If you would catch this rogue
Just dust some salt on my tail!

BENJAMIN FRANKLIN

THRIFT WEEK

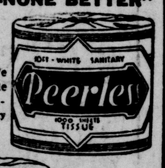

HONORING A MAN WITH THE RIGHT IDEA!

Benjamin Franklin was a remarkable person . . . he was a scientist, a statesman, a writer, a publisher, a gentleman! Perhaps one of his most famous virtues was that of thrift, and it's to this that we celebrate January 17, the date of Franklin's birth. It's an excellent time to reflect on the benefits of thrift and the means of attaining it. One of the best is an account at this bank!

MONDAY NIGHT LEAGUE

Lauterburg & Oehler	34	23	890
Hartmann's Shoes	29	28	885
Arlington Elevators	29	28	885
Gaare's Studebakers	28	29	906
Park View Tavern	26	31	883
Vail Tavern	25	32	867

On alleys 1 and 2 the Arlington Elevator's won all three games from Hartmann's Shoes. Both of these teams are now tied for second place. Johnny Oltrogge was high man for the Elevators with a nice 626 series and won himself the $1.00 with a 230 game. George "Cart" Harris, was high man for Hartmann's with a 577 series.

On 3 and 4 Lauterburg & Oehler won two games from Park View Tavern. L. & O. now lead by five games. Ray Dieball was high for L. & O. with a neat 631 series. Otto Krause won the $1.00 on a 246 game and had a 602 series. George "Pepper" Thompson was high man for Park View with 590. Nice shootin' boys.

On 5 and 6 Vail Tavern took two games from Gaare's Studebakers. Al Pederson was high for Vail Tavern with 563. Al also won the $1.00 on a 207 game Rox Bolte was high for Gaare's with 544. All the boys on 5 and 6 put on an exhibition on how not to bowl. It looked like a baseball game with a lot of errors, foul balls and wild pitches.

Dixie Kehe's alibi was too much posing for the movies. Some of the other boys don't think so, Dixie, they said you've been crowding the Hero Bench like last Saturday. "O yes, he's quite a chap, this boy Dixie.

PRUNE WHIP IS SO ACCOMMODATING!

Prune Whip is a dainty old-time dessert we'd do well to revive. I shall not dwell on the wealth of minerals and vitamins that prunes offer . . . or the fact that being among our surplus foods they are plentiful and inexpensive. You are well acquainted with these facts. But I do want to call your attention to the way this lightsome refreshing dessert can adapt itself to all sorts of occasions and tastes.

You have a casserole dish in the oven . . . a 350°F., moderate oven . . . and you are looking for a dessert to bake at the same time. Not too heavy a dessert . . . and something with fruit in it. A Baked Prune Whip will exactly fill the bill.

BAKED PRUNE WHIP

1 cup cut-up, pitted, well drained cooked prunes
Confectioners' sugar to sweeten (about 3 tbsp.)
Dash of salt
1 tsp. lemon juice
3 egg whites

Mix prunes with sugar, salt and lemon juice, and chill thoroughly. Beat egg whites until stiff. Carefully fold them into the chilled prune mixture until thoroughly blended. Place in a buttered baking dish (6 inches in diameter and about 2½ inches deep). Set in a pan of hot water—having the water come up about 1 inch on the dish. Bake in a moderate oven, 350°F., for 25 to 30 minutes.

Serve warm with a topping of whipped cream. This makes from 4 to 6 servings.

Chilled and Unbaked If You Prefer It That Way

Or it may be that you want a cool refreshing dessert. Make this same Prune Whip with Egg Whites—but instead of baking it, pile it into sherbet glasses and chill well before serving. If you choose, you may serve plain cream or whipped cream with this chilled egg white Prune Whip.

PRUNE WHIP MADE WITH WHIPPED CREAM

Perhaps you are looking for a light dessert you can make in the morning and keep in the refrigerator until evening. In that case, Prune Whip made with whipped cream and gelatin is exactly the thing.

1 tbsp. gelatin
½ cup prune juice
1½ cups cut-up, pitted, well drained cooked prunes
Confectioners' sugar to sweeten (about 3 tbsp.)
1 tbsp. lemon juice
1 cup whipping cream (35% butterfat)

Soak gelatin in prune juice about 5 minutes. Then melt over hot water. Mix prunes with sugar and lemon juice—and stir in melted-gelatin-and-prune-juice mixture. Cool thoroughly.

Whip cream until stiff, and carefully fold it into the prune mixture. Pile into sherbet glasses, and chill well before serving.

Or—if desired—place the mixture in a lightly buttered mold (4½x 7x2½ inches deep). Chill well and unmold just before serving.

For A Hurry-up Dessert Too

Again perhaps, you are faced with having to get up a dinner in a hurry. Guests have come. You'd planned to go out for dinner—and something at the last minute has kept you at home. You have the things for a prune whip. But there isn't time for the gelatin to set.

The answer is simple. Omit the gelatin and the prune juice. Just whip your cream and fold it into the prunes which have been mixed with the sugar and lemon juice. Pile this mixture into sherbet cups and let it chill in the refrigerator while you are eating your main course.

It Happened Here

January morning: Just a notch above zero at six-thirty and darker than a pocket, indoors and out; the beat of a horse's hoofs, clip, clip,—Jack Frost riding into town or only the early milkman? The timbers of the house creak and snap ominously as though feeling the strain of resisting the invader all night, and about ready to yield entrance, or maybe it's just the Year, yawning and girding its loins for a start to roll around the calendar; the windows, a-glitter with frosted lace are steeped in pink as the sun begins to rise and Venus is swimming in a rosy haze, so brilliant she might be Liberty Enlightening The World; curls of smoke below her become roseate plumes and banners proclaiming Light. The cardinals are early to breakfast on the freshly scattered seed; in a frozen and bitter world, their trust in humanity is heartening. Another visitor to the feeding ground is the whitethroat whose high, clear notes are a pleasing accompaniment to icy winds; the bluejay comes, chiefly as a contrast to the cardinal.

Bluejay In The Snow

I am a robber baron,
A gay freebooter, I;
Like a bolt of blue I drop
Out of the snowy sky,
With my jaunty cap,
My cape and my sword
I'm a swashbuckler gay,
I'm good, I give you my word!
I thieve the corn from the crib
And with flash of gray and blue
I brighten the wintry day
For stodgy folk like you.
I tilt on the old gray fence
And shout a quip that is stale:
If you would catch this rogue
Just dust some salt on my tail!

HONORING A MAN WITH THE RIGHT IDEA!

Benjamin Franklin was a remarkable person . . . he was a scientist, a statesman, a writer, a publisher, a gentleman! Perhaps one of his most famous virtues was that of thrift, and it's to this that we celebrate January 17, the date of Franklin's birth. It's an excellent time to reflect on the benefits of thrift and the means of attaining it. One of the best is an account at this bank!

Legionnaire Finds Good Fishing And Nazi Ship In Florida

C. L. Stattler returned last week from a trip to Miami, Florida, where he visited his father, Norman Stattler, did a bit of commercial fishing and found time to photograph a German ship that was chased into Ft. Lauderdale by a British boat. The U. S. Defense program is in evidence in many places in the south. In describing the situation, Mr. Stattler says, "just imagine 50,000 laborers being placed in Schaumburg building barracks and army camps and you would have a good picture of what is happening at these new army sites."

"It may not be sporting to engage in commercial fishing, but it is a lot of fun to be able to 'pull 'em out' almost as fast as you can let your lines down," says C. L. The fishermen are allowed to spread beds of fish food upon the water, which attracts the fish to that locality. All Mr. Stattler had to do was to drop his hook into the midst of the regular fish food. The fish do the rest.

"Many new roads have been opened up and it is as easy to get to Florida as it is to go to Wheeling," says Mr. Stattler, "except you have to buy more gas."

"Humor" To Be Title Of Speech At High School Program

Howard L. Buck, associate Professor of English at the Central Y. M. C. A. College, will talk at a school assembly program in the Arlington high school gymnasium Friday afternoon, January 17. His subject will be "Humor."

Howard L. Buck, a native of Vassar, Michigan, received his B. S. degree from Colgate university in 1913, and his M. A. from Harvard university in 1916. At the latter university he studied under Professor Kittredge and other scholars of international repute. Mr. Buck is an athlete of no mean ability, having been at one time a pitcher for the New York Giants and later a coach at Colgate dniversity. He still wields a wicked bat as well as a pen.

Mr. Buck has been engaged in high school work during most of his active career. For some time he was a supervisor of schools in Milwaukee, and for ten years was principal of the Central YMCA Evening high school, Chicago. He is at present Associate Professor of English in the Central YMCA College, Chicago.

Philadelphia

Philadelphia has more one-way streets than any other city in the United States.

Des Plaines Police Radio To Be Hooked Up With County

The Des Plaines police radio will be hooked up with the Sheriff's Department station at Morton Grove just as quickly as it can be done. This action was taken recently at the council meeting when Chief of Police Howard A. Becker appeared before council and asked permission to spend $50 to do this.

Mr. Becker explained that on January 15 the Federal Communications Commission would change the wave-length of the Chicago police radio. This would mean the purchasing of a new speaker for the local station. He said that in the beginning when the local station was installed it was hooked up with Oak Park, that is so Oak Park and Des Plaines could broadcast back and forth. However, Oak Park has taken the Des Plaines speaker out of their station so that at present Des Plaines can only broadcast to the car, and to it only so long as it is within range. Should the car chase a criminal beyond the range of the radio, the local station could not be reached by the car operator, nor could the office reach the car.

If the county is hooked into the local station, when the city's car gets out of range of the local station the county could broadcast to the car.

Chief Becker pointed out that at present the only thing that comes over the radio, except the local business, is the calls from Chicago, but of course the Des Plaines police cannot call the Chicago police.

The advantages of being hooked up with the county would be many, he pointed out, as often the local police are asked to be on the lookout for speeders or other violators coming this way and now to do this they must use the telephone.

Alderman Otto Henrich said he felt that this would be a good move and should have been done before and made the motion that Chief Becker be authorized to see that it was done. The motion was carried unanimously—Des Plaines Journal.

Mrs. Roy Dobbins Dies

Mrs. Roy Dobbins of Wheeling rd., passed away Saturday following a lingering illness. The funeral was held on Tuesday afternoon at 2:30 from the Methodist church with Lauterburg and Oehler in charge. Mrs. Dobbins, for many years, was an active member of the Arlington Heights Woman's club, the Ever Ready club and the Methodist church. She leaves to mourn, three sons, three daughters and her husband.

CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us a precious memory. Our sincere thanks and gratitude for all those comforting acts.

Roy Dobbins and Family

Washington Inauguration

The inauguration of George Washington took place in Federal hall, New York city.

This Banker Likes FHA Loans

Mt. Prospect State Bank Very Active In Mortgage Field

The Mount Prospect State Bank has been pioneering in the north western part of the country in making FHA loans, under which the majority of present building is being financed.

For some time the mortgage loan items of the bank has shown a steady increase and a ratio of its mortgages to its deposits is higher than a good many banks of its size. Mr. William Busse, Jr., president of the bank, became enthusiastic over FHA loans at its inception. As a result, this bank has carried a considerable amount of FHA loans to surrounding counties.

The policy of the Mt. Prospect bank so far, however, has been to originate all of its own FHA mortgages. They have experienced a great demand for this type of loan which is being sold to banks and insurance companies in neighboring states.

The local bank serves as the joint representative of the buyer and the borrower, enabling the home owner to be in convenient local contact with the holder of his loan.

Home owners, business firms and general contractors of Mount Prospect and surrounding towns have all benefitted through this policy of providing funds for local development.

During the past two years, 1939 to 1940, the Mt. Prospect bank made a total of 48 FHA title I loans aggregating $286,300.00; twenty seven were for new homes. Loans under Title II have totaled over $500,000.

Bank Shows 14% Increase

All directors were re-elected at the annual meeting Wednesday evening of the Mt. Prospect Bank. The total deposits increased 14.07% over the previous year. Value of shares was increased by $21 by the addition of $5,000 to the surplus account and $5,486.85 to undivided profits.

Mr. Busse was advised by a Chicago bank consultant agency that the increase was unusual for a bank of the character of the Mt. Prospect institution which caters to local needs and development.

The official statement published last week shows total resources of nearly a million dollars. The directors are: William Busse, William Busse, Jr., Herman W. Burmeister, Fred W. Busse, Geo. H. Geils, C. H. Gewecke, Fred Meeske, Wm. Seegers, Albert Wille.

Officers re-elected by the directors are: William Busse, chairman of the board; Wm. Busse, Jr., president; Geo. H. Geils, vice president; Carl Hammerl, cashier; Wm. J. Busse, assistant cashier; Albert Froemling, assistant cashier.

National Defense Class Offered To Young Men

A National Defense class will be sponsored by the Palatine Township High School provided there are at least ten young men between the ages of 17 and 24 who are interested in such a class. The course to be offered will deal with some phase of industrial shop work such as wood work, electrical work, or general metal work. The purpose of the course is to help young men prepare for a job in some defense industry. The class will meet every day of the week for two or three hours in order to make the required weekly total of 15 hours, and will continue for a period of at least 8 weeks. There are no tuition charges or fees for materials used as all expenses of the course will be paid by the Federal Government. Any young man interested in attending the defense class should call or leave word at the Palatine high school office as soon as possible. A meeting of all young men interested will be called in the near future in order to plan some details of organization.

Mississippi River

The Mississippi river proper rises in the lake and swamp region of northern Minnesota, 1,472 feet above sea level, in Lake Hermando de Soto, Becker county. It empties into the Gulf of Mexico, the gulf having a mean elevation of 500 feet.

Tuberculin Skin Test To Be Given Feb. 5 To High School Students

"Simple, accurate and practically painless" is the way Dr. J. Sanford Kruglick, Assistant Medical Director of the Tuberculosis Institute of Chicago and Cook County, characterized the tuberculin skin tests which are to be given to high school students of Arlington Heights on Wednesday, February 5. These routine tests for tuberculous infection are being offered to every pupil in the high school and will be conducted by the Tuberculosis Institute and its local affiliate, the Arlington Heights health committee.

Last year 352 pupils were given their initial tuberculin test, and it is hoped that 100 per cent of the students will participate this year. "Consent" slips will be sent to each parent, and without their approbation no child will be tested.

That the tuberculin test is the simplest way of screening out those individuals who have come in contact with the tuberculin germ was pointed out by Dr. Kruglick. Thus, tuberculous infections are exposed and proper precautionary measures can be advised so that any further spread of the disease may be checked immediately.

In the test a small amount of fluid is injected between the layers of the skin on the forearm. Within 48 hours if no reaction takes place, the mark will disappear and the result is known as a "negative" response.

On the other hand, should a red spot, slightly swollen, appear at the site of the injection, the reaction is known as "positive." This, however, does not indicate that a person has tuberculosis, but it does mean thaat the reactor has been exposed to the germs causing the disease and should have further examination to determine whether the infection is active or has been checked through natural body defenses.

"Since tuberculosis is the greatest cause of death between the ages of 15 and 45," Dr. Kruglick said, " it is important that all infections be detected early. The tuberculin test is a valuable method of locating those persons infected with the germ so that its spread may be halted in the earliest stages while it is still curable.

CARD OF THANKS

I wish to express my appreciation to my many friends and neighbors for their kind thoughts and expressions of sympathy in my recent bereavement. Also Walter C. Oehler and his staff for the excellent manner in which they conducted the services.

Mrs. L. J. Chatlien.

Name Changed Quickly

King Edward had hardly abdicated when the proprietor of a hotel in the little town of Windsor, N. C., changed the name of his hostelry to the "Duke of Windsor."

Council Report Shows Way to Save Time Of State Legislators

The Legislative Council of the State of Illinois has recently issued through its Research Department a 22 page report on the proposal submitted by Representative Bernice T. Van der Vries of the 7th Senatorial District for a study of the Committee system of the General Assembly. The report covers the questions submitted in the proposal such as consolidation of, reduction of, cooperatin between and a program for committees of both Houses.

According to the procedure of the Council the report is merely fact-finding and no recommendations are made for legislation but the report definitely brings out the fact that the present large number of committees and the over-lapping of membership which prevails contributes to the difficulty of obtaining a quorum.

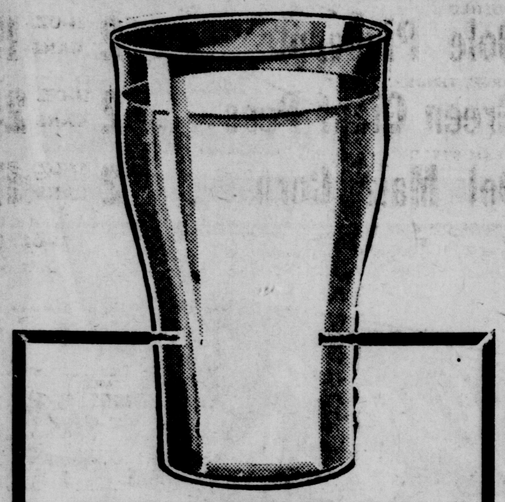

The report also calls attention to the advantages of a program of regularly scheduled meetings for committees not used in Illinois and also the benefits of joint committee hearings between the two Houses on bills of general interest. Such a system is used in Maine, Massachusetts and Connecticut.

Eye Most Sensitive

The human eye is thousands of times more sensitive to light than any instrument made by man. DOES FORD PAY GOOD WAGES?

HERE ARE SOME FACTS about Ford Labor.

During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employes, students, or executives. They were paid $185,105,639.12. On this basis, the average annual wage was $1,629.05.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was $841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employes, they would have had additional wages of more than $35,000,000,000, thus increasing the national income about 50%. Think what such an increase would mean to the workers of this country and to the American farmer, whose prices are based on the national income.

Wage scales in the Ford Rouge plants are divided into three classifications:

Unskilled . . .
Minimum hiring wage . 75c per hour

Semi-skilled . . .
Minimum hiring wage . 80c per hour

Skilled . . .
Minimum hiring wage . 90c per hour
Higher wages are in consideration of ability and years of service.

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Now some facts on Ford labor conditions:

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employes. Proof of this is found in the following comparison of compensation insurance costs:

The national average rate in automotive manufacturing plants as computed by the National Association of Underwriters is in excess of $1.50 premium on each $100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

25,819 between 40 and 50
14,731 between 50 and 60
3,377 between 60 and 70
417 between 70 and 80
12 between 80 and 90

In addition to the so-called regular employes, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wage, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work. They are not selected for their ability to build cars or to maintain the plant. They are on the payroll because of Henry Ford's belief that the responsibility of a large company to labor goes beyond the point at which the unfortunate worker can no longer produce profitably.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job . . . buy a car . . . or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.

Legionnaire Finds Good Fishing And Nazi Ship In Florida

C. L. Stattler returned last week from a trip to Miami, Florida, where he visited his father, Norman Stattler, did a bit of commercial fishing and found time to photograph a German ship that was chased into Ft. Lauderdale by a British boat. The U. S. Defense program is in evidence in many places in the south. In describing the situation, Mr. Stattler says, "just imagine 50,000 laborers being placed in Schaumburg building barracks and army camps and you would have a good picture of what is happening at these new army sites."

"It may not be sporting to engage in commercial fishing, but it is a lot of fun to be able to 'pull 'em out' almost as fast as you can let your lines down," says C. L. The fishermen are allowed to spread beds of fish food upon the water, which attracts the fish to that locality. All Mr. Stattler had to do was to drop his hook into the midst of the regular fish food. The fish do the rest.

"Many new roads have been opened up and it is as easy to get to Florida as it is to go to Wheeling," says Mr. Stattler, "except you have to buy more gas."

"Humor" To Be Title Of Speech At High School Program

Howard L. Buck, associate Professor of English at the Central Y. M. C. A. College, will talk at a school assembly program in the Arlington high school gymnasium Friday afternoon, January 17. His subject will be "Humor."

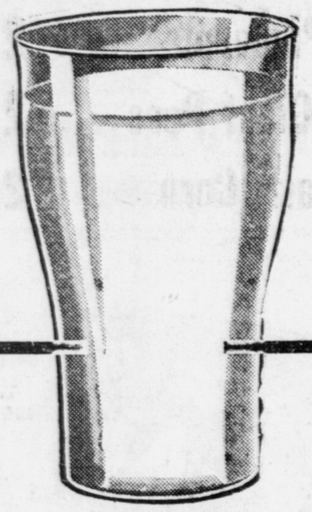

Howard L. Buck, a native of Vassar, Michigan, received his B. S. degree from Colgate university in 1913, and his M. A. from Harvard university in 1916. At the latter university he studied under Professor Kittredge and other scholars of international repute. Mr. Buck is an athlete of no mean ability, having been at one time a pitcher for the New York Giants and later a coach at Colgate dniversity. He still wields a wicked bat as well as a pen.

Mr. Buck has been engaged in high school work during most of his active career. For some time he was a supervisor of schools in Milwaukee, and for ten years was principal of the Central YMCA Evening high school, Chicago. He is at present Associate Professor of English in the Central YMCA College, Chicago.

Des Plaines Police Radio To Be Hooked Up With County

The Des Plaines police radio will be hooked up with the Sheriff's Department station at Morton Grove just as quickly as it can be done. This action was taken recently at the council meeting when Chief of Police Howard A. Becker appeared before council and asked permission to spend $50 to do this.

Mr. Becker explained that on January 15 the Federal Communications Commission would change the wave-length of the Chicago police radio. This would mean the purchasing of a new speaker for the local station. He said that in the beginning when the local station was installed it was hooked up with Oak Park, that is so Oak Park and Des Plaines could broadcast back and forth. However, Oak Park has taken the Des Plaines speaker out of their station so that at present Des Plaines can only broadcast to the car, and to it only so long as it is within range. Should the car chase a criminal beyond the range of the radio, the local station could not be reached by the car operator, nor could the office reach the car.

If the county is hooked into the local station, when the city's car gets out of range of the local station the county could broadcast to the car.

Chief Becker pointed out that at present the only thing that comes over the radio, except the local business, is the calls from Chicago, but of course the Des Plaines police cannot call the Chicago police.

The advantages of being hooked up with the county would be many, he pointed out, as often the local police are asked to be on the lookout for speeders or other violators coming this way and now to do this they must use the telephone.

Alderman Otto Henrich said he felt that this would be a good move and should have been done before and made the motion that Chief Becker be authorized to see that it was done. The motion was carried unanimously—Des Plaines Journal.

DOES FORD PAY GOOD WAGES?

HERE ARE SOME FACTS about Ford Labor.

During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employes, students, or executives. They were paid $185,105,639.12. On this basis, the average annual wage was $1,629.05.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was $841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employes, they would have had additional wages of more than $35,000,000,000, thus increasing the national income about 50%. Think what such an increase would mean to the workers of this country and to the American farmer, whose prices are based on the national income.

Wage scales in the Ford Rouge plants are divided into three classifications:

Unskilled . . .
Minimum hiring wage . 75c per hour

Semi-skilled . . .
Minimum hiring wage . 80c per hour

Skilled . . .
Minimum hiring wage . 90c per hour
Higher wages are in consideration of ability and years of service.

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Now some facts on Ford labor conditions:

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employes. Proof of this is found in the following comparison of compensation insurance costs:

The national average rate in automotive manufacturing plants as computed by the National Association of Underwriters is in excess of $1.50 premium on each $100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

25,819 between 40 and 50
14,731 between 50 and 60
3,377 between 60 and 70
417 between 70 and 80
12 between 80 and 90

In addition to the so-called regular employes, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wage, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work. They are not selected for their ability to build cars or to maintain the plant. They are on the payroll because of Henry Ford's belief that the responsibility of a large company to labor goes beyond the point at which the unfortunate worker can no longer produce profitably.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job . . . buy a car . . . or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.

St. James Guild Elects Officers

Newly elected officers of the St. James Woman's Guild are Mrs. Joseph Wisersky, president; Mrs. George Zimmer, first vice president; Mrs. Philip Brehm, second vice president; Mrs. Edwin Weidner, secretary and Mrs. John Kindler, treasurer. These officers were elected at the last monthly business meeting of th association which took place the last Monday in December. The next regular meeting will be held in the St. James' school hall on January 27 at 8 p. m.

Epworth League Takes Trip To China Town

Eighteen members of the Epworth League of the M. E. church met with some 150 other Leaguers at the Irving Park M. E. church on Sunday afternoon to take a trip to China Town. The group also stopped to visit the Halsted Institutional church in the slum area of Chicago and then made a tour through China Town, where they enjoyed a dinner, Chinese fashion, (chop sticks and all), were escorted through several of the Chinese shops; visited the City Hall of China Town, and saw scenes of China from early times up to the present day.

The group also went to the Humboldt Park Epworth League.

American Legion Auxiliary Notes

Mrs. A. C. Russell, corner of State rd. and Euclid, will be hostess to the American Legion auxiliary at its social meeting Tuesday afternoon, January 21. The afternoon will be spent in making mending kits for the veterans at Hines hospital. Please bring pieces of heavy material such as cretonne for outside, and flannel for the inside about 4 by 12. Also needles, buttons, darning cotton and thread to fill them. Thimbles, needles and thread will be needed to work with.

The president and delegate will attend the 9th district meeting at Wilson field house on this Thursday evening.

Arlington Local News

Mr. and Mrs. Charles Scherf were Sunday dinner guests of Mr. and Mrs. Max Maus of Des Plaines.

Mrs. Fred Utterback was hostess to her bridge club on Friday afternoon. Mrs. Milton Daniels and Mrs. Roy Lawbaugh received high awards for the afternoon.

Bruce Roberts of Chanute, Kansas, who is now stationed at Rock Island, Ill., where he is a junior inspector in the arsenal division of the War department was a weekend guest at the home of his aunt, Mrs. J. Clyde Jones.

Mr. and Mrs. Jay Baxter of Richland, Iowa spent several days this week visiting the Guy Baxter and B. G. Baxter families.

Mr. and Mrs. Oris B. Cunningham and family were Sunday guests of the Armentraut family in Oak Park.

Mr. and Mrs. A. W. Robinson and family of Chicago were Sunday guests at the Ray Hayes home.

Mrs. V. A. Pecchia was hostess to her bridge club Monday evening. Following cards the hostess served a midnight lunch.

Mrs. Robert Swanson was hostess to the Nurses club on Friday evening, for their regular monthly meeting. The event was also a party in honor of Mrs. Meisenheimer.

Mr. and Mrs. Tuttle of Dayton, Ohio, are new residents in town, living in the Tackett house on South Chestnut St.

Mrs. Wm. Mueller entertained a group of friends from Chicago at a one o'clock luncheon on Monday afternoon.

Mrs. Marvin Prellberg was hostess to her bridge club on Thursday afternoon at a one-thirty dessert luncheon. Mrs. Donges and Mrs. Scherf received high honors for the afternoon.

Sherman Pate is attending the radio convention at the Sherman Hotel this week, where he has charge of a booth for the Permo Products Co.

Mr. and Mrs. Walter Armstrong and family were Sunday evening dinner guests of Mr. and Mrs. W. J. Meister in Chicago.

Dr. and Mrs. Meisenheimer have moved from their home on North Evergreen into their newly purchased home in Scarsdale, formerly owned by the Zinke family.

Church Organizes Choir

The St. John's church, Elk Grove, organized a choir Thursday night. Wm. Heuser, president; Mrs. Paul Meeske, vice president; Roland Busse, secretary; Margaret Gehrs, treasurer.

They will practice every Thursday evening.

MERLE GUILD POST NO. 208 AMERICAN LEGION NEWS

A regular meeting of Merle Guild Post No. 208 American Legion was held at the Legion house Tuesday with twenty members present.

By an action of the Post, a contribution of $10.00 was given to the Trade and Civic association to help defray the expense of the Christmas decorations.

The Post concluded arrangements for the showing of the American League picture at the high school on February 27, in conjunction with an Americanism program to be given that evening, to which the public are cordially invited as guests of the Post.

A newspaper pick up will be conducted during the month of March and the proceeds from the sale of the papers and magazines will be turned over to the Dental Clinic for use in this community. The co-operation of all citizens of the Village is requested so this project will be a success.

Comrade Wisersky reported that the Scout Troop No. 5, under the leadership of Mr. Wm. Kincheloe, Scoutmaster, was making fine progress and that several tests had been given and passed by members of the troop. At the present time there are 14 scouts in Troop 5.

Commander Carroll announced that Press Night would be held Jan. 28, at which time the publicity officer would present merit certificates to the Cook County Herald and Community Courier for their support of the American Legion and this Post in particular.

Comrade Engelking reported that Merle Guild Post had contributed $70.00 to the Christmas Basket Fund and that due to the increase in recipients of Christmas baskets there was a cash balance of approximately $20.00 left in the treasury for next year and asked that the Post continue their efforts at the next Christmas season as a service to the community. The local Post is glad to co-operate with the Christmas Basket committee in an effort to promote the Christmas spirit in our Village.

CLUB CALENDAR

January 23, P.-T.A. card party, north school, 8 p. m.

January 29, Friendly class luncheon, 1 p. m.

January 30, official visit and special meeting of O. E. S.

February 5, Dorcas Aid birthday luncheon in school hall.

February 5, Friendly Circle of St. Johns' Evangelical church annual Father and Son banquet.

Miss Naomi Smart was the guest of Mr. Robert Eich at a formal dinner dance given by Phi Kappa Sigma fraternity of Northwestern University at the M. & M. club on Friday evening, January 10.

Hillside News

by LEONA GETNER

The regular meeting of the Wilson P.-T. A. was held Friday evening, Jan. 10. The President, Mrs. Andy Wallor, presiding. A nominating committee was appointed consisting of Mrs. Funk, Hanson, and Mrs. Smith, after the business meeting was over all joined in community singing. Mrs. Ebitch won the door prize donated by Mrs. Clark. A social hour followed. Refreshments were served in the basement.

Just to remind you of the card and bunco party to be given at Wilson school by the P.-T. A. on Saturday evening, Jan. 25, at 8 p. m. see Anthony Carlino or his committee for tickets. There will be a prize for each table, also refreshments will be served. Tickets 35 cents.

The regular meeting of the Women's community club will be held Tuesday, Jan. 21, at the home of our President, Mrs. Grossi, Mrs. Sargent assisting hostess.

Mrs. Elliott and Mrs. Thorsen called on Mrs. O. Q. Hamilton who has been confined to the Evanston Hospital for the past 5 weeks. They took her a plant from the members of the Wilson P.-T. A. Mrs. Hamilton will always be glad to see any of her old neighbors and friends, Room 205 West Annex, Evanston hospital.

Mr. Nyman went in to Chicago to visit with the boys at Stewart-Warner. Mr. Nyman is slowly regaining his health since his accident a year ago.

Sunday visitors at the Bloomquist home were Mr. and Mrs. Jovsberg, Mr. and Mrs. Nelson and daughter, Sonya from Chicago. Mrs. Nelson from Minneapolis.

Mr. and Mrs. Gilbert Klehm received an invitation to attend the Inaugural Ball at Springfield.

On Friday, Jan. 3, Mrs. Fred Hanson was installed as guardian of the Northwest Grove Women's Circle Auxiliary Camp 534 W. O. W. The Work of the Installing officers was most beautiful and thus the corps of officers were duly installed for the ensuing year. Mrs. Hanson looked lovely in a beautiful black formal. On the same evening Fred Hanson was installed as advisor lieutenant of Camp 534, W. O. W.

Mr. and Mrs. Wallor, Jack Wallor and Mary Jane Stein, and the Jim Pies family were Sunday callers at the Wallor home.

Sgt. Leslie Brown, who formerly resided in Hillside before his enlistment, paid a surprise visit to his uncle, Mr. Barth of Chestnut Road. Leslie is now stationed in Arkansas after having been at Ft. sheridan for over 3 years.

We are sorry to report that Mrs. Mark, Edward Stolts, Mrs. Clark, and Joe Simo who are on the sick list. We wish them a speedy recovery.

Mr. and Mrs. U. Oliger left early Thursday morning for Louisville, Ky., where Mr. Oliger will have employment for several months. They will reside with Mr. and Mrs. Madden.

Mrs. Nyman wishes to thank all her neighbors and friends who remembered the family with a gift of $25 at Christmas time. They were indeed grateful.

Mr. and Mrs. Frank Stiener and Mrs. Peter Pilgard went to Chicago Thursday evening with the intention of visiting relatives. When they arrived they were greeted with a house full of friends and relatives and before long a stork shower was in full swing with Mrs. Steiner the guest of honor. Refreshments were served. A nice time was had by all.

Mrs. Gilbert Klehm of Palatine Road was hostess to a group of ladies from Arlington Heights at a 1 o'clock luncheon Thursday at the Tally Ho, in Park Ridge.

The regular meeting of the Palatine Hospital Auxiliary and Nurses club was held on Monday evening, Jan. 13, at the Palatine hospital. The President Bette Sherman presiding. Plans were discussed for the third annual card and bunco party to be held on Monday, Feb. 17, at the I. O. O. F. hall. Door prizes will be given. Also a prize for each table. Refreshments will be served. Tickets can be secured from the members which will be 25 cents. Mrs. Erwin Clausing and Mrs. Miller joined the auxiliary.

Friendly Circle To Have Father And Son Banquet

The annual Father and Son banquet which is sponsored by the Friendly Circle of the St. John's Evangelical church will be held on the evening of February 5 in the church parlor. Tickets are on sale at 50c a plate. For reservations call Mrs. Clarence Othmer, tel. 119-R.

Grade School Teams To Play Palatine

Two boys' basketball teams and two girls' volley ball teams from the 7th and 8th grades of the public schools will play teams of the Palatine schools at Palatine on Saturday morning.

Mrs. B. T. Best, Mrs. Milton Daniels and Mrs. Guy Baxter are motoring to Glen Ellyn on Friday where they will be guests of Mrs. Harry Sebert.

Beverly Rogers is ill with a sinus infection and is in the West Suburban hospital.

Friendly Class Plan Luncheon

The Friendly class of the Presbyterian church are sponsoring a "Noonday" luncheon on Wednesday, January 29, which will be given by the Robert and Oake Meat Packers Co. of Chicago. Tickets for the luncheon are 35c each and may be purchased from any member of the Friendly Class, or by calling Mrs. Neimeyer, tel. 329-R. An afternoon of cards will follow the luncheon and the Robert Oake Co. are furnishing table prizes. A representative of the company will give a short talk on meat.

Mr. Thal Talks At Garden Club

Mr. Hugo Thal was the speaker at the last meeting of the Garden club which was held on January 5, when he told the club members of his western trip of last summer. Mr. Thal described the Redwood trees of California and told many interesting facts about them and also told of his trip to Glacier National park and on down the coast to California.

P.-T. A. Card Party Next Week

The Parent-Teacher association card party is next week on Thursday, January 23, in the north side school at 8 p. m. If you have not filled a table, you may secure tickets from any room mother or P.-T.A. member at 35c each. Table prizes and door prizes will be awarded and refreshments will be served. Mrs. Vernon Sturm, ways and means chairman for the P.-T.A. is in charge of arrangements.

Young People Of Presbyterian Church Plan Social

The two young people's societies of the Presbyterian church are holding a joint social meeting on next Sunday evening, when they will meet at the church for a six o'clock lunch and will later enjoy a program. These groups also are planning to visit the Erie Neighborhood house in Chicago on Sunday afternon, and attend the Sunday school at the house.

Cub Pack To Watch Magician

The Arlington Heights Cub Pack will meet on Thursday evening in the north school at 7:30 p. m. when Mr. Frank Hanke of Chicago will be present to pull a few rabbits out of his hat, and perform many other magic tricks for the enjoyment of the boys, their parents and any interested visitors who may wish to attend. The boys also will exhibit their handicraft work which they have been working on for some time.

Boys who have recently become of Cub age or any other boys between the ages of 9 and 11 who may desire to join the Cub Pack, should get in touch with Mr. Cubley, who is Cub Master or Mr. Oscear Kurtz, chairman of the Pack committee.

Camp Fire Girls — Wood-Gathers Group

Our new year began with the election of officers. On January 6 we elected Janet Ninneman president; Carol Engel, vice president; Mary Lou Richards, secretary, and Patsy Collins treasurer. These officers will serve for three months.

We are busy studying about birds this month. Our collection of twenty bird pictures makes our nature notebook very interesting. We are also learning several different bird calls.

On Saturday morning, January 11, our guardians took us to Deer Grove forest preserve for a snow hike. We built a fire in a shelter and roasted apples over it. Then we took a long walk through the woods.

At our next meeting we all agreed that we would very much enjoy another snow hike.

Carol Engel, Scribe.

Lost Some Pie Plates

The ladies of the St. John's church, who gave a turkey dinner before the holidays, are anxiously looking for some pie tins, so that they can bake pies for their families like the ones they sold at the dinner.

It seems that some guests at the dinner enjoyed the pie served, so well, that they purchased pie (on pie tins) to take home and the owners of the tins are now needing their tins for home use. If you were one of those people, will you please return the tins to the St. John's church or call Mrs. Barney Runge, tel. 599-M, and everything will be in apple order.

Junior Woman's Club Meets

The Junior Woman's club met on Monday evening with Mrs. Elmer Herrick in charge of the program, which was a discussion of the drama and radio programs. A social time was enjoyed at the home of Miss Margaret Helwig.

Vic Pecchia Convalescing

Mr. Victor Pecchia, who has been a patient at Hines hospital for the past eight weeks, is progressing satisfactorily, but will require hospitalization for some time yet. "Vic" is appreciating the rest and care he is receiving, but would trade with anybody to "be up and at 'em."

Still Time To Join Blanket Club

The Blanket club sponsored by the Fidelis Circle of the Methodist church is still accepting memberships, and any one interested may call Mrs. Stadelman, tel 182-W. The first drawings were held at the Woman's Society of Christian Service, which met at the church on Tuesday evening, and Mrs. Grosse and Mrs. Jay Baxter were the first two drawn.

The program for the evening was presented by Mrs. Plumley and Mrs. Meyer, and Mrs. Donges sang a group of solos. Following the program the committee in charge served refreshments.

Panel Discussion On Recreation At P.-T. A.

"Safeguarding Democracy in Arlington Heights by Promoting Recreation" will be the subject of a panel discussion which will take place at the next meeting of the Arlington Heights Parent Teacher association on Tuesday evening, January 21 at 8 p. m. in the north school.

The program has been planned by Mr. Marion Hogate, recreation chairman for the P.-T.A. and the discussion will be led by Mrs. Chas. W. Balch, chairman of State P.-T.A. Recreation committee and also Mr. John Batchelder field secretary of the National Recreation association. Local people who will take part in the discussion are Mrs. C. E. McWharter, Mrs. Paul Collins, Mr. W. F. Vanderbeek, Mr. Ray E. Hayes and Mr. Hogate.

Farewell Tea For Mrs. Woods

Mrs. Wallace Jacobus of Derbyshire Lane was hostess to a group of friends of Mrs. Joe Woods Friday afternoon at a farewell tea in her honor. Mr. and Mrs. Woods moved to New York City this week, where Mr. Woods has been made director of the New York office of Holland magazine.

Dorcas Aid Installs Officers

The Dorcas Aid of the St. Peters' Lutheran church held their regular monthly meeting on Tuesday evening and installed their new officers for the year. Mrs. Elbert Russell was installed as president; Mrs. Herman Schwolow as secretary; Mrs. Ed. Grewe as treasurer; Mrs. Walter Karstens as first vice president; Mrs. Engelking as second vice president. Plans were made for the luncheon which the group will give on February 5 and a social hour followed the meeting.

Parent-Teachers To Have Home Making Class

The Parent Teacher association is again this year conducting a class in home making which is open to any one in the community. Homemaking in this instance means sewing, and the former classes have proved popular. The class will run for six weeks starting on February 4, meeting on Tuesday afternoons from 1:15 to 3:30 p. m. and on Thursday mornings from 9 until 11:30, and will be held in the north school.

If you are a beginner or need help along some particular line, plan to attend this class.

How to use a pattern, making bound button holes, special help in crocheting and knitting, the remodeling of old clothes, especially those of children are some of the things that will be taught. The only charge for the course will be a 25c registration fee. Registrations will be taken at P.-T.A. meeting on January 21, or one may register at the first class meeting on February 4.

This class is under the direction of the home-making chairman, Mrs. Guy Baxter and she will have an assistant at each class.

Dr. Chang-Lok-Chen To Speak At Joint Club Meeting

The husbands of the members of the Arlington Heights Woman's club are to be their guests at a seven o'clock dinner in the field house on Wednesday evening, January 22, and are to have the privilege of hearing the Consul General of the Republic of China talk on "The Chinese Situation and the War in the East."

Dr. Chan-Lok-Chen received his education in America and is a fluent speaker well able to speak on this pertinent subject, and the evening should be an outstanding event in the Woman's club year.

New Deanna Durbin Hit Now At Des Plaines

Old Vienna, before "anschluss" with Germany, is the locale for Deanna Durbin's new production, "Spring Parade," now showing at the Des Plaines Theatre. This delightful film operetta, directed by Henry Koster, includes such well known personalities in the cast, as Robert Cummings, Mischa Auer, Henry Stephenson, Walter Catlett and Reginald Denny. The hilarious comedy hit, "Christmas in July," co-starring Dick Powell and Ellen Drew completes the current Des Plaines program.

"Foreign Correspondent" starring Joel McCrea, and featuring Laraine Day, Herbert Marshall, George Sanders and Robert Benchley, opens Sunday for a three day run, double featured with "Moon Over Burma." Dorothy Lamour, Robert Preston and Preston Foster are the leading players in the latter film.

Kiss Meant Marriage In Old West, So Stars Stretch Their Clinches

Strictly in the interest of moral uplift, Director Sam Wood is championing the cause of the long, lingering, breathless kiss— smack on the kisser!

For the romantic climax of the Paramount picture, "Rangers of Fortune," which comes Wednesday, Thursday, Friday and Saturday to the Palatine Theatre, Director Wood decided that peck and run would be out; that if Fred MacMurray kissed heroine Patricia Morison for his camera, he would look as if he meant it. And so the Hays office, watch dogs of the embrace, had to liberalize their code to permit a forty-second lingering embrace between the stars, instead of the 10 second "quickie" that they usually permit to go by.

"Tugboat Annie Sails Again," with Marjorie Rambeau in the title role of the salty old lady sea captain, will have its showing with "Rangers of Fortune." at the Palatine Theatre. A full cargo of laughs goes with it, as "Annie" and Captain Bullwinkle, turn their Saturday Evening Post Feud into a happy, scrappy screen comedy.

Bringing thrills, action and comedy, "Wyoming," starring Wallace Beery in outdoor adventure, comes Sunday, Monday and Tuesday, with a cast that includes Leo Carrillo, Ann Rutherford, Lee Bowman, Paul Kelly and other principals.

Pickwick Movie Time Table

Thr.,-Fri.-Sat., Jan. 16-18 — Gloria Jean, Hugh Herbert and Robert Stack in "A Little Bit Of Heaven." And John Garfield, Brenda Marshall and Marjorie Rambeau in "East Of The River." And for the children on Saturday afternoon, in addition to "A Little Bit Of Heaven," cartoons, Our Gang and on the stage in person, Lew Loyal of the WGN and Mutual Radio Serial. Chicago Tribune Comic Books will be given free to every boy and girl attending the matinee. Matinee starts 1:50; lights up at 3:51. Screeno Saturday night at 9:05, with a $105.00 jack pot and $50.00 play.

Sun.-Mon.-Wed. Jan. 19-22—James Cagney, Ann Sheridan and Frank Craven in "City For Conquest." And, Allan Jones, Nancy Kelly and Abbott & Costello in "One Night in the Tropics."

Time Table—Doors open week days at 6:00; Sat. at 1:30; Sun. at 1:00. This week shows start Thr.-Fri. at 6:30; Sat. at 1:50; Sun. at 1:25; Mon.-Tue.-Wed. at 6:35.

Screeno Saturday at 9:05.

Lew Loyal Saturday matinee at 3:41.

"East Of the River," Thr.-Fri. at 6:30-9:15; Sat. at 3:51-6:28-9:34.

"Little Bit Of Heaven," Thr.-Fri. at 7:41-10:26; Sat. at 2:15-5:02-7:39-10:45.

"One Night In Tropics," Sun. at 1:25-4:30-7:35-10:40; Mon.-Tue.-Wed. at 8:44 (one showing only).

"City for Conquest." Sun. at 2:47-5:52-8ff57; Mon.-Tue.-Wed. at 6:35-10:04.

Gloria Jean Accompanied By Boy's Choir In "A Little Bit of Heaven"

The famous Robert Mitchell St. Brendan's "boychoir" provides a choral background for three of Gloria Jean's five songs in "A Little Bit of Heaven," Universal feature coming to the Catlow Theatre on Saturday, one night only.

The 12-year-old soprano's rendition of "Eli, Eli," said to be one of the most impressive song numbers ever screened, has a record-size background of 60 choral voices and an orchestra of 40.

The St. Brendan's boys also sing "After Ev'ry Rainstorm," and "What Did We Learn at School?"

Robert Stack, Hugh Herbert, C. Aubrey Smith, Stuart Erwin and Nan Grey have chief supporting roles in the film, produced by Joe Pasternak.

The street that makes America sing. Now 20th Century-Fox tells its stirring colorful story in "Tin Pan Alley," which stars Alice Faye and Betty Grable, coming to the Catlow Theatre Sunday and Monday. Jack Oakie and John Payne head a great featured cast of entertainment-makers.

Topping the list of familiar favorites in "Tin Pan Alley" is a brand new song created by the famed writing team of Mack Gordon and Harry Warren. Their "You Say the Sweetest Things Baby" is slated for a long stay on the nation's hit parade.

Some of the memorable popular tunes Alice Faye and the others put over is "Tin Pan Alley" are: "America I Love You," "Goodbye Broadway, Hello France," "K-K-K-Katy," "Moonlight Bay," "When You Wore a Tulip and I Wore a Big Red Rose," and "The Sheik of Araby."

"Street of Memories," with Lynne Roberts, Guy Kibbee and John McGuire, which comes Tuesday to the Catlow Theatre, is said to promise unusually absorbing entertainment. Others featured in the cast of the new 20th Century-Fox film are Ed. Gargan, Hobart Cavanaugh and Jerome Cowan.

Suffering from amnesia, a boy with no name, no past, no job and no money, McGuire falls in love with Lynne, a beautiful girl he meets in the "Skid Row" section. Side by side, they fight against tremendous odds for a chance in life and the drama builds to a thrilling and unexpected climax.

Double featured on Tuesday with "Streets of Memories," is "Dancing On a Dime" with Grace McDonald, Robert Paige, Virginia Dale and William Frawley.

Dick Powell, Hollywood's refugee from musical pictures, has made his second picture without the sign of a song. It's "Christmas in July," which opens Wednesday at the Catlow Theatre, in which he co-stars with Ellen Drew. It was written and directed by Preston Sturges, who made "The Great McGinty."

"Christmas in July" is a rollicking comedy of a young chap waiting to win a national slogan contest before marrying. He gets his hand on a check for $25,000—but not for long. Featured in the picture are Raymond Walburn, William Demarest and Ernest Truex.

Modern Adventurer

The greatest adventurers of our time are the newspaper and radio foreign corespondents, braving countless dangers to bring us their eye-witness reports. Joel McCrea plays the role of such a man in the new thrilling Alfred Hitchcock spectacle, "Foreign Correspondent" opening Sunday at the Des Plaines Theatre for a three day run.

'Lost Battalion' Of Palatine Is Featured In City Gang Story

Palatine's "Lost Battalion" has scored again in its quest for national publicity.

Most of you no doubt remember the origin of the "Lost Battalion" from Palatine as the group of men who registered in precincts one and two, but whose registration cards were lost "in transit." A special registration date was prescribed and a drawing for individual serial numbers was held in the high school gym. Plenty of local and city photographers were present with every one in town buying extra papers the following day.

This past week, news-stand sales in Palatine again scored when the "Lost Battalion" appeared in a national detective magazine as hold-up victims of a Chicago gang. This time however, State Director of Draftees Paul Armstrong and local American Legion boys were taken out with the usual "line-up" of suspected criminals inserted in its stead.

Just when the hold-up of 75 Palatine men occurred is a mystery to everyone but the editors of "Official Detective" stories. Perhaps they can tell us just how we could be robbed by Chicago's "Friday Night Gang" when we are all members of the Palatine "Friday night basketball gang."

Truck Gardeners Add 350 Members During Year

'Use Common Sense, And Refuse To Be Stampeded'—Geweke

by MABEL WARNKE

Members of the Cook County Truck Gardeners and Farmers Association who filled the Masonic hall in Jefferson Park, Saturday afternoon, January 11, for the 39th annual meeting of their organization heard their president, Mr. August Geweke in his annual summary of the year's activities, express confidence that — "as long as we use our common sense a course that will preserve our institutions and way of life and eventually lead us out of the present gloom and mist of uncertainty."

Mr. Geweke stated that the fact that the membership roll of the organization was increased by mort than three hundred fifty individual members during the last year, clearly demonstrates the position this association occupies in the farming and gardening industry in Cook county and vicinity; and is appreciated by the growers who realize that membership in this organization is their best protection against unjust demands made against them.

He made a brief comparison between existing conditions today and those of January, 1918, before warming up to the subject of the West Randolph Street market. This is one of the most important problems of the growers and after forty years of experience Mr. Geweke still maintains that problems on this market can be settled by negotiations between representatives of the gardeners and buyers.

Surveys conducted and polls taken over a period of years disclose that evening hours are desired by most growers using this market. In spite of resistance and controversy, it is Mr. Geweke's belief that eventually the city authorities will recognize this fact and provide reasonable hours. He pledged continued assistance to the market-master in his efforts to secure an orderly conducting of the market and any measures tending to improve same.

The Association went on record as opposing the standard grading and package law. Conditions and selling methods employed on the W. Randolph street market and similar markets throughout the state permit little opportunity for practicing the fraud which this law seeks to prevent.

Speaking on legislation, President Geweke advised the necessity of keeping a close watch on the activities of the State Legislature in session this year, in order to become familiar with the new legislation and to protect the individual against any unfair legislation which may be proposed. He also explained the new zoning law recently passed by the County Board affecting areas outside of municipalities.

Reports submitted by the secretary and treasurer showed the Association's finances to be in good order. Summaries of the activities of the various standing committees were also heard and the board of directors for 1941 was elected. A male quartet furnished entertainment.

August Geweke to Head Farmers For 39th Year

Mr. August Geweke was re-elected to serve as president of the Cook County Truck Gardeners and Farmers Association for his 39th consecutive year when the board of directors of that body met in their afternoon meeting on January 11, convened for their first session that evening.

Re-elected with Mr. Geweke were Walter F. Sass and Tom Hoekstra, first and second vice presidents; Henry Gerken, secretary; Louis Schroeder, treasurer; and Elmer J. Steil, assistant secretary.

Due to the increase in membership, three new members were added to the board of directors, the complete list of which follows: C. Karnatz, E. W. Guenther, W. Kutz, R. Hacker, A. Geweke, F. J. Wilke, E. J. Steil, H. Koch, W. A. Bernhard, G. Terpstra, W. Vanderwolf, L. Schroeder, G. H. Geils, W. F. Sass, H. L. Moeller, R. Anderson, G. H. Koelper, E. Wille, F. J. Klein, E. Koeune, F. Herff, H. Metz, R. Lumpp, W. H. Prueter, E. F. Moeller, J. C. Grandt, N. Herff, J. W. Selzer, H. Beer, L. Pohlman, T. Hoekstra, P. Piersma, F. Van Laten, H. Buecker, J. Benck, H. Gerken and L. Wetterman.

International Offers Free Family Party At Ballroom Jan. 30

All farmers and others interested in International farm machinery are urged to reserve Thursday evening, Jan. 30 for the annual family party of their International implement dealer, which will be held in Dad's Arlington Ballroom. For details and program, watch next week's paper.

A Bit of England

A little bit of England in the heart of French Canada describes the rolling orchard country of Quebec's eastern townships. The townships are as English in appearance as the lower sections of Quebec are Norman. Yet the majority of residents are French speaking.

Strange Land Monster

It looks as if the Loch Ness monster's little brother has turned up in Italy. Peasants of the Tesimo district report the reappearance of a strange land monster which was first supposed to have been seen 32 years ago.

Prominent Wheeling Resident Dies Suddenly

Frank W. Welflin passed away suddenly at Wheeling early Monday evening. Although his health had been poor for some time, he had been up and around until an hour before his death. He retired early after supper on Monday complaining of what seemed to be the start of a cold. Shortly after reaching his bed, his wife noticed that his condition seemed serious and called in relatives and a doctor. The end had come before the doctor arrived. Mrs. Welflin recently underwent a serious operation from which she is still convalescing, and it is thought Mr. Welflin's death was hastened by worry during her illness.

The funeral was held Thursday afternoon at two o'clock at the Wheeling Presbyterian church.

Village of Palatine Again Sued For $20,000 Of Unpaid Bonds

George M. Jones and numerous others who in 1938 secured judgment in Superior court for amounts totaling $20,000 for unpaid bonds of the village of Palatine have filed another suit. This time they are asking for a mandamus to compel the village officials to appropriate money to pay their judgments which so far they have not been able to collect on they say.

CAR MANUFACTURERS AND THE RUBBER MANUFACTURERS ASSOCIATION SAY—
WHEEL BALANCE is IMPORTANT

Because OUT OF BALANCE WHEELS cause

1. Excessive body and chassis strains.
2. Shimmy and Tramp.
3. Uneven tire wear resulting in premature failure.
4. Increased gas consumption — decrease in average speed.
5. Abnormal wear of wheel bearings, bushings and king pins.
6. Wheel misalignment because of excessive vibration.
7. Rough riding and danger at high speed.

HERE'S WHY YOUR WHEELS NEED BALANCING

"A wheel out of balance just ONE OUNCE at the tread . . . develops 12 pounds of vibration on the road at 60 m.p.h."

STATIC UNBALANCE
Static unbalance is a condition that exists when the weight of a wheel assembly is so distributed on its own spindle or shaft, that the wheel will not remain at rest when stopped in any position.

DYNAMIC UNBALANCE
Dynamic unbalance is a condition, independent of static, that exists when the weight of a revolving wheel is so distributed that vibration is present regardless of the speed of rotation.

BALANCE-MASTER corrects these faults

This modern balance machine assures you of quickest and most sensitive balance attainable.

The exact amount of weight required in ounces and the exact location also which side of wheel to place weights, eliminating all guesswork. Wheels on all new cars should be kept in balance to prevent the resulting damage to the entire front end mechanism.

Truck Gardeners Add 350 Members During Year

'Use Common Sense, And Refuse To Be Stampeded'—Geweke

by MABEL WARNKE

Members of the Cook County Truck Gardeners and Farmers Association who filled the Masonic hall in Jefferson Park, Saturday afternoon, January 11, for the 39th annual meeting of their organization heard their president, Mr. August Geweke in his annual summary of the year's activities, express confidence that — "as long as we use our common sense a course that will preserve our institutions and way of life and eventually lead us out of the present gloom and mist of uncertainty."

Mr. Geweke stated that the fact that the membership roll of the organization was increased by mort than three hundred fifty individual members during the last year, clearly demonstrates the position this association occupies in the farming and gardening industry in Cook county and vicinity; and is appreciated by the growers who realize that membership in this organization is their best protection against unjust demands made against them.

He made a brief comparison between existing conditions today and those of January, 1918, before warming up to the subject of the West Randolph Street market. This is one of the most important problems of the growers and after forty years of experience Mr. Geweke still maintains that problems on this market can be settled by negotiations between representatives of the gardeners and buyers.

Surveys conducted and polls taken over a period of years disclose that evening hours are desired by most growers using this market. In spite of resistance and controversy, it is Mr. Geweke's belief that eventually the city authorities will recognize this fact and provide reasonable hours. He pledged continued assistance to the market-master in his efforts to secure an orderly conducting of the market and any measures tending to improve same.

The Association went on record as opposing the standard grading and package law. Conditions and selling methods employed on the W. Randolph street market and similar markets throughout the state permit little opportunity for practicing the fraud which this law seeks to prevent.

Speaking on legislation, President Geweke advised the necessity of keeping a close watch on the activities of the State Legislature in session this year, in order to become familiar with the new legislation and to protect the individual against any unfair legislation which may be proposed. He also explained the new zoning law recently passed by the County Board affecting areas outside of municipalities.

Reports submitted by the secretary and treasurer showed the Association's finances to be in good order. Summaries of the activities of the various standing committees were also heard and the board of directors for 1941 was elected. A male quartet furnished entertainment.

August Geweke to Head Farmers For 39th Year

Mr. August Geweke was re-elected to serve as president of the Cook County Truck Gardeners and Farmers Association for his 39th consecutive year when the board of directors of that body met in their afternoon meeting on January 11, convened for their first session that evening.

Re-elected with Mr. Geweke were Walter F. Sass and Tom Hoekstra, first and second vice presidents; Henry Gerken, secretary; Louis Schroeder, treasurer; and Elmer J. Steil, assistant secretary.

Due to the increase in membership, three new members were added to the board of directors, the complete list of which follows: C. Karnatz, E. W. Guenther, W. Kutz, R. Hacker, A. Geweke, F. J. Wilke, E. J. Steil, H. Koch, W. A. Bernhard, G. Terpstra, W. Vanderwolf, L. Schroeder, G. H. Geils, W. F. Sass, H. L. Moeller, R. Anderson, G. H. Koelper, E. Wille, F. J. Klein, E. Koeune, F. Herff, H. Metz, R. Lumpp, W. H. Prueter, E. F. Moeller, J. C. Grandt, N. Herff, J. W. Selzer, H. Beer, L. Pohlman, T. Hoekstra, P. Piersma, F. Van Laten, H. Buecker, J. Benck, H. Gerken and L. Wetterman.

International Offers Free Family Party At Ballroom Jan. 30

All farmers and others interested in International farm machinery are urged to reserve Thursday evening, Jan. 30 for the annual family party of their International implement dealer, which will be held in Dad's Arlington Ballroom. For details and program, watch next week's paper.

He retired early after supper on Monday complaining of what seemed to be the start of a cold. Shortly after reaching his bed, his wife noticed that his condition seemed serious and called in relatives and a doctor. The end had come before the doctor arrived. Mrs. Welflin recently underwent a serious operation from which she is still convalescing, and it is thought Mr. Welflin's death was hastened by worry during her illness.

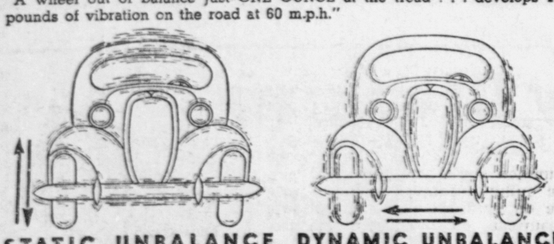

The funeral was held Thursday afternoon at two o'clock at the Wheeling Presbyterian church.

Village of Palatine Again Sued For $20,000 Of Unpaid Bonds

George M. Jones and numerous others who in 1938 secured judgment in Superior court for amounts totaling $20,000 for unpaid bonds of the village of Palatine have filed another suit. This time they are asking for a mandamus to compel the village officials to appropriate money to pay their judgments which so far they have not been able to collect on they say.

CAR MANUFACTURERS AND THE RUBBER MANUFACTURERS ASSOCIATION SAY—
WHEEL BALANCE is IMPORTANT
Because OUT OF BALANCE WHEELS cause
1. Excessive body and chassis strains.
2. Shimmy and Tramp.
3. Uneven tire wear resulting in premature failure.
4. Increased gas consumption — decrease in average speed.
5. Abnormal wear of wheel bearings, bushings and king pins.
6. Wheel misalignment because of excessive vibration.
7. Rough riding and danger at high speed.
HERE'S WHY YOUR WHEELS NEED BALANCING
"A wheel out of balance just ONE OUNCE at the tread . . . develops 12 pounds of vibration on the road at 60 m.p.h."

STATIC UNBALANCE
Static unbalance is a condition that exists when the weight of a wheel assembly is so distributed on its own spindle or shaft, that the wheel will not remain at rest when stopped in any position.
DYNAMIC UNBALANCE
Dynamic unbalance is a condition, independent of static, that exists when the weight of a revolving wheel is so distributed that vibration is present regardless of the speed of rotation.
BALANCE-MASTER corrects these faults
This modern balance machine assures you of quickest and most sensitive balance attainable.
The exact amount of weight required in ounces and the exact location also which side of wheel to place weights, eliminating all guesswork. Wheels on all new cars should be kept in balance to prevent the resulting damage to the entire front end mechanism.

News Of Prospect Heights

P.-T.A. Sponsors Wheeling Center Benefit Movies

The Wheeling Center P.-T.A. motion picture show, starring Randolph Scott, and Binnie Barnes in "The Last of the Mohicians" a Mohawk Valley Epic, with plenty of Indians, plus a Shirley Temple feature "Dora's Dunking Donuts," a cartoon and a patriotic feature "The March of Freedom," will be shown at the Wheeling Center school, Palatine and Schoenbeck rds., January 24, at 8 o'clock.

Come early and be sure you have tickets as there is a limited supply. Tickets can be bought from the pupils of our school, the board and officers of the P.-T.A. and also at the door. Adults 25c and children 10c.

There will be a candy sale prior to the showing of the pictures. All proceeds are for future expenditure on our school. Come out and support this worthy cause.

Congratulations to Mrs. Dick Steele, of McDonaid rd., who celebrated her birthday January 14.

Congratulations also to Arthur Brownell, Jr., whose birthday was January 9.

Mr. and Mrs. Harry Gardner entertained Babe's girl friend and husband Sunday evening.

Thursday evening Mr. and Mrs. Walter Walker of Chicago were guests at the home of Mr. and Mrs. Vincent Shepherd. The Walkers expect to have their mail addressed to Prospect Heights in the very near future, and in the meantime Mr. Walker has a grand time driving around the community taking movies of the different homes during last summer, and this winter. He will probably have a greater time showing them to the folks of the community after they get moved out here.

Friday evening Mr. and Mrs. Frank Portman were guests at a "Tom and Jerry" party at the home of Mr. and Mrs. Duncan Mills, of Evanston.

Mr. and Mrs. W. E. Abbs, entertained Mrs. Abb's parents, Mr. and Mrs. O'Connell, Tuesday evening at dinner, the occasion being her father's 78th birthday. Congratulations to Mr. O'Connell, and we hope he will celebrate many more.

Mr. and Mrs. John Burch entertained at dinner Mrs. Burch's mother, Mrs. Skibbe, her aunt asd uncle, Mr. and Mrs. Emil Minkoske, also a bachelor uncle, Mr. Leo Trippler, also Mr. and Mrs. Herbert Meyer and their two children Sheila and Gerald, on Tuesday evening.

Saturday evening Mr. and Mrs. Frank Portman of Prospect Heights, Mr. and Mrs. William Funck, of Rogers Park, and Mr. and Mrs. Leslie Smith of Kenilworth were guests at the home of Mr. and Mrs. Joseph Orose. Sunday afternoon the Orose family entertained Mr. and Mrs. Charles Miller, of Norwood Park.

Mr. and Mrs. Jim Nielsen were dinner guests at the home of Mr. and Mrs. Edw. Simpson, of Chicago on Tuesday evening. Saturday evening the Nielsens attended their Fortnightly Pinochle club at the MacDonald home, just a few doors north of their own home, Mr. and Mrs. William Danielson were also at the Pinochle club.

Sunday, the Jim Nielsens' drove down to the south side of Chicago, and enjoyed dinner at the home of Jim's brother and family, Mr. and Mrs. Julius Nielsen.

Little Nancy Schwennesen has been visiting her aunt and uncle, Mr. and Mrs. A. Bowman of Chicago, for a few days.

Mr. and Mrs. Harold Lamb, and Mr. and Mrs. Harold Jollie were guests at the Governor's inaugural and ball. The folks enjoyed themselves immensely.

The Young People's club had a roller skating party at the Madison Gardens in Chicago, last week, and of course, they had a perfectly grand time.

Mrs. M. Schaeffer of Willow rd. visited her sister and family in Belleville, Ill., last week.

Mrs. Vi. Danielson attended her lost Bungalow club at the home of one of its members, in Chicago, last Wednesday afternoon.

Mrs. Russell Foxworthy, and daughter, Linda Lou, and mother, Mrs. Wolf, left Sunday evening for California. Mr. Russell Forworthy came home from Louisville to say goodbye to his vacationing family. They will join him sometime this summer. Meantime we welcome into the Foxworthy home as new neighbors, Mr. and Mrs. William's parents of Chuckie, Mr. David Williams, and Mrs. Rex Dahlstream. We're sure they're going to like Prospect Heights as much as the rest of their families.

Mr. Allord has a nice new truck for grocery deliveries, and it is hoped that this truck will operate more efficiently than the old one, which was causing quite a few grey hairs to appear on Mr. Allord's head.

Mr. and Mrs. Wilcox of Clarendon st., have a nice new Ford and it's hoped the folks get a lot of pleasure out of it.

A number of the folks in Prospect Heights are planning to attend Arlington Heights milk fund show, "We're in the Movies," Friday and Saturday evening, January 17 and 18 at the Arlington Heights high school gym. The show will go on at 8 o'clock, and it will be fun to see many of our friends and neighbors of Arlington taking part in this story of a young couple and their problems as they win a movie contest. Many of our own young folks from Prospect Heights will be seen on the screen as shots were taken at the high school and also at St. James school. The movie queen and her court of honor will be presented and prizes will be awarded. Tickets for this novel show and worthy cause are sold at 35c or three for a dollar, and a family of two adults and two children may attend for the price of three tickets for one dollar.

Miss Florence Westhoff, sister to Mrs. Edna Ehrlick, visited with her sister on Tuesday and Wednesday, and had a very nice visit. Another sister and her family, Mr. and Mrs. Raymond Hackell, and two children, John and Mary, were week-end guests of Edna and Carl. During Sunday afternoon Edna's mother and two sisters-in-law drove out, Mrs. Catherine Westhoff, Mrs. Irene Westhoff, and Mrs. Edward Westhoff, and enjoyed supper and a very delightful visit with all the rest of the family. We are also glad to report at this time that Edna is recovering very nicely from her recent operation of about two and a half months ago. Keep up the good work, Edna.

We are also glad to report that Mrs. Sigrid Brownell has recovered from her recent operation, and is now able to get downstairs, and has a nice time visiting with her many friends. We hope to see you out real soon, Sig.

Another member of the appendectomy class has returned from the hospital, and that is Mrs. Carl Stehman of Elmhurst ave. We certainly hope that she will soon be her old self again in the near future.

We regret to report that Mr. W. O. Kelsey was removed to the Illinois Masonic hospital where a major operation was performed. At this time he is making a very speedy recovery, and we hope to see him home real soon.

We are also very sorry to have to report that Mrs. Campbell, of Olive st., was removed to the Ravenswood hospital late Sunday where an emergency appendectomy was performed. We wish her the best of luck, and a speedy recovery.

Another person from the community who is at present confined to a Chicago hospital is Sergeant Alvin Ayres, who is suffering from a very severe attack of sciatica. We also wish him a speedy recovery, and hope to see him home again real soon.

Miss Elinor Bohlin is convalescing with a broken arm, and though this has been quite painful we are happy to say that she is going to have full use of her arm again. This was a pretty bad break which was located close to the shoulder. Mrs. Bolin hasn't been any too well herself as she suffers from bronchitis at this time of the year. Here's hoping the Bohlin household soon gets back to normal.

The Thoman baby has been quite ill, but is now out of danger, though the baby's illness certainly upset Mr. and Mrs. Thoman of Marion st. We don't like to hear of anyone ill, particularly an infant, so here's hoping the little one is on the road to health by now.

Mrs. A. Lohr and little Paul, have both been quite ill, but are doing nicely now.

Mrs. Rex Dahlstream who gave her family a scare last week, is now feeling much better we're happy to say.

Mrs. E. Foxworthy is as yet still in Missouri, where her father lies gravely ill. We hope for the best, but 100 years is quite an age.

Mrs. F. Barry was ordered to bed, as she's been suffering from a bad throat condition. Little Dennie has been staying at the home of Grandma and Grandpa Barry on the south side of Chicago while mother recuperates.

Mrs. J. Buran, Mrs. S. Miller, Mrs. N. Rauen were victims of those flu bugs they seem to be making the rounds in the last week.

Mrs. Stegeman has also been confined to her bed, but at present has the old rheumatism on the run and is now able to be up and around.

Mr. J. F. Orose has been home for a few days with a bad cold.

Mr. Ed. F. Rauen is again confined to his bed, this time the doctor had to reopen the old incision twice, just to get at a couple of pesky abscesses that had formed. Though Ed doesn't feel any too good, we're glad that he didn't have to go back to the hospital, as his siege has been too long already. Get well, soon, and stay that way, Ed.

The regular meeting of the Wheeling Center Parent Teacher association, held at the school house on Tuesday afternoon at 2 o'clock, had a good attendance and many interesting things came up. The hostesses for the afternoon were Mesdames Schwenensen, Ledyard, Bohlin, Underwood, Vallely and Rauen.

The Prospect Heights Improvement association meeting held on Wednesday evening at the school house was well attended.

The Smith and Dawson basketball team met the Emmerson Y. M. C. A. team on Thursday evening. For game scheduled for next Thursday see poster in the Prospect Heights gas station. The information was not complete when this went to press.

Mr. and Mrs. D. Robertson were guests at the home of Mr. and Mrs. L. Letzow, of Chicago, on Saturday evening.

Mrs. C. Ledyard entertained the Pinochle club, Mesdames Spillar, Miller and Robertson at dessert lunch on Wednesday afternoon.

Our deepest sympathy goes out to the Barry family at the loss of Mrs. Underwood, mother of Mrs. Barry, who had been ill for quite some time.

The Hartke home was a scene of much rejoicing this week, as official notice of the complete recovery of Roy's father, Mr. A. Hartke, who is well known to quite a few folks in Prospect Heights and who has been in the Sanatarium for the past nine months, will now be able to be home with his loved ones. We sincerely hope Mr. Hartke will continue in good health, after the good battle he has put up.

Mr. William Kaden has returned to work after a seige of quincy sore throat and we're sure glad he got over it so well, just take good care of yourself, Bill.

THE FOUR MARTENS who will entertain at the annual meeting of the Lake-Cook Farm Supply at Lake Zurich Saturday, January 18. The Martens is a family of four who have appeared on the radio and in many entertainments throughout the country. They entertained at the meeting last year and will be there again with a new program —one the entire family will enjoy.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Just finished writing the article for the February Leaguer and now must get at this. Would like to hear from more of the outlying towns.

January 19 is the date for the winter rally . . . Des Plaines is the place . . . 3:00 P. M. the starting time . . . special handicraft display and lecture by Walter Gerth of Bensenville the added attraction. . . . Mr. Hugo Malte the District Representative, etc. Everything adds up to a grand rally no one will want to miss. Don't forget . . . get a gang together and drive over there.

The try-outs for the Zone operetta last Sunday proved that we do have talent in our midst. There were 36 girls and 10 fellows present which means that you boys, men, pardon me, will have to get out there and prove your worth or it will be an all-girl operetta, and, surely, that wouldn't sound so well. At 9 o'clock p. m. next Sunday, after the rally, there will be another meeting for all who participate. The dates of the operetta are May 16 and 18, rehearsals to be held on Sunday afternoons, commencing sometime in the latter part of February. There is a possibility of having it at River Forest and to have a real orchestra; operetta might be "Martha" or one of Strauss' Waltzes.

Harvey Rohlwing called the other evening and told us that the Schaumburg League is planning to give a play soon. Nothing definite has been decided but we'll hear more of it. They also have gone skating twice lately.

At the zone board meeting last Tuesday Art Streit of Norwood was officially named assistant to ~~yours truly, or co-chairman~~ or whatever you want to call it. Any way, he's a mighty fine and helpful assistant. At the December No. Ill. District board meeting, yours truly was officially accepted as a member of the District Publicity committee.

Annetta Bicknese just brought the following history of the Itasca League and also said that on January 20 they are having a roller-skating party at West Chicago and everyone is invited. Reports are that that rink is a mighty fine one, so if you like skating, go on down there.

St. Luke's — Itasca

The first meeting to consider organizing a Walther League in Itasca was held on September 19th, 1929, at which time a committee was appointed to draw up a constitution. On September 27th, this constitution was accepted and signed by the members. The first officers to be elected were the following:

President, Mr. G. Elbert.
Vice-President, Theo. Schneider.
Rec. Secretary, Gertrude Schaper.
Cor. Secretary, Emma Droegemueller.
Treasurer, Walter Forke.

At the February 1930 meeting, the newly organized group voted to join the International Walther League. By this time the membership had reached 34.

Here are a few of the highlights of the League during the last ten years:

1930: Sent Wm. Schaper to the Cleveland International Convention as the first convention delegate from Itasca.

1931: Entered our first blanket subscription to the Walther League Messenger and Northern Illinois Leaguer. Were hosts to the Zone at the Spring Rally.

1932: Bought a mimeograph for the use of the church and school. Fellowship dinner.

1933: Decided to admit Juniors into the League.

1934: Hosts at the Spring Rally.

1935: Took part in the Golden Jubilee of St. Luke's School.

1937: Sponsored lecture on Bolshevism. Bought new letters for church bulletin board. Hosts at Spring Rally.

1939: Bought road markers to help direct strangers to our church. Made a tour through the Chicago Lighting Institute.

1940: Sponsored lecture by Mrs. Schultz on our Chinatown Mission, —also film on Wheatridge Sanatorium. Spring Rally.

During these years the League has contributed towards such worthy causes as Valparaiso University and the Deaf-Mute Institute in Detroit. The Wheatridge Seals sale has been conducted annually, and in the last several years we have sold Christmas cards to help raise necessary funds.

Among some of the social affairs we have enjoyed were roller skating parties, treasure hunts, a box social, annual outings, etc.

Our total membership today numbers about 33, with Rudolph Zersen serving as our present president.

We hope that God will continue to bless our small efforts in the future as He has in the past, so that we may carry on the work begun ten years ago.

Stockholders Of Lake-Cook Will Meet Sat.

The board of directors of the Lake-Cook Farm Supply company announce the thirteenth annual meeting of the stockholders at the Ela township high school at Lake Zurich this Saturday. Due to the many business details to be taken care of that day, all of those interested are urged to be there promptly at 10 a. m., when the meeting is called to order by Eb. Harris, of Grayslake, president of the company.

This meeting will be of interest to all of the farmers of Lake and Cook counties, as approximately 3,000 of these farmers are common stockholders and 400 are preferred stock holders, and of unusual interest to everyone in that the largest dividend in the 13-year history of the company, $45,000, will be given out that day. Besides this big dividend payment, interesting reports of the progress of the company will be made and officers will be elected.

The entertainment committee has been unusually fortunate in being able to obtain George Metzger, organization director of the Illinois Agricultural Association and C. H. Becker of the Petroleum Department of the Illinois Farm Supply company. By popular request the "Four Martins" will again take care of the musical end of the entertainment. This musical aggregation, which appeared and was exceptionally well received at the last stockholders meeting, are a brother and sister group, with more than 6 years of experience on the air, theaters, meetings, schools, etc., furnishing good clean entertainment.

The famous "Lake-Cook" lunch which has become a standard of "free lunches" in the territory will again be served by the Lake-Cook employees.

Everyone is urged to attend because everything is free.

47 New Homes Built In Mount Prospect In 1940

The year 1940 was a great building year for Mt. Prospect. Forty-seven new homes were erected costing $351,002. The greater number of these homes were erected by owenrs of local property who built homes for their own use. Few of the houses were built by speculative builders.

Permits for the year totaled 64, of which 47 were for new homes and 17 were for garages, remodeling and one real estate office. The total building permits for the year reached the figure of $360,807.

Comparison of the figures of 1940 and 1939, show an increase of $119,109 for 1940. In 1939 there were only 28 new homes built compared with 47 in 1940. The figures of 1939 included a church and a store building.

October was the most popular building month when ten permits were issued; June was second with seven; May and August each had five. In the following table permits are shown under the month issued.

January—
George F. Perry, 205 South Pine Street.
February—
J. E. Geisler, 112 South Edward Street.
March—
H. E. Hallberg, 417 South Main street.
J. F. Kirby, 114 South Louis street.
Lester A. Minogue, 210 North Emerson street.
R. W. New, 206 South Albert street.
April—
Lonnquist Construction Co., 400 W. Lonnquist blvd.
Frank Zeeman, 402 W. Lonnquist blvd.
Wilbert H. Wetsell, 404 W. Lonnquist blvd.
W. C. Tackett, 1200 W. Lincoln.
May—
John Koreck, 313 South Elmhurst avenue.
Phillip J. Robinson, 420 We Go Trail.
Alfred E. Larsen, 207 South Elmhurst avenue.
Homer J. Davis, 211 South Elmhurst avenue.
Edwin P. Edwards, 400 No. Main street.
June—
D. C. Burns, 209 George street.
H. W. Burmeister, 115 South Louis street.
F. G. Bochum, 202 South Edward street.
B. F. Christiansen, 215 South Hi Lusi avenue.
James Johnston, 205 South George street.
H. E. Turk, 207 South George street.
Robert Ellis, 211 South George street.
July—
Wilbur Lessman, 21 South Albert.
D. L. Gilbert, 303 South Wille street.
Wells Construction Co., 414 No. Wille street.
Wells Construction Co., 416 No. Wille street.
August—
H. E. Turk, 213 South George street.
H. E. Turk, 217 South George street.
H. M. Essington, 114 South Elmhurst avenue.
E. H. Townsend, 209 South Edward street.
J. Wunder, 404 North Wille st.
September—
Charles J. Groth, 312 South Main street.
William E. Flesch, 9 South Elm street.
October—
Kurt Bresner, 200 South Edward street.
E. S. Clifford, 202 South Hi Lusi avenue.
W. A. Hornbustel, 110 South George street.
H. L. Bjorklund, 107 North Emerson street.
S. E. Maugren, 119 North Emerson street.
A. S. Johnson, 19 North Emerson street.
W. C. Tackett, 1030 W. Lincoln street.
W. C. Tackett, 1050 W. Lincoln.
H. D. Brooke, 215 South George street.
Clement T. Mors, 201 South George street.
November—
W. J. Trunkey, 504 Candota ave.
Louis Roberts, 419 North Wille street.
Joseph Kucho, 113 North Emerson street.
December—
Edmund Cleven, 506 South Emerson street.

Recapitulation

47 New Homes	$351,002.00
17 Remodeling and garages	9,805.00
Total building Permits for 1940	$360,807.00
Total permits, 1939	
28 Homes	
1 Church	
1 store building

A number of the folks in Prospect Heights are planning to attend Arlington Heights milk fund show, "We're in the Movies," Friday and Saturday evening, January 17 and 18 at the Arlington Heights high school gym. The show will go on at 8 o'clock, and it will be fun to see many of our friends and neighbors of Arlington taking part in this story of a young couple and their problems as they win a movie contest. Many of our own young folks from Prospect Heights will be seen on the screen as shots were taken at the high school and also at St. James school. The movie queen and her court of honor will be presented and prizes will be awarded. Tickets for this novel show and worthy cause are sold at 35c or three for a dollar, and a family of two adults and two children may attend for the price of three tickets for one dollar.

Miss Florence Westhoff, sister to Mrs. Edna Ehrlick, visited with her sister on Tuesday and Wednesday, and had a very nice visit. Another sister and her family, Mr. and Mrs. Raymond Hackell, and two children, John and Mary, were week-end guests of Edna and Carl. During Sunday afternoon Edna's mother and two sisters-in-law drove out, Mrs. Catherine Westhoff, Mrs. Irene Westhoff, and Mrs. Edward Westhoff, and enjoyed supper and a very delightful visit with all the rest of the family. We are also glad to report at this time that Edna is recovering very nicely from her recent operation of about two and a half months ago. Keep up the good work, Edna.

We are also glad to report that Mrs. Sigrid Brownell has recovered from her recent operation, and is now able to get downstairs, and has a nice time visiting with her many friends. We hope to see you out real soon, Sig.

Another member of the appendectomy class has returned from the hospital, and that is Mrs. Carl Stehman of Elmhurst ave. We certainly hope that she will soon be her old self again in the near future.

We regret to report that Mr. W. O. Kelsey was removed to the Illinois Masonic hospital where a major operation was performed. At this time he is making a very speedy recovery, and we hope to see him home real soon.

We are also very sorry to have to report that Mrs. Campbell, of Olive st., was removed to the Ravenswood hospital late Sunday where an emergency appendectomy was performed. We wish her the best of luck, and a speedy recovery.

Another person from the community who is at present confined to a Chicago hospital is Sergeant Alvin Ayres, who is suffering from a very severe attack of sciatica. We also wish him a speedy recovery, and hope to see him home again real soon.

Miss Elinor Bohlin is convalescing with a broken arm, and though this has been quite painful we are happy to say that she is going to have full use of her arm again. This was a pretty bad break which was located close to the shoulder. Mrs. Bolin hasn't been any too well herself as she suffers from bronchitis at this time of the year. Here's hoping the Bohlin household soon gets back to normal.

The Thoman baby has been quite ill, but is now out of danger, though the baby's illness certainly upset Mr. and Mrs. Thoman of Marion st. We don't like to hear of anyone ill, particularly an infant, so here's hoping the little one is on the road to health by now.

Mrs. A. Lohr and little Paul, have both been quite ill, but are doing nicely now.

Mrs. Rex Dahlstream who gave her family a scare last week, is now feeling much better we're happy to say.

Mrs. E. Foxworthy is as yet still in Missouri, where her father lies gravely ill. We hope for the best, but 100 years is quite an age.

Mrs. F. Barry was ordered to bed, as she's been suffering from a bad throat condition. Little Dennie has been staying at the home of Grandma and Grandpa Barry on the south side of Chicago while mother recuperates.

Mrs. J. Burah, Mrs. S. Miller, Mrs. N. Rauen were victims of those flu bugs they seem to be making the rounds in the last week.

Mrs. Stegeman has also been confined to her bed, but at present has the old rheumatism on the run and is now able to be up and around.

Mr. J. F. Orose has been home for a few days with a bad cold.

Mr. Ed. F. Rauen is again confined to his bed, this time the doctor had to reopen the old incision twice, just to get at a couple of pesky abscesses that had formed. Though Ed doesn't feel any too good, we're glad that he didn't have to go back to the hospital, as his siege has been too long already. Get well, soon, and stay that way, Ed.

The regular meeting of the Wheeling Center Parent Teacher association, held at the school house on Tuesday afternoon at 2 o'clock, had a good attendance and many interesting things came up. The hostesses for the afternoon were Mesdames Schwenensen, Ledyard, Bohlin, Underwood, Vallely and Rauen.

The Prospect Heights Improvement association meeting held on Wednesday evening at the school house was well attended.

The Smith and Dawson basketball team met the Emmerson Y. M. C. A. team on Thursday evening. For game scheduled for next Thursday see poster in the Prospect Heights gas station. The information was not complete when this went to press.

Mr. and Mrs. D. Robertson were guests at the home of Mr. and Mrs. L. Letzow, of Chicago, on Saturday evening.

Mrs. C. Ledyard entertained the Pinochle club, Mesdames Spillar, Miller and Robertson at dessert lunch on Wednesday afternoon.

Our deepest sympathy goes out to the Barry family at the loss of Mrs. Underwood, mother of Mrs. Barry, who had been ill for quite some time.

The Hartke home was a scene of much rejoicing this week, as official notice of the complete recovery of Roy's father, Mr. A. Hartke, who is well known to quite a few folks in Prospect Heights and who has been in the Sanatarium for the past nine months, will now be able to be home with his loved ones. We sincerely hope Mr. Hartke will continue in good health, after the good battle he has put up.

Mr. William Kaden has returned to work after a seige of quincy sore throat and we're sure glad he got over it so well, just take good care of yourself, Bill.

THE FOUR MARTENS who will entertain at the annual meeting of the Lake-Cook Farm Supply at Lake Zurich Saturday, January 18. The Martens is a family of four who have appeared on the radio and in many entertainments throughout the country. They entertained at the meeting last year and will be there again with a new program —one the entire family will enjoy.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Just finished writing the article for the February Leaguer and now must get at this. Would like to hear from more of the outlying towns.

January 19 is the date for the winter rally . . . Des Plaines is the place . . . 3:00 P. M. the starting time . . . special handicraft display and lecture by Walter Gerth of Bensenville the added attraction. . . . Mr. Hugo Malte the District Representative, etc. Everything adds up to a grand rally no one will want to miss. Don't forget . . . get a gang together and drive over there.

The try-outs for the Zone operetta last Sunday proved that we do have talent in our midst. There were 36 girls and 10 fellows present which means that you boys, men, pardon me, will have to get out there and prove your worth or it will be an all-girl operetta, and, surely, that wouldn't sound so well. At 9 o'clock p. m. next Sunday, after the rally, there will be another meeting for all who participate. The dates of the operetta are May 16 and 18, rehearsals to be held on Sunday afternoons, commencing sometime in the latter part of February. There is a possibility of having it at River Forest and to have a real orchestra; operetta might be "Martha" or one of Strauss' Waltzes.

Harvey Rohlwing called the other evening and told us that the Schaumburg League is planning to give a play soon. Nothing definite has been decided but we'll hear more of it. They also have gone skating twice lately.

At the zone board meeting last Tuesday Art Streit of Norwood was officially named assistant to yours truly, or co-chairman or whatever you want to call it. Any way, he's a mighty fine and helpful assistant. At the December No. Ill. District board meeting, yours truly was officially accepted as a member of the District Publicity committee.

Annetta Bicknese just brought the following history of the Itasca League and also said that on January 20 they are having a roller-skating party at West Chicago and everyone is invited. Reports are that that rink is a mighty fine one, so if you like skating, go on down there.

St. Luke's — Itasca

The first meeting to consider organizing a Walther League in Itasca was held on September 19th, 1939, at which time a committee was appointed to draw up a constitution. On September 27th, this constitution was accepted and signed by the members. The first officers to be elected were the following:

President, Mr. G. Elbert.
Vice-President, Theo. Schneider.
Rec. Secretary, Gertrude Schaper.
Cor. Secretary, Emma Droegemueller.
Treasurer, Walter Forke.

At the February 1930 meeting, the newly organized group voted to join the International Walther League. By this time the membership had reached 34.

Here are a few of the highlights of the League during the last ten years:

1930: Sent Wm. Schaper to the Cleveland International Convention as the first convention delegate from Itasca.

1931: Entered our first blanket subscription to the Walther League Messenger and Northern Illinois Leaguer. Were hosts to the Zone at the Spring Rally.

1932: Bought a mimeograph for the use of the church and school. Fellowship dinner.

1933: Decided to admit Juniors into the League.

1934: Hosts at the Spring Rally.

1935: Took part in the Golden Jubilee of St. Luke's School.

1937: Sponsored lecture on Bolshevism. Bought new letters for church bulletin board. Hosts at Spring Rally.

1939: Bought road markers to help direct strangers to our church. Made a tour through the Chicago Lighting Institute.

1940: Sponsored lecture by Mrs. Schultz on our Chinatown Mission, —also film on Wheatridge Sanatorium. Spring Rally.

During these years the League has contributed towards such worthy causes as Valparaiso University and the Deaf-Mute Institute in Detroit. The Wheatridge Seals sale has been conducted annually, and in the last several years we have sold Christmas cards to help raise necessary funds.

Among some of the social affairs we have enjoyed were roller skating parties, treasure hunts, a box social, annual outings, etc.

Our total membership today numbers about 33, with Rudolph Zersen serving as our present president.

We hope that God will continue to bless our small efforts in the future as He has in the past, so that we may carry on the work begun ten years ago.

Stockholders Of Lake-Cook Will Meet Sat.

The board of directors of the Lake-Cook Farm Supply company announce the thirteenth annual meeting of the stockholders at the Ela township high school at Lake Zurich this Saturday. Due to the many business details to be taken care of that day, all of those interested are urged to be there promptly at 10 a. m., when the meeting is called to order by Eb. Harris, of Grayslake, president of the company.

This meeting will be of interest to all of the farmers of Lake and Cook counties, as approximately 3,000 of these farmers are common stockholders and 400 are preferred stock holders, and of unusual interest to everyone in that the largest dividend in the 13-year history of the company, $45,000, will be given out that day. Besides this big dividend payment, interesting reports of the progress of the company will be made and officers will be elected.

The entertainment committee has been unusually fortunate in being able to obtain George Metzger, organization director of the Illinois Agricultural Association and C. H. Becker of the Petroleum Department of the Illinois Farm Supply company. By popular request the "Four Martins" will again take care of the musical end of the entertainment. This musical aggregation, which appeared and was exceptionally well received at the last stockholders meeting, are a brother and sister group, with more than 6 years of experience on the air, theaters, meetings, schools, etc., furnishing good clean entertainment.

The famous "Lake-Cook" lunch which has become a standard of "free lunches" in the territory will again be served by the Lake-Cook employees.

Everyone is urged to attend because everything is free.

47 New Homes Built In Mount Prospect In 1940

The year 1940 was a great building year for Mt. Prospect. Forty-seven new homes were erected costing $351,002. The greater number of these homes were erected by owenrs of local property who built homes for their own use. Few of the houses were built by speculative builders.

Permits for the year totaled 64, of which 47 were for new homes and 17 were for garages, remodeling and one real estate office. The total building permits for the year reached the figure of $360,807.

Comparison of the figures of 1940 and 1939, show an increase of $119,109 for 1940. In 1939 there were only 28 new homes built compared with 47 in 1940. The figures of 1939 included a church and a store building.

October was the most popular building month when ten permits were issued; June was second with seven; May and August each had five. In the following table permits are shown under the month issued.

January—
George F. Perry, 205 South Pine Street.
February—
J. E. Geisler, 112 South Edward Street.
March—
H. E. Hallberg, 417 South Main street.
J. F. Kirby, 114 South Louis street.
Lester A. Minogue, 210 North Emerson street.
R. W. New, 206 South Albert street.
April—
Lonnquist Construction Co., 400 W. Lonnquist blvd.
Frank Zeeman, 402 W. Lonnquist blvd.
Wilbert H. Wetsell, 404 W. Lonnquist blvd.
W. C. Tackett, 1200 W. Lincoln.
May—
John Koreck, 313 South Elmhurst avenue.
Phillip J. Robinson, 420 We Go Trail.
Alfred E. Larsen, 207 South Elmhurst avenue.
Homer J. Davis, 211 South Elmhurst avenue.
Edwin P. Edwards, 400 No. Main street.
June—
D. C. Burns, 209 George street.
H. W. Burmeister, 115 South Louis street.
F. G. Bochum, 202 South Edward street.
B. F. Christiansen, 215 South Hi Lusi avenue.
James Johnston, 205 South George street.
H. E. Turk, 207 South George street.
Robert Ellis, 211 South George street.
July—
Wilbur Lessman, 21 South Albert.
D. L. Gilbert, 303 South Wille street.
Wells Construction Co., 414 No. Wille street.
Wells Construction Co., 416 No. Wille street.
August—
H. E. Turk, 213 South George street.
H. E. Turk, 217 South George street.
H. M. Essington, 114 South Elmhurst avenue.
E. H. Townsend, 209 South Edward street.
J. Wunder, 404 North Wille st.
September—
Charles J. Groth, 312 South Main street.
William E. Flesch, 9 South Elm street.
October—
Kurt Bresner, 200 South Edward street.
E. S. Clifford, 202 South Hi Lusi avenue.
W. A. Hornbustel, 110 South George street.
H. L. Bjorklund, 107 North Emerson street.
S. E. Maugren, 119 North Emerson street.
A. S. Johnson, 19 North Emerson street.
W. C. Tackett, 1030 W. Lincoln street.
W. C. Tackett, 1050 W. Lincoln.
H. D. Brooke, 215 South George street.
Clement T. Mors, 201 South George street.
November—
W. J. Trunkey, 504 Candota ave.
Louis Roberts, 419 North Wille street.
Joseph Kucho, 113 North Emerson street.
December—
Edmund Cleven, 506 South Emerson street.

'Brass Ankles'

According to the South Carolina historical commission the people in South Carolina who are called "brass ankles" are mixed blooded. Some of them appear to have Indian blood, but most of them are just mulattoes who got out of the Negro class by being free before the war (Confederate) and who by serving in the war were accorded such rights as voting and serving in the militia. They have schools to themselves, not being allowed in white and refusing to attend Negro schools.

Wicked Weasels

If there were too many weasels, they would quickly wipe out all small birds, animals and reptiles in the country. Although prolific and quite safe from the attacks of birds and beasts of prey, they do not become numerous, largely because they destroy themselves by fighting with each other.

OBITUARIES

Rev. Henry Moldenhauer

Rev. Henry Moldenhauer, Des Plaines, died Friday in his home after several months' illness.

Relinquishing his charge in Algonquin after a 39 year service to St. John's Lutheran church, the Rev. Henry Moldenhauer preached his farewell sermon to the congregation April 23, 1939. He had been in ill health for some time and carried on church duties until a successor, the Rev. Theodore Boreman could be selected.

Since retirement he had made his home in Des Plaines, his birthplace, where he died early Friday. His wife died several years ago. Survivors are a son, Dr. Alfred M. Moldenhauer of Chicago and two daughters, Mrs. Hulda Borchardt of Chicago and Miss Esther at home.

The body lay in state at the Oehler funeral home in Des Plaines until 12 Monday and 12 to 2 in the Des Plaines Lutheran church where services were conducted at 2:30. Burial at Des Plaines.

Fred Thieman

Mr. Fred Thiemann, age 81 years, of Roselle, passed away at the Belmont hospital in Chicago, Friday evening, Jan. 10, at the age of 81 years 1 month and 25 days.

Mr. Thiemann was born November 15, 1859 near Lombard, received his education at the Churchville and Rodenburg Lutheran schools.

On June 7, 1888, he was united in marriage to Miss Louise Kragel, by Rev. Grupe at the Rodenburg Lutheran church.

This couple made their home on the Thiemann homestead in Schaumburg township until 1918 when they went to Roselle.

He leaves to mourn his departure, his loving wife, Louise, and two children, a son, Mr. Arthur Thiemann at Rodenburg, a daughter, Mrs. Carl Henrichs of Chicago; 3 grandchildren; 1 daughter-in-law and 1 son-in-law; 1 brother, Mr. Herman Thiemann of Roselle; 1 sister, Mrs. Kaiser of Ontarioville; and a host of other relatives and friends.

Funeral services were Tuesday afternoon, Jan. 14 at 1:30 p. m. at the Thiemann residence at Roselle and at 2:00 p. m. at the Rodenburg Lutheran church, Rev. Gassner officiating, interment was in the Rodenburg cemetery.

Louis H. Zinkel

Mr. Louis H. Zinkel, a resident of Aptakisic for the past 13 years, passed away at his residence at Aptakisic, Thursday evening, January 9 at the age of 63 years, 10 months and 27 days.

Mr. Zinkel was born in Chicago February 12, 1877, received his education at the Lutheran school at Niles and was confirmed at the Niles Lutheran church by Rev. Braur on March 30, 1890.

He was united in marriage to Miss Elise Michel November 27, 1902 at the Northfield Lutheran church by Rev. Meade. After marriage this couple made their home in Northfield and Maine townships and for the past 13 years in Vernon township.

He leaves to mourn his departure his loving wife, Elsie, and 3 sons, Louis Zinkel, William Zinkel and Clarence Zinkel, all of Arlington Heights; 3 daughters-in-law and 3 grandchildren; 2 sisters and 2 brothers and other relatives and friends.

Funeral services were Monday afternoon, January 13 at 1:00 p. m. at Karstens funeral home at Arlington Heights and at 2:00 p. m. at the Northfield Lutheran church, Rev. Fechner officiating. Interment in the Northfield Lutheran cemetery.

Louis F. Kastning

Mr. Louis F. Kastning of Schaumburg township, passed away at his home, Plum Grove road, and Route 58, Wednesday, January 8, at the age of 61 years, 3 months and 20 days.

Mr. Kastning was born September 18, 1879 in Schaumburg township.

On Septemoer 20, 1903 he was united in marriage to Miss Emma Behrens by Rev. Mueller at the Schaumburg Lutheran church; this couple have always made their home at their present place.

Mr. Kastning leaves to mourn his sudden departure, his loving wife, Emma, and 7 children, Mr. Paul Kastning, Mrs. Lydia Plote, Mr. George Kastning, Mrs. Elfrieda Redeker, Mrs. Marie Rohlwing, Miss Anna Kastning and Mr. Harvey Kastning; 3 sons-in-law and 5 grandchildren; 1 brother, Mr. William Kastning of Schaumburg Twp.; 3 sisters, Mrs. Henry Wilkening of Roselle; Mrs. Albert Sporleder of Schaumburg; and Mrs. Herman Scharringhausen of Mt. Prospect; 5 sisters-in-law and 6 brothers-in-law; 1 uncle, Mr. Henry Lutter of Wilmette.

Funeral services were Sunday afternoon at 1:30 p. m. at the residence in Schaumburg township and at 2:00 p. m. at the Schaumburg Lutheran church.

Mrs. Chas. Thorp

Mrs. Chas. Thorp, nee Laura Schrader, long time resident of Palatine, died January 13, at her home in Waukegan, where she had moved last summer. The funeral was held Thursday afternoon at the Danielsen funeral home, Palatine; Rev. Bessie Woodworth, officiating; interment in Acacia Park.

Laura Thorp, daughter of Mr. and Mrs. Louis Schrader, was born in Palatine November 18, 1886. She attended local school graduating from Palatine high school in 1905 and later Chicago Business College. She was united in marriage to Chas. Thorp in November, 1909, taking up her residence in Barrington. They moved to Palatine in 1913 and in 1926 erected their own home on Plum Grove ave.

A son, Kenneth, died in 1935.

Mrs. Thorp had been ill several months and was confined to her bed the past nine weeks.

There remain the bereaved husband, Chas. Thorp, and one sister, Cora, who made her home with her.

Thomas D. Eliades

Thomas D. Eliades, 52, died suddenly at his home on Ela rd. near Palatine, Monday afternoon. Death came a few minutes after he entered the house. The funeral was held at ten o'clock Wednesday morning, Rev. Potter officiating; interment in Elmwood.

Deceased was born in Greece in 1888 and came to America in 1905, settling in Kansas City and in 1913 he moved to Chicago where he was married in 1920.

Mr. and Mrs. Eliades moved to Palatine in 1931. Before ill health intervened, he was a furniture finisher. There remain his wife, two brothers and two sisters who reside in Greece.

Mrs. Emma Heine

Mrs. Emma Heine, 686 E. Chicago st., Elgin, widow of Henry W. Heine, died at 10:55 Tuesday morning at Dr. Byers' sanitarium following a lingering illness.

She was born in Plum Grove, Ill., on March 19, 1866 and had resided in Elgin for many years.

She was a member of St. Paul's Evangelical church and several organizations of the church.

Survivors include one son, Raymond Heine of Rutland township; one brother, Fred Othmer of Palatine, and five grandchildren, Howard, Edward, Lloyd and Douglas Heine of Rutland township, and Richard Rinne of Elgin. Her husband, two sons, one daughter and a sister preceded her in death.

Funeral services will be held Friday afternoon at 1:30 from the Norris mortuary and at 2 from St. Paul's Evangelical church with the Rev. William L. Rest officiating.

Mrs. Henry Buesing

Mrs. Henry Buesing, 84, a resident of Wheeling township over forty years, died at her home, Hintz and Wheeling roads Sunday. The funeral was held from West Northfield church Tuesday afternoon, Rev. Fechner officiating. Interment was in West Northfield cemetery.

Deceased leaves her husband, two sons, Henry, Chicago; and William; two daughters, Mrs. Rose Carnehl and Mrs. Ellen Lempke, all of Wheeling township; 12 grandchildren; 5 great grandchildren.

Minnie Sebeing was born in Richton, Ill. June 6, 1856, where she was confirmed. The family moved to Chicago where she married Henry Buesing Feb. 25, 1875. After their marriage, Mr. and Mrs. Buesing spent three years in Wheeling, then moving to Piper City, where they resided 18 years. Three years were spent in Chicago and the family moved to Wheeling in 1899, where Mr. Buesing purchased a farm, on which they have resided 42 years.

Civil Service Examinations

The United States Civil Service Commission has announced that applications will be accepted at its Washington office for the positions listed below:

Junior Professional Assistant, $2,000 a year; Student Aid, $1,440 a year; and Dental laboratary mechanic; occupational therapy aide; student dietitian; library assistant; consultant in social services; translator; bilingual stenographer.

Full information as to the requirements for these examinations and application forms, may be obtained from the Secretary of the Board of U. S. Civil Service Examiners at the local postoffice.

NOTICE OF LETTING

Sealed proposals for the improvement described herein will be received at the Village Hall by the President and Board of Trustees of Mount Prospect, Cook County, Illinois until 8:00 p. m., January 21st, 1941, and at that time publicly opened and read.

The proposed improvement is officially known as Division "B" and to be built with Motor Fuel Tax Funds.

Division "B" consists of the installation of an ornamental street lighting system on the Northwest Highway from Central avenue to Elm street.

Proposal forms may be obtained at the office of the Village clerk of Mount Prospect, Illinois.

All proposals must be accompanied by a bank cashier's check or bank draft, for ten per cent (10%) of the amount of the bid, as provided in the "Standard Specifications for Road and Bridge Construction," prepared by the Department of Public Works and Buildings of the State of Illinois.

The President and Board of Trustees reserves the right to reject any and all proposals and to waive technicalities.

I. E. BESANDER,
President and Board of Trustees, Village of Mount Prospect, Illinois.
by EDWIN L. BUSSE,
Village Clerk.

'Brass Ankles'

According to the South Carolina historical commission the people in South Carolina who are called "brass ankles" are mixed blooded. Some of them appear to have Indian blood, but most of them are just mulattoes who got out of the Negro class by being free before the war (Confederate) and who by serving in the war were accorded such rights as voting and serving in the militia. They have schools to themselves, not being allowed in white and refusing to attend Negro schools.

Wicked Weasels

If there were too many weasels, they would quickly wipe out all small birds, animals and reptiles in the country. Although prolific and quite safe from the attacks of birds and beasts of prey, they do not become numerous, largely because they destroy themselves by fighting with each other.

OBITUARIES

Rev. Henry Moldenhauer

Rev. Henry Moldenhauer, Des Plaines, died Friday in his home after several months' illness.

Relinquishing his charge in Algonquin after a 39 year service to St. John's Lutheran church, the Rev. Henry Moldenhauer preached his farewell sermon to the congregation April 23, 1939. He had been in ill health for some time and carried on church duties until a successor, the Rev. Theodore Boreman could be selected.

Since retirement he had made his home in Des Plaines, his birthplace, where he died early Friday. His wife died several years ago. Survivors are a son, Dr. Alfred M. Moldenhauer of Chicago and two daughters, Mrs. Hulda Borchardt of Chicago and Miss Esther at home.

The body lay in state at the Oehler funeral home in Des Plaines until 12 Monday and 12 to 2 in the Des Plaines Lutheran church where services were conducted at 2:30. Burial at Des Plaines.

Fred Thieman

Mr. Fred Thiemann, age 81 years, of Roselle, passed away at the Belmont hospital in Chicago, Friday evening, Jan. 10, at the age of 81 years 1 month and 25 days.

Mr. Thiemann was born November 15, 1859 near Lombard, received his education at the Churchville and Rodenburg Lutheran schools.

On June 7, 1888, he was united in marriage to Miss Louise Kragel, by Rev. Grupe at the Rodenburg Lutheran church.

This couple made their home on the Thiemann homestead in Schaumburg township until 1918 when they went to Roselle.

He leaves to mourn his departure, his loving wife, Louise, and two children, a son, Mr. Arthur Thiemann at Rodenburg, a daughter, Mrs. Carl Henrichs of Chicago; 3 grandchildren; 1 daughter-in-law and 1 son-in-law; 1 brother, Mr. Herman Thiemann of Roselle; 1 sister, Mrs. Kaiser of Ontarioville; and a host of other relatives and friends.

Funeral services were Tuesday afternoon, Jan. 14 at 1:30 p. m. at the Thiemann residence at Roselle and at 2:00 p. m. at the Rodenburg Lutheran church, Rev. Gassner officiating, interment was in the Rodenburg cemetery.

Louis H. Zinkel

Mr. Louis H. Zinkel, a resident of Aptakisic for the past 13 years, passed away at his residence at Aptakisic, Thursday evening, January 9 at the age of 63 years, 10 months and 27 days.

Mr. Zinkel was born in Chicago February 12, 1877, received his education at the Lutheran school at Niles and was confirmed at the Niles Lutheran church by Rev. Braur on March 30, 1890.

He was united in marriage to Miss Elise Michel November 27, 1902 at the Northfield Lutheran church by Rev. Meade. After marriage this couple made their home in Northfield and Maine townships and for the past 13 years in Vernon township.

He leaves to mourn his departure his loving wife, Elsie, and 3 sons, Louis Zinkel, William Zinkel and Clarence Zinkel, all of Arlington Heights; 3 daughters-in-law and 3 grandchildren; 2 sisters and 2 brothers and other relatives and friends.

Funeral services were Monday afternoon, January 13 at 1:00 p. m. at Karstens funeral home at Arlington Heights and at 2:00 p. m. at the Northfield Lutheran church, Rev. Fechner officiating. Interment in the Northfield Lutheran cemetery.

Louis F. Kastning

Mr. Louis F. Kastning of Schaumburg township, passed away at his home, Plum Grove road, and Route 58, Wednesday, January 8, at the age of 61 years, 3 months and 20 days.

Mr. Kastning was born September 18, 1879 in Schaumburg township.

On Septemoer 20, 1903 he was united in marriage to Miss Emma Behrens by Rev. Mueller at the Schaumburg Lutheran church; this couple have always made their home at their present place.

Mr. Kastning leaves to mourn his sudden departure, his loving wife, Emma, and 7 children, Mr. Paul Kastning, Mrs. Lydia Piote, Mr. George Kastning, Mrs. Elfrieda Redeker, Mrs. Marie Rohlwing, Miss Anna Kastning and Mr. Harvey Kastning; 3 sons-in-law and 5 grandchildren; 1 brother, Mr. William Kastning of Schaumburg Twp.; 3 sisters, Mrs. Henry Wilkening of Roselle; Mrs. Albert Sporleder of Schaumburg; and Mrs. Herman Scharringhausen of Mt. Prospect; 5 sisters-in-law and 6 brothers-in-law; 1 uncle, Mr. Henry Lutter of Wilmette.

Funeral services were Sunday afternoon at 1:30 p. m. at the residence in Schaumburg township and at 2:00 p. m. at the Schaumburg Lutheran church.

Mrs. Chas. Thorp

Mrs. Chas. Thorp, nee Laura Schrader, long time resident of Palatine, died January 13, at her home in Waukegan, where she had moved last summer. The funeral was held Thursday afternoon at the Danielsen funeral home, Palatine; Rev. Bessie Woodworth, officiating; interment in Acacia Park.

Laura Thorp, daughter of Mr. and Mrs. Louis Schrader, was born in Palatine November 18, 1886. She attended local school graduating from Palatine high school in 1905 and later Chicago Business College. She was united in marriage to Chas. Thorp in November, 1909, taking up her residence in Barrington. They moved to Palatine in 1913 and in 1926 erected their own home on Plum Grove ave.

A son, Kenneth, died in 1935.

Mrs. Thorp had been ill several months and was confined to her bed the past nine weeks.

There remain the bereaved husband, Chas. Thorp, and one sister, Cora, who made her home with her.

Thomas D. Eliades

Thomas D. Eliades, 52, died suddenly at his home on Ela rd. near Palatine, Monday afternoon. Death came a few minutes after he entered the house. The funeral was held at ten o'clock Wednesday morning, Rev. Potter officiating; interment in Elmwood.

Deceased was born in Greece in 1888 and came to America in 1905, settling in Kansas City and in 1913 he moved to Chicago where he was married in 1920.

Mr. and Mrs. Eliades moved to Palatine in 1931. Before ill health intervened, he was a furniture finisher. There remain his wife, two brothers and two sisters who reside in Greece.

Mrs. Emma Heine

Mrs. Emma Heine, 686 E. Chicago st., Elgin, widow of Henry W. Heine, died at 10:55 Tuesday morning at Dr. Byers' sanitarium following a lingering illness.

She was born in Plum Grove, Ill., on March 19, 1866 and had resided in Elgin for many years.

She was a member of St. Paul's Evangelical church and several organizations of the church.

Survivors include one son, Raymond Heine of Rutland township; one brother, Fred Othmer of Palatine, and five grandchildren, Howard, Edward, Lloyd and Douglas Heine of Rutland township, and Richard Rinne of Elgin. Her husband, two sons, one daughter and a sister preceded her in death.

Funeral services will be held Friday afternoon at 1:30 from the Norris mortuary and at 2 from St. Paul's Evangelical church with the Rev. William L. Rest officiating.

Mrs. Henry Buesing

Mrs. Henry Buesing, 84, a resident of Wheeling township over forty years, died at her home, Hintz and Wheeling roads Sunday. The funeral was held from West Northfield church Tuesday afternoon, Rev. Fechner officiating. Interment was in West Northfield cemetery.

Deceased leaves her husband, two sons, Henry, Chicago; and William; two daughters, Mrs. Rose Carnehl and Mrs. Ellen Lempke, all of Wheeling township; 12 grandchildren; 5 great grandchildren.

Minnie Sebeing was born in Richton, Ill. June 6, 1856, where she was confirmed. The family moved to Chicago where she married Henry Buesing Feb. 25, 1875. After their marriage, Mr. and Mrs. Buesing spent three years in Wheeling, then moving to Piper City, where they resided 18 years. Three years were spent in Chicago and the family moved to Wheeling in 1899, where Mr. Buesing purchased a farm, on which they have resided 42 years.

Civil Service Examinations

The United States Civil Service Commission has announced that applications will be accepted at its Washington office for the positions listed below:

Junior Professional Assistant, $2,000 a year; Student Aid, $1,440 a year; and Dental laboratary mechanic; occupational therapy aide; student dietitian; library assistant; consultant in social services; translator; bilingual stenographer.

Full information as to the requirements for these examinations and application forms, may be obtained from the Secretary of the Board of U. S. Civil Service Examiners at the local postoffice.

NOTICE OF LETTING

Sealed proposals for the improvement described herein will be received at the Village Hall by the President and Board of Trustees of Mount Prospect, Cook County, Illinois until 8:00 p. m., January 21st, 1941, and at that time publicly opened and read.

The proposed improvement is officially known as Division "B" and to be built with Motor Fuel Tax Funds.

Division "B" consists of the installation of an ornamental street lighting system on the Northwest Highway from Central avenue to Elm street.

Proposal forms may be obtained at the office of the Village clerk of Mount Prospect, Illinois.

All proposals must be accompanied by a bank cashier's check or bank draft, for ten per cent (10%) of the amount of the bid, as provided in the "Standard Specifications for Road and Bridge Construction," prepared by the Department of Public Works and Buildings of the State of Illinois.

The President and Board of Trustees reserves the right to reject any and all proposals and to waive technicalities.

I. E. BESANDER,
President and Board of Trustees, Village of Mount Prospect, Illinois.

Henry Beisner has been quite ill more than a week, and, although he is now able to be up he expects to go to Elgin hospital some time soon for treatment.

Edward and Clara Mensching have returned home after their holiday trip to Iowa.

The M. M. club met with Miss Dorothy Kobusch in Bloomingdale, Friday, January 8. Election of officers was held at which Mrs. Henry Harmening was re-elected president and Miss Dorothy Kobusch secretary and treasurer.

Charles Turner has returned to the University of Illinois after spending the holidays with his parents.

Bensenville

Mr. Ludwig Kapolzinske, Sr. was born in Duschdorf, Province of Posen, Germany, Jan. 19, 1865 and passed away Friday evening, Jan. 8.

Henry Wycoff, the Galewood B. & B. foreman, left Monday on a business trip to Florida.

Carl Stark of Bishop's office is off duty on account of sickness.

Mrs. E. Sprandel and infant son returned home Sunday from the West Suburban hospiital.

Arlington Heights

Mrs. H. H. Russel has returned home from two weeks visit with her sisters in Chicago.

Miss Krebb returned Monday to the home of her sister, Mrs. H. F. Martens after a visit with friends in Joliet.

Mr. William Bublitz was born in Hinterpomern, Germany, Dec. 22, 1863 and died at Arlington Heights Jan. 6 aged 62 years, 14 days.

Miss Nettie Bunn has been enjoying a vacation and spent some of her time with her sister, who lives at Gridley.

The death of Mrs. Augusta Weber, the mother of Mrs. Albert Mors occurred on Thursday last week.

Mrs. Gall, the mother of Rev. Father Gall, is very ill.

The Harry Emmerson family are guests of the Wards in their former home on the north side.

Mr. and Mrs. Frank Bugbee returned from their vacation visit with relatives in Michigan Saturday.

State 'Presidents'

Chief executives of Delaware, New Hampshire, South Carolina and Texas were known as "presidents" under the first constitutions of those states. South Carolina changed the title to governor in 1778, and Delaware and New Hampshire followed suit in 1792. As an independent state, Texas had a president at its head until it was admitted to the Union in 1845.

Judgments Against Deerfield Settled

The Village of Deerfield has satisfied the last two judgments outstanding against the village according to the records of the Clerk of the Lake County Circuit Court, Lyman J. Wilmot, thus retiring claims which arose through a misallocation of special assessment funds.

These debts have confronted the village for the past seven years. Holders of defaulted special assessment bonds pressed the village for repayment, and finally reduced their claims to judgments.

Barcus, Kindred & Company, Chicago, arranged for the payment of this debt by issuance of $24,500 General Obligation bonds. They secured settlements with the judgment holders which resulted in a substantial saving to the village, and reduced the interest rate borne by the judgments.

Among the principal judgment holders were: The Highland Park State Bank; The Deerfield State Bank; Charles Albers, Receiver for the Proviso State Bank; and the Special Assessment Bondholders' Committee, represented by Attorney Leonard C. Mead.

Artificial Prosperity Presages Poverty, Warns Dr. Walter A. Maier

"Artificial prosperity, then poverty may be the trend in our country during the next few years," Dr. Walter A. Maier warned Sunday in his weekly "Bringing Christ to the Nation" broadcast on the coast-to-coast Lutheran Hour. The problems of large-scale unemployment and destitution have not been solved, the noted theologian asserted, and war business and defense orders can offer only temporary relief. "If the war spreads," he added, "a new social and industrial order will be introduced over vast sections of the globe. Repercussions, felt in the United States, can produce radical changes in America and it becomes the church's task to help prepare the American people for these serious adjustments."

Millions in America, according to Dr. Maier, need a principle and philosophy of life by which they can face crushed hopes and heaped sorrows with resignation instead of rebellion. The message of supreme importance for the trials of tomorrow, he emphasized, is the consolation and comfort to be found in Jesus Christ, for only by a return to the Christian faith and its constructive interpretation of life's sorrows can the failure of fatalism and the despair of ignorance or misplaced philosophies be averted.

The neglect of Christ, Dr. Maier concluded, is responsible for the contradictory fact that millions in America are definitely discontented and unhappy despite their multiplied comforts, the increase in leisure time and luxuries, and the wide spread of culture. "Genuine happiness," he said, "comes from the heart that has found God in Christ and with Him the assurance of Heaven's help for the solution of earth's problems."

"A HORSE APIECE" IN SKOKIE TAVERN BATTLE

"A horse apiece" is the present score in the battle between the village of Skokie and two local taverns.

The Ramble Inn is closed and will remain that way for the present as the city won that half of its fight to close two or more of its taverns. Elliott's Pine Log tavern, however, was granted a temporary injunction against the village authorities and pressure groups, and remains open.

CHICAGOANS COLLIDE AT MILWAUKEE, ROUTE 58

Two Chicago motorists collided Sunday evening at the junction of Milwaukee ave. and rte. 58 but neither party suffered injury.

Charles Overtoom was traveling toward the city on Milwaukee ave. in the inner lane when he suddenly swerved to the outer lane in the path of Emil Strasser. Strasser, also driving south, was unable to stop and hit the rear of the other's car. Damage was confined to the two vehicles.

SEEKS DIVORCE FROM DES PLAINES ATTORNEY

Attorney Frank P. Kay, of Des Plaines, has been sued for separate maintenance in Circuit court by his wife Evelyn, who alleges she has had to leave him several times because of his cruelty. She left him last January 3, after he had beaten her. They have two children whose custody she asks for.

SEEKS AUTO DAMAGE

Carl Sadow and Morris Schechtman doing business as the Sadow Tie & Supply Co., have sued the Niles Center Taxi Cab Co. and Roy Thomas for $1,500 for damages to their property caused by a collision of their cars January 6, 1939, at Skokie rd. and Cicero ave.

Leslie Anderson is asking $50,000 damages in his suit in Superior court against Paul Bosse for colliding with his car October 26 at Niles Center rd. and Touhy ave.

Margaret MacFarlane, suing Henry Kloat in Superior court charges that on December 1, 1939, while she was a guest in his car riding on Skokie road near Walton ave., he drove so recklessly following another car that he ran into it and caused an accident in which she was seriously injured. She asks $15,000 damages.

FORECLOSES

The Home Owners Loan corporation has filed suit to foreclose a claim for $13,348 secured by mortgage on the three story brick apartment building in Niles Center owned by Florence and Edwin Pearson.

WHEELING PRESBYTERIAN CHURCH

Morning worship, 10:55 o'clock.

Sunday church school, 9:30 a. m.

Everyone not affiliated elsewhere is cordially invited to make this their church home.

This Week in Wheeling

LUCILE SCHNEIDER, Editor — Phone 40

The next regular meeting of the P.-T.A. will be held at the school next Monday evening, January 20. Guest speaker on the program will be Mrs. C. B. Allen of Brookfield, past president of this district of P.-T.A. Her subject will be "The Biggest Job In the World." Do you have a part in this job? Come to the meeting and find out. All parents especially should wish to attend and all friends of young America are invited.

The winter meeting of the Community Center Board will be held next Tuesday evening, January 21, at 7 o'clock. All members of that board are urged to be present. The early hour is necessary because of other engagements later in the evening, and the meeting will be started promptly. All organizations of the village entitled to representation on that board should have their delegate member present.

Mr. Hans Schmidt is having a vacation from his meat market duties, while serving on the jury of the Superior Court.

Miss Marilyn Miller entertained a group of her former high school classmates of Arlington Heights, at her home last Thursday evening.

Mrs. William F. Krueger suffered a stroke on Thursday evening, January 9, and was removed to a Chicago hospital where she has been in a very critical condition.

Mr. and Mrs. Otto Utpadel entertained their card club last week. Mr. and Mrs. Harold Utpadel were guest players in place of the Galitzs. First prizes were won by Mrs. Harold Utpadel and H. Glen Gemmill and the host and hostess held the second highest scores of the evening.

The January Child Health Conference was very well attended. Twenty-eight children were examined by the physician and nurse in charge and conferences held with the mothers. A number of the mothers were attending for the first time and all were very much pleased with the attention received. A special feature of the conference was a junket demonstration during which mothers and babies all received an attractive little cup of junket dessert adding a party touch to the occasion. Those in charge of the conference were very much encouraged by the fine attendance which will help to insure the continuance of the station in Wheeling.

Mrs. John Nielsen and Mrs. D. C. Morrison were guests of Mrs. J. Craig at a meeting of her church circle held in her home last week.

Posters are out for a masquerade Valentine dance to be held February 15 by the Wheeling Recreation club.

Rev. and Mrs. D. C. Morrison and daughter, Edna, Mrs. Harold Bingham, Mrs. Howard Bingham and the Misses A. and L. Schneider, attended a musicale, presenting the piano pupils of Mrs. Virginia Hardacre, which was held in the Ridge school auditorium, Highland Park, last Friday evening. Most outstanding of the talented young musicians was Miss Constance Koebelin of Deerfield. Piano selections played by Miss Koebelin included: Invention No. 1 by Bach, Rondo Capricciose by Mendelssohn and Hungarian Rhapsody No. 2 by Liszt. Since attending the Highland Park high school where she is a sophomore, Constance has also taken up the study of the viol and plays that instrument in the school orchestra. She played two numbers on the viol during the evening's program. They were Notturno No. 3 by Kalliwoda and Concerto, D. Major 2nd movement by Mozart.

The twentieth birthday of Private Robert Hartmann which he celebrated last Saturday, will probably always be an outstanding one for Bob, being the first birthday away from home and in the services of Uncle Sam. In a letter home Bob says he feels really grown up and impressed with the dignity of his years as never before. Bob is a member of the 28th School Squadron, Hawaiian Detachment of the Army Air Corps, and is very enthusiastic about his branch of the service. He expects to be enroute to Honolulu very soon. His parents accompanied him back to Jefferson Barracks after his leave the first of the year and were very favorably impressed at the Barracks. They were convinced that our boys are being cared for and offered as fine a training as possible for any nation, and one that should make them better fitted for civilian as well as military life.

Little Barbara Morrison celebrated her sixth birthday last Thursday afternoon, at the home of her grandparents. A group of little playmates with their mothers were entertained for the afternoon and at supper by Barbara's grandmother, Mrs. Otto Utpadel.

Mrs. Aug. Pieper was hostess at a meeting of her card club held at the Riverside on Wednesday evening of last week. Mrs. Pieper, herself, held the high score for the evening. Mrs. Olga Bailey and Mrs. Emma Grewe were tied for second place and on drawing lots the prize fell to Mrs. Bailey. Mrs. J. Bellmore was low and took the consolation prize.

Ernest Kruse, president of the Illinois Nurserymen's Assn., for the past two years is presiding at the annual convention of the association being held at the Hotel La Salle in Chicago this week.

Miss Etta Mae Somsel was surprised on Tuesday evening when a group of young people came in for supper and the evening in celebration of her birthday.

"WE ALWAYS PAY Our Bills Promptly"

It's the Way to Keep Your Credit Good

Prompt payment of bills each month is the best insurance you can give yourself that you'll never be refused credit. Be sure that you meet your obligations promptly.

You Owe It to Yourself to Pay What You Owe

MAINE SECURITIES CO.

1547 Ellinwood TEL. D. P. 489 Des Plaines

Take Charge, Mister—and Let's Fireball!

THERE'S a new word spreading through the vocabularies of car owners who have made firsthand acquaintances with this slick new 1941 Buick.

It's a word we first picked out as an apt description of a new and better engine — but it is rapidly coming to mean a completely new and excitingly pleasurable manner of motorcar travel.

All over the country, "to fireball" now means to enjoy both ease and dispatch in your travel by car — with a very special new manner of thrift.

Not the ordinary, scrimpy, self-denying sort of thrift, but thrift *with all the thrills left in!*

Now, just *why* that happens is easy to understand.

Reenforced by Compound Carburetion* this FIREBALL eight develops nearly 17% more horsepower on exactly the same fuel rationing.

With all that power on call, we can use a more economical gear ratio as our standard high gear—a ratio that ups miles per gallon by giving more revolutions of the wheels for every revolution of the engine.

Then, in addition, we have in Compound Carburetion a fuel supply system that adjusts itself according to the driving conditions you meet.

Thus your engine is always getting the utmost benefit out of the least amount of gasoline that will give the performance you want.

And that spells economy.

So much economy that a man who drives 15,000 miles a year gets as much as 2,000 miles' extra driving on the same amount of fuel.

And that, Buick buyers will tell you, is something very much worth looking into through a free demonstration such as any Buick dealer will gladly give.

BUICK PRICES BEGIN AT $935 for the Business Coupe

delivered at Flint, Mich. State tax, optional equipment and accessories — extra. Prices subject to change without notice.

Margaret MacFarlane, suing Henry Kloat in Superior court charges that on December 1, 1939, while she was a guest in his car riding on Skokie road near Walton ave., he drove so recklessly following another car that he ran into it and caused an accident in which she was seriously injured. She asks $15,000 damages.

FORECLOSES

The Home Owners Loan corporation has filed suit to foreclose a claim for $13,348 secured by mortgage on the three story brick apartment building in Niles Center owned by Florence and Edwin Pearson.

WHEELING PRESBYTERIAN CHURCH

Morning worship, 10:55 o'clock.

Sunday church school, 9:30 a. m.

Everyone not affiliated elsewhere is cordially invited to make this their church home.

This Week in Wheeling

LUCILE SCHNEIDER, Editor — Phone 40

The next regular meeting of the P.-T.A. will be held at the school next Monday evening, January 20. Guest speaker on the program will be Mrs. C. B. Allen of Brookfield, past president of this district of P.-T.A. Her subject will be "The Biggest Job In the World." Do you have a part in this job? Come to the meeting and find out. All parents especially should wish to attend and all friends of young America are invited.

The winter meeting of the Community Center Board will be held next Tuesday evening, January 21, at 7 o'clock. All members of that board are urged to be present. The early hour is necessary because of other engagements later in the evening, and the meeting will be started promptly. All organizations of the village entitled to representation on that board should have their delegate member present.

Mr. Hans Schmidt is having a vacation from his meat market duties, while serving on the jury of the Superior Court.

Miss Marilyn Miller entertained a group of her former high school classmates of Arlington Heights, at her home last Thursday evening.

Mrs. William F. Krueger suffered a stroke on Thursday evening, January 9, and was removed to a Chicago hospital where she has been in a very critical condition.

Mr. and Mrs. Otto Utpadel entertained their card club last week. Mr. and Mrs. Harold Utpadel were guest players in place of the Galitzs. First prizes were won by Mrs. Harold Utpadel and H. Glen Gemmill and the host and hostess held the second highest scores of the evening.

The January Child Health Conference was very well attended. Twenty-eight children were examined by the physician and nurse in charge and conferences held with the mothers. A number of the mothers were attending for the first time and all were very much pleased with the attention received. A special feature of the conference was a junket demonstration during which mothers and babies all received an attractive little cup of junket dessert adding a party touch to the occasion. Those in charge of the conference were very much encouraged by the fine attendance which will help to insure the continuance of the station in Wheeling.

Mrs. John Nielsen and Mrs. D. C. Morrison were guests of Mrs. J. Craig at a meeting of her church circle held in her home last week.

Posters are out for a masquerade Valentine dance to be held February 15 by the Wheeling Recreation club.

Rev. and Mrs. D. C. Morrison and daughter, Edna, Mrs. Harold Bingham, Mrs. Howard Bingham and the Misses A. and L. Schneider, attended a musicale, presenting the piano pupils of Mrs. Virginia Hardacre, which was held in the Ridge school auditorium, Highland Park, last Friday evening. Most outstanding of the talented young musicians was Miss Constance Koebelin of Deerfield. Piano selections played by Miss Koebelin included: Invention No. 1 by Bach, Rondo Capricciose by Mendelssohn and Hungarian Rhapsody No. 2 by Liszt. Since attending the Highland Park high school where she is a sophomore, Constance has also taken up the study of the viol and plays that instrument in the school orchestra. She played two numbers on the viol during the evening's program. They were Notturno No. 3 by Kalliwoda and Concerto, D. Major 2nd movement by Mozart.

The twentieth birthday of Private Robert Hartmann which he celebrated last Saturday, will probably always be an outstanding one for Bob, being the first birthday away from home and in the services of Uncle Sam. In a letter home Bob says he feels really grown up and impressed with the dignity of his years as never before. Bob is a member of the 28th School Squadron, Hawaiian Detachment of the Army Air Corps, and is very enthusiastic about his branch of the service. He expects to be enroute to Honolulu very soon. His parents accompanied him back to Jefferson Barracks after his leave the first of the year and were very favorably impressed at the Barracks. They were convinced that our boys are being cared for and offered as fine a training as possible for any nation, and one that should make them better fitted for civilian as well as military life.

Little Barbara Morrison celebrated her sixth birthday last Thursday afternoon, at the home of her grandparents. A group of little playmates with their mothers were entertained for the afternoon and at supper by Barbara's grandmother, Mrs. Otto Utpadel.

Mrs. Aug. Pieper was hostess at a meeting of her card club held at the Riverside on Wednesday evening of last week. Mrs. Pieper, herself, held the high score for the evening. Mrs. Olga Bailey and Mrs. Emma Grewe were tied for second place and on drawing lots the prize fell to Mrs. Bailey. Mrs. J. Bellmore was low and took the consolation prize.

Ernest Kruse, president of the Illinois Nurserymen's Assn., for the past two years is presiding at the annual convention of the association being held at the Hotel La Salle in Chicago this week.

Miss Etta Mae Somsel was surprised on Tuesday evening when a group of young people came in for supper and the evening in celebration of her birthday.

"WE ALWAYS PAY Our Bills Promptly"

It's the Way to Keep Your Credit Good

Prompt payment of bills each month is the best insurance you can give yourself that you'll never be refused credit. Be sure that you meet your obligations promptly.

You Owe It to Yourself to Pay What You Owe

MAINE SECURITIES CO.

1547 Ellinwood TEL. D. P. 489 Des Plaines

Take Charge, Mister—and Let's Fireball!

THERE'S a new word spreading through the vocabularies of car owners who have made firsthand acquaintances with this slick new 1941 Buick.

It's a word we first picked out as an apt description of a new and better engine — but it is rapidly coming to mean a completely new and excitingly pleasurable manner of motorcar travel.

All over the country, "to fireball" now means to enjoy both ease and dispatch in your travel by car — with a very special new manner of thrift.

Not the ordinary, scrimpy, self-denying sort of thrift, but thrift *with all the thrills left in!*

Now, just *why* that happens is easy to understand.

Reenforced by Compound Carburetion* this FIREBALL eight develops nearly 17% more horsepower on exactly the same fuel rationing.

With all that power on call, we can use a more economical gear ratio as our standard high gear—a ratio that ups miles per gallon by giving more revolutions of the wheels for every revolution of the engine.

Then, in addition, we have in Compound Carburetion a fuel supply system that adjusts itself according to the driving conditions you meet.

Thus your engine is always getting the utmost benefit out of the least amount of gasoline that will give the performance you want.

And that spells economy.

So much economy that a man who drives 15,000 miles a year gets as much as 2,000 miles' extra driving on the same amount of fuel.

And that, Buick buyers will tell you, is something very much worth looking into through a free demonstration such as any Buick dealer will gladly give.

BUICK PRICES BEGIN AT $935 for the Business Coupe

delivered at Flint, Mich. State tax, optional equipment and accessories — extra. Prices subject to change without notice.

*Optional equipment on the Buick SPECIAL, standard on all other series.

Farming On The Contour Level Is Now Coming Into Style

Time was when farmers prided themselves for the straight rows they could plant and plow up and down the hills. Now the more progressive farmers, streamlining their farming methods for better soil and water control, are farming on the level contour.

There are several advantages to farming on the level contour, points out R. C. Hay, extension engineer of the University of Illinois College of Agriculture. The first purpose of planting and cultivating row crops across the slopes is to reduce runoff, thus saving soil moisture and decreasing erosion losses.

Contour farming also increases crop yields. Farmers of McLean county keeping records in cooperation with the university in 1939 found that corn fields on the contour averaged 58 bushels an acre compared with 54 bushels an acre in straight rows.

Hay explains that contour farming alone often proves inadequate to check erosion losses, especially on long slopes and hillsides that have started to gully. Terraces are needed in these cases to control erosion when the land is under cultivation.

Farmers who hesitate to terrace are advised by Hay to try contour farming first. Once they are convinced that farming on the contour is practical, they are then ready to consider terracing.

"There are more than 12 million acres of rolling cropland in Illinois subject to harmful erosion," according to Hay. "This includes sloping fields under cultivation in every county of the state. Many of these fields must either be retired to permanent pasture or hay or eventually terraced if fertility is maintained and erosion is controlled.

"The effectiveness of terraces in reducing soil erosion losses on cultivated cropland having slopes of 2 to 10 per cent has been shown repeatedly in field studies which indicate that sloping cropland unterraced loses at least seven times as much soil by erosion as comparable land that has been terraced.

"Once land has been terraced, the only practical way to farm it and maintain the terraces is to contour farm with the terraces. Thus a farmer who has become familiar with contour farming is better prepared to farm his land after he has terraced it," Hay said.

He explained that another important consideration in future terracing is planning the outlets. Wide grass waterways in some natural draw, extending well up the slope, or permanent pasture on land adjoining the cultivated field are the most satisfactory terrace outlets. "For safety these outlets must be well sodded before the terraces can be built."

Best Varieties of Small Grains Listed By Dungan

Twenty-two of the best varieties of small grains for Illinois farmers to grow in 1941 were described to Farm and Home Week visitors today by George H. Dungan, chief in crop production at the University of Illinois College of Agriculture.

The best winter wheat varieties free for mosaic land in No. Illinois are Ioturk and Minturki, he recommended. They have exceeded the average yield of all varieties in 8 and 13 year tests by more than two bushels per acre. In central Illinois on mosaic-free land, Tenmarq, Brill and Wabash have exceeded the average yield by 4.8, 3.2 and 2.4 bushels, respectively, for 5 to 10 years. Fulcaster, Nabob and Wabash stand at the top of the list in general all-around desirability for southern Illinois.

Considering grain quality and ability to yield, Sturgeon is the best spring wheat variety for Illinois. Sturgeon is the result of a cross between Progress and Marquis, and is a bearded, hard red spring wheat. Other acceptable varieties, although not so good as Sturgeon, are Illinois 1 and Progress.

The highest yielding winter oat variety for southern Illinois is Lee, other acceptable varieties being Fulwin, Tennex and Indiana Turf.

Columbia is the most generally grown spring oat variety in Illinois because it matures early and is usually high in quality. Columbia is not resistant to stem and leaf rusts, however, and for this reason is not expected to keep pace with the new rust-resistant varieties, of which the Marion is one of the best examples. Marion is a white oat which has a higher than average weight for each bushel. It has proved to be as high yielding as Columbia in years when rust is not present and in rust years it has exceeded Columbia by a big margin. Marion is widely adapted, but Dungan says it perhaps will not do as well in southern Illinois as Columbia.

Highest yielding varieties of winter barley, the acreage of which is increasing, especially in southern Illinois, are Kentucky 1, Purdue 1101 and Purdue 21. Missouri Early Beardless is a widely grown variety because of its freedom from beards, but it is not a good-yielding variety, according to Dungan. New barbless varieties are being developed but so far none that is as winter-hardy as the rough bearded Kentucky and Purdue strains has been produced.

Spring barley, like spring wheat, is confined to the northern three tiers of Illinois counties. The most desirable variety is Wisconsin Pedigree 38, frequently called Wisconsin barbless. This barley has awns free from barbs, is a high-yielding and produces a type of grain, if properly matured and carefully threshed, which is acceptable for malting.

Winter Weather Won't Solve Insect Problems

Don't be fooled into thinking that winter weather will solve insect problems in stored grain," Illinois farmers were warned this week by M. D. Farrar, entomologist of the State Natural History Survey, cooperating with the University of Illinois College of Agriculture.

This is a foolish concept, because a bin of grain can reach 100 degrees F. in January if it contains enough insects to keep up the temperature and permit breeding, Farrar explains.

An 8 million bushel "banquet" of shelled corn was made available to 13 different kinds of insects this fall when Illinois farmers agreed to seal this amount on their farms until 1941 or 1942. These are additional millions of bushels of ear corn, wheat, oats, barley and soybeans in storage.

Principal insects attacking these stored grains are Indian meal moth, Angoumois grain moth, rice weevil, granary weevil, cadelle beetle, bran beetle, saw toothed grain beetle, foreign grain beetle, flat grain beetle, fungus beetle, meal worms, book lice and grain mites.

Insects which survive the shelling and storing process find an abundance of food in comfortable living quarters and they multiply rapidly. The temperature of the grain rises, slowly at first, then rapidly. The surface of the grain in the bin becomes solid and is no longer easily broken by pressure. The grain becomes damp, moldy in spots and sometimes even starts to germinate.

Farrar advises farmers to inspect their grain often. If the grain becomes infested, they are advised to obtain the proper control methods through their local farm adviser.

Loading Tractors To Full Capacity Saves Time, Fuel

Up to one-half of all the time spent driving tractors in the field and 20 to 25 per cent of the fuel could be saved if tractors were loaded to their full rated capacity.

Pulling two or more light draft implements behind a tractor is one way of raising the load nearer to the rated capacity, explains R. H. Reed, associate in agricultural engineering at the University of Illinois College of Agriculture.

Among the machines which are particularly adaptable to being pulled in this manner are mowers, binders, rotary hoes, harrows, drills and culti-packers. All these implements have a low draft—pounds of pull—for each foot of width and thus are the units which contribute most to low average loading.

Mowers, for example, are wider than they used to be but still make a rather light load for most tractors. Some farmers have hitched one or two horse mowers behind the tractor to double, or even triple, the width of the cut and thus reduce the labor and fuel cost.

Two binders also may be pulled to advantage, especially in the northern half of Illinois. The combine has replaced most of the binders, but this fact frequently means that, where they are used, small horse binders are pulled behind a tractor operated at a very low per cent of its rated capacity.

The rotary hoe must be used in the wider widths if it is to load the tractor to capacity. Whenever possible, two, or even three rotary hoes should be used to reduce labor, save fuel and enable the operator to obtain timeliness of operation.

Spike-tooth harrows must be very wide to develop a full tractor load. Fortunately, additional sections don't cost much, last a long time and are usable until worn out. They can be used regardless of what is their make or shape. Rollers and culti-packers have about the same characteristics.

Frequently the time and expense saved by using two implements will not justify the purchase of the second unit. Reed suggests that farmers may be able to exchange machines with their neighbor in order to use two units at the same time.

Another method suggested by Reed is to pull two or more different machines in tandem, such as the spike-tooth harrow, or disc-harrow pulled behind a plow. This saves one complete operation and has the advantage of working the ground as soon as it is turned.

Another method used to some extent is the disc-drag-drill and culti-packer combination. If four tools are too much load for the tractor, one or more can be dropped. This provides sufficient flexibility to meet almost any field condition, tractor size of operating program, says Reed.

Hog Sanitation Makes Saving Of One-Fifth of Feed

"When you throw out five ears of corn to a wormy pig, only four ears do the pig any good—one ear goes to feed the worms." This is the conclusion of E. T. Robbins, livestock extension specialist of the University of Illinois College of Agriculture, following a study of farm accounts, which shows that swine sanitation saves one-fifth of the feed.

"Sanitation also enables one to raise as many pigs as usual from three-fourths as many sows, it eliminates runts, the pigs grow more evenly and they reach market weights six weeks sooner. The early marketing may add $3 to $6 a head to the returns on March pigs sold in September instead of November."

Robbins says that anyone who raises runt pigs has only himself to blame. A clean farrowing house, a clean sow, a clean trip to pasture and clean pasture until the pigs are four months old are the four necessary steps in raising pigs without exposure to the ruinous effects of the common roundworms.

Based on hundreds of Illinois farm demonstrations, Illinois Circular No. 306, "Cheaper and More Profitable Pork Through Swine Sanitation," goes into more detail on this topic and may be obtained free by writing to the College of Agriculture. Robbins says that some of the largest hog raisers in the state had demonstrations at the time the publication was written and have continued to use the system 100 per cent ever since with excellent success. They raise no wormy runts to waste their corn, he added.

Along With New Year Came Many Opportunities

The new year was followed in by new responsibilities for all, but especially for the farmer.

He has more tools to work with than a year ago. He has electricity and all the things that go with it to make the farm and home a more pleasant place to live. Possibly he has a new tractor, new feed grinder, corn sheller and other new types of equipment.

All these, although they increase the efficiency of labor, may sometimes upset the old way of living and initiate a new pattern of life on the farm, says Miss Alva Anne Owen, extension child development and parent education specialist at the University of Illinois College of Agriculture.

Accidents are likely to become more numerous. There's more leisure time for the children and their parents, too. Faster transportation enables people to go farther distances for entertainment, eliminating to a great extent the former bonds of farm community life and increasing the likelihood of accidents.

For these reasons and many more, the coming of the new year and its new opportunities increases the variety of activities of farm parents more than ever before. It's time to take another kind of inventory, other than just monetary and profits.

Possibly the fast pace might be slowed up a bit, more time being taken for living. Maybe there ought to be more old-fashioned pie and ice cream socials this year. Rejuvenation of the old enthusiasm for charivaris and home talent plays would likely help.

Anyway, a little more living might help to make the farm an even better place to live than it is already, if that could be possible.

Illiterate President

Andrew Johnson, who became President when Lincoln was assassinated, didn't know how to write until he was 19 years old.

A. W. O. L.

A. W. O. L. is the military abbreviation of "Absent Without Leave." Because without is a single word and should therefore be abbreviated only with the letter "W," there is a common belief that the "O" stands for official. However, military men explain that the superfluous "O" is used in order to differentiate between "Absent Without Leave" and "Absent With Leave," the latter phrase being properly abbreviated as "A. W. L."

Farming On The Contour Level Is Now Coming Into Style

Time was when farmers prided themselves for the straight rows they could plant and plow up and down the hills. Now the more progressive farmers, streamlining their farming methods for better soil and water control, are farming on the level contour.

There are several advantages to farming on the level contour, points out R. C. Hay, extension engineer of the University of Illinois College of Agriculture. The first purpose of planting and cultivating row crops across the slopes is to reduce runoff, thus saving soil moisture and decreasing erosion losses.

Contour farming also increases crop yields. Farmers of McLean county keeping records in cooperation with the university in 1939 found that corn fields on the contour averaged 58 bushels an acre compared with 54 bushels an acre in straight rows.

Hay explains that contour farming alone often proves inadequate to check erosion losses, especially on long slopes and hillsides that have started to gully. Terraces are needed in these cases to control erosion when the land is under cultivation.

Farmers who hesitate to terrace are advised by Hay to try contour farming first. Once they are convinced that farming on the contour is practical, they are then ready to consider terracing.

"There are more than 12 million acres of rolling cropland in Illinois subject to harmful erosion," according to Hay. "This includes sloping fields under cultivation in every county of the state. Many of these fields must either be retired to permanent pasture or hay or eventually terraced if fertility is maintained and erosion is controlled.

"The effectiveness of terraces in reducing soil erosion losses on cultivated cropland having slopes of 2 to 10 per cent has been shown repeatedly in field studies which indicate that sloping cropland unterraced loses at least seven times as much soil by erosion as comparable land that has been terraced.

"Once land has been terraced, the only practical way to farm it and maintain the terraces is to contour farm with the terraces. Thus a farmer who has become familiar with contour farming is better prepared to farm his land after he has terraced it," Hay said.

He explained that another important consideration in future terracing is planning the outlets. Wide grass waterways in some natural draw, extending well up the slope, or permanent pasture on land adjoining the cultivated field are the most satisfactory terrace outlets. "For safety these outlets must be well sodded before the terraces can be built."

Best Varieties of Small Grains Listed By Dungan

Twenty-two of the best varieties of small grains for Illinois farmers to grow in 1941 were described to Farm and Home Week visitors today by George H. Dungan, chief in crop production at the University of Illinois College of Agriculture.

The best winter wheat varieties free for mosaic land in No. Illinois are Ioturk and Minturki, he recommended. They have exceeded the average yield of all varieties in 8 and 13 year tests by more than two bushels per acre. In central Illinois on mosaic-free land, Tenmarq, Brill and Wabash have exceeded the average yield by 4.8, 3.2 and 2.4 bushels, respectively, for 5 to 10 years. Fulcaster, Nabob and Wabash stand at the top of the list in general all-around desirability for southern Illinois.

Considering grain quality and ability to yield, Sturgeon is the best spring wheat variety for Illinois. Sturgeon is the result of a cross between Progress and Marquis, and is a bearded, hard red spring wheat. Other acceptable varieties, although not so good as Sturgeon, are Illinois 1 and Progress.

The highest yielding winter oat variety for southern Illinois is Lee, other acceptable varieties being Fulwin, Tennex and Indiana Turf.

Columbia is the most generally grown spring oat variety in Illinois because it matures early and is usually high in quality. Columbia is not resistant to stem and leaf rusts, however, and for this reason is not expected to keep pace with the new rust-resistant varieties, of which the Marion is one of the best examples. Marion is a white oat which has a higher than average weight for each bushel. It has proved to be as high yielding as Columbia in years when rust is not present and in rust years it has exceeded Columbia by a big margin. Marion is widely adapted, but Dungan says it perhaps will not do as well in southern Illinois as Columbia.

Highest yielding varieties of winter barley, the acreage of which is increasing, especially in southern Illinois, are Kentucky 1, Purdue 1101 and Purdue 21. Missouri Early Beardless is a widely grown variety because of its freedom from beards, but it is not a good-yielding variety, according to Dungan. New barbless varieties are being developed but so far none that is as winter-hardy as the rough bearded Kentucky and Purdue strains has been produced.

Spring barley, like spring wheat, is confined to the northern three tiers of Illinois counties. The most desirable variety is Wisconsin Pedigree 38, frequently called Wisconsin barbless. This barley has awns free from barbs, is a high-yielding and produces a type of grain, if properly matured and carefully threshed, which is acceptable for malting.

Winter Weather Won't Solve Insect Problems

Don't be fooled into thinking that winter weather will solve insect problems in stored grain," Illinois farmers were warned this week by M. D. Farrar, entomologist of the State Natural History Survey, cooperating with the University of Illinois College of Agriculture.

This is a foolish concept, because a bin of grain can reach 100 degrees F. in January if it contains enough insects to keep up the temperature and permit breeding, Farrar explains.

An 8 million bushel "banquet" of shelled corn was made available to 13 different kinds of insects this fall when Illinois farmers agreed to seal this amount on their farms until 1941 or 1942. These are additional millions of bushels of ear corn, wheat, oats, barley and soybeans in storage.

Principal insects attacking these stored grains are Indian meal moth, Angoumois grain moth, rice weevil, granary weevil, cadelle beetle, bran beetle, saw toothed grain beetle, foreign grain beetle, flat grain beetle, fungus beetle, meal worms, book lice and grain mites.

Insects which survive the shelling and storing process find an abundance of food in comfortable living quarters and they multiply rapidly. The temperature of the grain rises, slowly at first, then rapidly. The surface of the grain in the bin becomes solid and is no longer easily broken by pressure. The grain becomes damp, moldy in spots and sometimes even starts to germinate.

Farrar advises farmers to inspect their grain often. If the grain becomes infested, they are advised to obtain the proper control methods through their local farm adviser.

Loading Tractors To Full Capacity Saves Time, Fuel

Up to one-half of all the time spent driving tractors in the field and 20 to 25 per cent of the fuel could be saved if tractors were loaded to their full rated capacity.

Pulling two or more light draft implements behind a tractor is one way of raising the load nearer to the rated capacity, explains R. H. Reed, associate in agricultural engineering at the University of Illinois College of Agriculture.

Among the machines which are particularly adaptable to being pulled in this manner are mowers, binders, rotary hoes, harrows, drills and culti-packers. All these implements have a low draft—pounds of pull—for each foot of width and thus are the units which contribute most to low average loading.

Mowers, for example, are wider than they used to be but still make a rather light load for most tractors. Some farmers have hitched one or two horse mowers behind the tractor to double, or even triple, the width of the cut and thus reduce the labor and fuel cost.

Two binders also may be pulled to advantage, especially in the northern half of Illinois. The combine has replaced most of the binders, but this fact frequently means that, where they are used, small horse binders are pulled behind a tractor operated at a very low per cent of its rated capacity.

The rotary hoe must be used in the wider widths if it is to load the tractor to capacity. Whenever possible, two, or even three rotary hoes should be used to reduce labor, save fuel and enable the operator to obtain timeliness of operation.

Spike-tooth harrows must be very wide to develop a full tractor load. Fortunately, additional sections don't cost much, last a long time and are usable until worn out. They can be used regardless of what is their make or shape. Rollers and culti-packers have about the same characteristics.

Frequently the time and expense saved by using two implements will not justify the purchase of the second unit. Reed suggests that farmers may be able to exchange machines with their neighbor in order to use two units at the same time.

Another method suggested by Reed is to pull two or more different machines in tandem, such as the spike-tooth harrow, or disc-harrow pulled behind a plow. This saves one complete operation and has the advantage of working the ground as soon as it is turned.

Another method used to some extent is the disc-drag-drill and culti-packer combination. If four tools are too much load for the tractor, one or more can be dropped. This provides sufficient flexibility to meet almost any field condition, tractor size of operating program, says Reed.

Hog Sanitation Makes Saving Of One-Fifth of Feed

"When you throw out five ears of corn to a wormy pig, only four ears do the pig any good—one ear goes to feed the worms." This is the conclusion of E. T. Robbins, livestock extension specialist of the University of Illinois College of Agriculture, following a study of farm accounts, which shows that swine sanitation saves one-fifth of the feed.

"Sanitation also enables one to raise as many pigs as usual from three-fourths as many sows, it eliminates runts, the pigs grow more evenly and they reach market weights six weeks sooner. The early marketing may add $3 to $6 a head to the returns on March pigs sold in September instead of November."

Robbins says that anyone who raises runt pigs has only himself to blame. A clean farrowing house, a clean sow, a clean trip to pasture and clean pasture until the pigs are four months old are the four necessary steps in raising pigs without exposure to the ruinous effects of the common roundworms.

Based on hundreds of Illinois farm demonstrations, Illinois Circular No. 306, "Cheaper and More Profitable Pork Through Swine Sanitation," goes into more detail on this topic and may be obtained free by writing to the College of Agriculture. Robbins says that some of the largest hog raisers in the state had demonstrations at the time the publication was written and have continued to use the system 100 per cent ever since with excellent success. They raise no wormy runts to waste their corn, he added.

Along With New Year Came Many Opportunities

The new year was followed in by new responsibilities for all, but especially for the farmer.

He has more tools to work with than a year ago. He has electricity and all the things that go with it to make the farm and home a more pleasant place to live. Possibly he has a new tractor, new feed grinder, corn sheller and other new types of equipment.

All these, although they increase the efficiency of labor, may sometimes upset the old way of living and initiate a new pattern of life on the farm, says Miss Alva Anne Owen, extension child development and parent education specialist at the University of Illinois College of Agriculture.

Accidents are likely to become more numerous. There's more leisure time for the children and their parents, too. Faster transportation enables people to go farther distances for entertainment, eliminating to a great extent the former bonds of farm community life and increasing the likelihood of accidents.

For these reasons and many more, the coming of the new year and its new opportunities increases the variety of activities of farm parents more than ever before. It's time to take another kind of inventory, other than just monetary and profits.

Possibly the fast pace might be slowed up a bit, more time being taken for living. Maybe there ought to be more old-fashioned pie and ice cream socials this year. Rejuvenation of the old enthusiasm for charivaris and home talent plays would likely help.

Anyway, a little more living might help to make the farm an even better place to live than it is already, if that could be possible.

Illiterate President

Andrew Johnson, who became President when Lincoln was assassinated, didn't know how to write until he was 19 years old.

A. W. O. L.

A. W. O. L. is the military abbreviation of "Absent Without Leave." Because without is a single word and should therefore be abbreviated only with the letter "W," there is a common belief that the "O" stands for official. However, military men explain that the superfluous "O" is used in order to differentiate between "Absent Without Leave" and "Absent With Leave," the latter phrase being properly abbreviated as "A. W. L."

Spare-Time Job

Refinishing furniture is a good spare-time occupation during the summer months.

Balanced "Diets" Make Cattle Gain And Finish Better

As in diets of human beings, there must be a correct balance in animal rations.

In attaining this balance in animal feeds, livestock gain more rapidly, more uniformly and more cheaply than when their ration lacks protein, says E. T. Robbins, livestock extension specialist of the University of Illinois College of Agriculture.

On a recent livestock tour in Whiteside county, L. A. Abbott, demonstrated fine results with a balanced ration for steers, Robbins reports. They were full-fed sheiled corn, with 1.6 pounds daily of a mixture of soybean meal, linseed meal, and cottonseed meal. They had pasture in the spring and later had alfalfa hay in drylot.

Their average gain was 2¼ pounsd a day for eight months.

Many other herds in Illinois which Robbins has observed and which eat only corn with silage and timothy hay or straw were far behind the Abbott steers in rate of gain and finish.

British Army Pay

A private in the British army gets 40 cents a day and the commander in chief gets $40 a day. According to their rank, a sergeant gets $1.50, lieutenant, $4; captain, $5; major, $8; colonel, $12; and major general, $20. An army chaplain receives $17 a day.

Balanced "Diets" Make Cattle Gain And Finish Better

As in diets of human beings, there must be a correct balance in animal rations.

In attaining this balance in animal feeds, livestock gain more rapidly, more uniformly and more cheaply than when their ration lacks protein, says E. T. Robbins, livestock extension specialist of the University of Illinois College of Agriculture.

On a recent livestock tour in Whiteside county, L. A. Abbott, demonstrated fine results with a balanced ration for steers, Robbins reports. They were full-fed shelled corn, with 1.6 pounds daily of a mixture of soybean meal, linseed meal, and cottonseed meal. They had pasture in the spring and later had alfalfa hay in drylot.

Their average gain was 2¼ pounsd a day for eight months.

Many other herds in Illinois which Robbins has observed and which eat only corn with silage and timothy hay or straw were far behind the Abbott steers in rate of gain and finish.

British Army Pay

A private in the British army gets 40 cents a day and the commander in chief gets $40 a day. According to their rank, a sergeant gets $1.50, lieutenant, $4; captain, $5; major, $8; colonel, $12; and major general, $20. An army chaplain receives $17 a day.

Mac Says-

by GERALD A. MC ELROY

It was a good week-end in this section from a basketball standpoint. Arlington, Bensenville, and Palatine all won doubleheaders before home crowds to start the new year in the right way. It was the first that the Cards and Bisons had taken a pair this season and we wish them a lot of success in keeping up the good work. Palatine has taken five straight conference twin bills and is beginning to have hopes of duplicating the feat of winning a double championship as was accomplished in 1933-34 by Megel coached teams. However a lot can happen to upset the best laid plans with five games yet to be played.

Lead by Two Games

The Palatine varsity team should be able to relax and play a better brand of ball now that they have a two game lead with but five to play. Although the Pirates have been winning by comfortable margins they have had a tendency to tighten up in league games and their playing has not been nearly as smooth as in the non-conference games. Defeats of Wauconda and Antioch in upsets Friday at the hands of Northbrook and Bensenville along with Barrington's crushing 47-16 victory over Ela indicate the superiority of the south end of the league and point to tougher resistance for the Pirates in the second round of play.

Like Niles' Chances

After that 54-39 victory of Niles at Leyden we like the chances of Galitz's Trojans. They have no return game with Leyden and to our way of thinking will clinch at least a share of the title by beating Woodstock in a return game. Leyden and Woodstock in a pair of meetings should do plenty to hurt each other's chances.

Don't Overlook the Bison Lights

Bensenville's lightweights may be down in fourth place in the standings, but it's a mistake to count them out. Their only defeats were to Palatine by one point and to Barrington by two points. Should the Bisons win their remaining games they would take the title. The reason is that they meet Palatine, Barrington, and Grant the three who rank above them. They are really on the spot Friday for if they lose to Palatine they will be virtually out of the race and the little Pirates will have an inside track to the title with Barrington the only real tough opponent remaining.

Plenty of Hard Luck

Coach Ray Hayes has had more than his share of troubles this year. It has become a weekly custom for Arlington to have at least one or two players incapacitated. Last year the Cards picked up after Christmas and gained respectable standing in the league and we believe and hope that Arlington has at last hit a pace which will bring them an even break at least in remaining games.

Big Sports Week-End

This coming week-end will be a full one for the sports minded people of Palatine. Friday the Pirates go to Bensenville in games which will have a very important bearing on the league championships. Saturday Palatine will turn out to greet the possibly best high school team which has ever performed on the Pirate court. We refer to Ed. Willett's giant Hebron five. This will be the number one attraction of the season and if Palatine plays as they did against Crane Tech, Downers Grove, and in the DeKalb tourney they will give the visitors all they can handle. The team of Kjellstrom, Voltz, Burgett, Judson, and Peterson averaging close to six foot three in height will, however, have a distinct advantage playing on the narrow Palatine floor. Hebron will be fresh while Palatine will have played the previous night. Fans should arrive early as good seats will be at a premium.

The third big sports event of the week-end will be the annual Norge ski meet at Fox River Grove Sunday afternoon. This is really a thrilling spectacle as all will agree who have attended.

Racers Play Chinese Team

We understand that the Arlington Racers have an all Chinese team carded for next Tuesday night which ought to be quite an attraction. The Racers have an outstanding team and have built up quite a reputation this season. They have played the best teams available and beaten most of them. The management is to be congratulated on giving Arlington such a strong cage team.

Not Such Good Picking

Last week in our preview of the week's games we named the teams we thought would win and had our worst week of the year with four misses out of eight on Friday. Several were clearly upsets, but that is what makes basketball interesting for the fans and gives coaches sleepless nights. In this game of basketball teams have nights when they can seem to hit an unusual percentage and then just the reverse. However, the best teams usually get the most easy shots due to better ball handling. In our opinion ability to handle the ball is the most important basketball fundamental and is the skill that takes the longest to acquire. That's why the kid who has grade school playing experience and is interested enough in the sport to put up a goal in his backyard where he can practice with his pals the year round usually becomes a pretty good player. That's why Dundee has a top notch team. They gain at least a year or two of experience practicing on their own during the off season.

Picks This Week

Got off the subject a little in the paragraph above, but are back on it again. Our picks for the season to date are 31 right and 13 wrong. This week Friday we favor Wauconda over Grant, Antioch over Ela, Northbrook over Barrington, and Palatine over Bensenville in the Northwest loop. In the Northeast our picks are Crystal Lake to down Warren, Leyden to wallop Lake Forest, Woodstock to take Arlington, and Niles to dispose of Libertyville. Only close game in the Northeast will be at Warren. That's our guess. Barrington at Northbrook should be the best game in the Northwest.

Niles Drops Leyden To Second Place, 54-39

Niles turned on the power Friday night in the second half at Leyden to win from the Eagles, 54 to 39, and drop them from the undefeated ranks in the Northeast conference.

Leyden led through the first half with Niles keeping within striking distance by marking several long shots. In the third period the visitors got going, outscoring their hosts 18 to 8 to go into the lead they never relinquished.

Leyden's scoring was divided between seven boys with Bogacz and R. Doss each scoring ten. Niles' markers were also distributed among six players with Domas looping seven and four.

The lightweight game also went to a rallying Niles squad, 36 to 33. Leyden led most of the first three quarters but fell before the visitors' reserves in the last period. Lofgren scored 12 points to lead the Leyden scoring while Carol with 13 headed the Niles ledger.

Barrington Trounces Ela In Doubleheader

Barrington took both ends of a double header Friday night from weakened Ela squads 47 to 16 and 40 to 6.

Barrington assumed an early lead in the varsity game and increased it in every succeeding period by making 36 per cent of all tries. Ela, weakened by pregame sickness of several of the boys and the loss of Kropp due to a broken finger, made but 14 per cent of their tries from the floor to lose 47 to 16.

In the lightweight game the inexperienced Lake Zurich squad couldn't penetrate the junior Bronchs' defense, getting but 17 shots at the basket throughout the entire fray. Wollar and P. DeWitz both scored eight points apiece to aid the Barrington lihts in their 40 to 6 victory.

Varsity

Barrington (41)	F.G.	F.T.	P.

Arlington Beats Warren, 39-23 For 2nd Victory

Lights Also Win By 26-21 Score

Warren's veteran Blue Devils went down to defeat before Arlington's driving Cardinals by a score of 39 to 23 last Friday night on Arlington's floor. The Green Tornadoes snapped their losing streaks at the expense of Warren's lightweights, winning 26 to 21.

The Cardinals started slowly, getting their first basket at the end of seven minutes of play. Warren led 7-4 at the end of the quarter. Mueller got the baskets and Becker hit one to put the home team ahead 13-12 at the half.

Edwin Hall, a junior forward, was making life miserable for Arlington's guards, collecting a basket and five free throws. Geary and Gripton each scored once from the field. The Blue Devils were displaying some well executed screen plays which got them open for numerous set shots.

Herman Becker gave the fans a hint of what was coming as he scored a drive-in shot to open the second half. Hall promptly hit a rebound for Warren, but Mueller and Becker put Arlington farther in front with two baskets and two free throws between them. The Cards were leading 21-15 after four minutes of play.

Jim Millay took over the floor guard spot for Arlington and Warren's forwards fouled repeatedly as he drove through their pressing defense. He hit three free throws, Jarvis hit one, while Mueller and Becker got another seven points for the front line. The score was 30-18, Arlington, when the third period ended.

Bob Gripton, Blue Devil center, got loose for two baskets in the fourth quarter, and Bratzke cashed a one-pointer from the free throw line. But Mueller and Becker kept their record clean by scoring in the final qaurter as in the other three. Busse and Vetter contributed to the team total of nine points for the period.

Millay took his fourth personal on a crash which went for a double foul just as the third period ended. Wirth fouled out for Warren at about the same time. McCann and Geary for the Blue Devils, Mueller, Schwolow, and Jarvis of the Cardinals each accumulated three personals. The game was kept free from roughness and wrestling over the ball, except on some of the milling about under the basket.

Poor shooting and lack of reserves contributed to Warren's defeat. The Blue Devils out-played their taller opponents on rebounds throughout the first half but got a draw in the second. While their set plays were clicking, they were the better team, but when the shifting Cardinal defense handled those, they lost ground steadily.

The Cardinals put the burden of the offense largely on Mueller and Becker who were playing "for keeps." These boys hit thirteen baskets in thirty-four shots and five free throws in nine.

Jarvis, Millay, and Schwolow eventually solved the Warren screen plays and held their offense down while the Card front line went to work. Dick Busse and John Harth were of tremendous value on rebounds although Harth's shots all were just missing. Busse hit one of two tries. Vetter scored one point, fed Mueller for several of his drives, and played a top-notch defensive game.

Warren's offensive record was seven baskets in fifty-four shots, or thirteen percent. Arlington's was fourteen in fifty-four, which exactly doubled the losers' record and percentage.

Lights Win, 26-20

The Green Tornadoes lived up to their name Friday night at the local gym when they piled up 18 points in the first half to defeat Warren 26-20.

With good ball handling and offensive drive sparked by Chuck Hamburg at guard and Tom Coleman at center, the local lightweights played their best game of the season in the first half. In the second half, the Warren "lights" outscored the locals, but never threatened.

At the free throw line the Warren boys scored on eight out of their seventeen attempts while the locals could only score on six out of their thirteen free tries.

Wauconda Upset By Northbrook, 35-34

Northbrook upset Wauconda 35-34 but lost the lightweight game to Carl Herrmann's team 21-15. Wauconda was weakened by the fact that Froehlke, their star, had been sick all week.

Both teams hit their shots for good percentages but Northbrook's height was probably the deciding factor. At that the winners had to come from behind to win. Northbrook trailed 11-6 the first period but gained a 16-5 first half lead while Froehlke was resting. In the third period Wauconda moved ahead 31-27 as both teams did some hot shooting. It was Q. Strauss whose second half shooting won for Northbrook, though Klein with 14 points was high for the Vikings. Werden with 11 and Oswald with 9 topped Wauconda.

Northbrook (35)	F.G.	F.T.	F.

Woodstock Continues Pace Over Libertyville

Woodstock continued its unbeaten pace in the Northeast conference Friday evening by downing a fighting Libertyville squad, 34 to 27, on the latter's floor.

The first period was a low scoring affair with the visitors ahead 5 to 4. The second period saw the leaders gain headway in the second quarter as the half-time score jumped to 15 to 8. Woodstock increased the lead still further as they outscored the hosts 12 to 7 at the three-quarter mark. In the final period Libertyville put on a belated rush to score 12 points, nine of them by Strand, to seven for the visiting five.

Dibler and Seagrist were high for the Woodstock aggregation with nine apiece while Strand with nine and Cherenovich with eight led the losers.

In a loosely played lightweight game the Libertyville five also took it on the chin, 35 to 20.

Libertyville (27)	FG	FT	P
Cherenovich, f	4	0	1
Krumery, f	0	0	1
Huffman, c	2	0	2
Hoskins, c	2	1	4
Strand, g	4	1	1
Brefeld, g	0	1	0
Kruckman, g	0	0	0
	12	3	9

Woodstock (34)	FG	FT	P
Dibler, f	4	1	0
Phelan, f	0	0	1
Joorfetz, f	2	0	1

O'Brien, c	0	1	0
Carlson, g	2	1	1
Anderson, g	0	0	1
Shimmel, g	3	0	1
	16	6	7

Palatine's double victory over Grant last Friday, gave the lightweights undisputed possession of first place at the half way mark in the schedule and pushed the varsity five two full games ahead of their nearest rivals. Neither Pirate team has suffered a conference defeat. Friday's scores were 32-30 for the lights and 42-22 for the varsity.

Palatine played great ball in the first quarter of the varsity game to pile up a 19-3 lead. The passing was fast and accurate and the shooting good. Thereafter the game developed into a wild affair with numerous fouls, bad passes and missed shots. Grant's chief offense was at the free throw line where they hit 12 out of 14 attempts. The Pirate's chief point getters, Hahnfeldt and Hollinger, were way off their usual shooting form. The pair made six baskets in 38 shots, most of which were not of the difficult variety. Coach McElroy substituted freely.

Sets Season Record

One of the bright spots in an otherwise drab and uninteresting game was the rebounding and free throwing of Hildebrandt. The big fellow used his height to good advantage in scoring eight goals in 19 tries. He also made all five free throws for a total of 21 or half the Pirate points. This was the season's individual record for a single game in the Northwest loop.

Lights Rally To Win 32-20

The Palatine lightweights trailed Grant all the way into the final period but then when the pressure was really on, came through with 15 points to the visitors two. The Pirates trailed 16-10 at the half due to indifferent playing combined with the hot shooting of Gerstein, who looped six baskets for Grant. Palatine rallied in the third paced by Harris but still was behind 18-17 going into the final quarter. With both Harris and Hobart Hayes out on fouls, the cause appeared hopeless but Jack Hayes and Penkava played a cool passing game as reserves while Salvo and Warder put on a fast hard driving offense which carried the Pirates to a well earned victory. Salvo scored 11 points and Harris eight for Palatine while Ed Gerstein made 15 of Grant's 20 counters.

The Palatine lights have overcome two of the four greatest obstacles in their campaign for a championship since they beat Barrington on the Broncho court and have defeated the north division leader, Grant. The toughest remaining games will be the battle at Bensenville Friday and the return game at Palatine with Barrington, February 7.

Cardinals Win Two Games From Wildcats

Woodstock, Niles Lake Forest Also Win Doubleheaders

Arlington, Woodstock, Niles and Lake Forest all won doubleheaders on their home floors Tuesday night in the Northeast conference race. The victories were the second doubleheaders in four days that all but Lake Forest had won.

Arlington played heads-up ball to win over Libertyville, their rival for fourth place, 47 to 34 and 33 to 15. Woodstock continued its unbeaten pace in the loop by repeating Niles' feat of last week of defeating Leyden, 66 to 48. The Woodstock lights won 28 to 19.

Niles remained among the contenders by dropping Crystal Lake in two games, the varsity game going 42 to 34 and the lightweight fracas, 33 to 23. In the other games of the loop Tuesday, Lake Forest won two low-scoring tilts from Warren, 19 to 12 and 15 to 8.

Arlington Gains Early Lead.

In the Arlington game Jarvis opened the scoring for Arington with three consecutive shots while Millay sank two free throws. Then Strand hit two baskets for the Wildcats, Harth swung up a rebound, and Strand hit again. The score stood 10-6 at the quarter.

Ed. Mueller, who had missed a couple in the first period, hit four consecutive shots in the first part of the second quarter. Becker and Millay each scored. Mueller made a free throw. Hoskins and Krumery got Libertyville two baskets and the half ended 25-11, Arlington.

Mueller shot five times in the third quarter and made five baskets. Becker added one and Busse cashed a free throw. Strand got back into action with three baskets and Hoskins hit his second of the game. The crowd was in an uproar as Strand and Mueller hit shot after shot from all over the court. The score was 38-20.

Strand kept going with seven points in the final period. Morris helped him with two baskets, Cherenovich with one. Mueller made three points in the four minutes that he played. Harth scored a basket and two free throws, while Millay and Jarvis hit once each from the line.

The game was a shooting affray from the first ten seconds to the final gun. Some good offense was played and at times the defense on both sides was competent. At others the ball game was wide open. First class officiating, rare enough ordinarily, helped make the game interesting. Arlington's record on shots was phenomenal as the Cardinals made fifty-one percent. Libertyville's twenty-seven percent was good shooting, but this was the wrong night for it to win.

Lights Win

Coleman again led the lights with nine points on three and three. The rest of the scoring was evenly divided among the other members of the team.

With Chuck Hamburg the spearhead of a fine passing offense, the Green Tornadoes piled up an eight to two lead at the quarter and increased the advantage to 14 to 4 at the half. Libertyville couldn't seem to find the hoop on their tries from the field or from the free throw line. In the first half they failed to convert a single free throw out of eight attempts.

With the reserves taking over late in the third quarter, the locals continued to score with "Lefty" Kleiner dropping in two field goals. Merrill played a fine game and scored two baskets after entering the ball game. Dorband did a fine job of rebounding and played good defensive ball. McWharter scored a basket and three free throws to keep the score mounting.

With the conference schedule now half over the local lightweights are beginning to climb in the standings, although they must meet a very good team Friday night at Woodstock, which may be a stumbling block to the ambitions of the Green Tornadoes although a victory isn't an impossibility.

SOON
"Long Voyage Home"

Mac Says-

by GERALD A. Mc ELROY

It was a good week-end in this section from a basketball standpoint. Arlington, Bensenville, and Palatine all won doubleheaders before home crowds to start the new year in the right way. It was the first that the Cards and Bisons had taken a pair this season and we wish them a lot of success in keeping up the good work. Palatine has taken five straight conference twin bills and is beginning to have hopes of duplicating the feat of winning a double championship as was accomplished in 1933-34 by Megel coached teams. However a lot can happen to upset the best laid plans with five games yet to be played.

Lead by Two Games

The Palatine varsity team should be able to relax and play a better brand of ball now that they have a two game lead with but five to play. Although the Pirates have been winning by comfortable margins they have had a tendency to tighten up in league games and their playing has not been nearly as smooth as in the non-conference games. Defeats of Wauconda and Antioch in upsets Friday at the hands of Northbrook and Bensenville along with Barrington's crushing 47-16 victory over Ela indicate the superiority of the south end of the league and point to tougher resistance for the Pirates in the second round of play.

Like Niles' Chances

After that 54-39 victory of Niles at Leyden we like the chances of Galitz's Trojans. They have no return game with Leyden and to our way of thinking will clinch at least a share of the title by beating Woodstock in a return game. Leyden and Woodstock in a pair of meetings should do plenty to hurt each other's chances.

Don't Overlook the Bison Lights

Bensenville's lightweights may be down in fourth place in the standings, but it's a mistake to count them out. Their only defeats were to Palatine by one point and to Barrington by two points. Should the Bisons win their remaining games they would take the title. The reason is that they meet Palatine, Barrington, and Grant the three who rank above them. They are really on the spot Friday for if they lose to Palatine they will be virtually out of the race and the little Pirates will have an inside track to the title with Barrington the only real tough opponent remaining.

Plenty of Hard Luck

Coach Ray Hayes has had more than his share of troubles this year. It has become a weekly custom for Arlington to have at least one or two players incapacitated. Last year the Cards picked up after Christmas and gained respectable standing in the league and we believe and hope that Arlington has at last hit a pace which will bring them an even break at least in remaining games.

Big Sports Week-End

This coming week-end will be a full one for the sports minded people of Palatine. Friday the Pirates go to Bensenville in games which will have a very important bearing on the league championships. Saturday Palatine will turn out to greet the possibly best high school team which has ever performed on the Pirate court. We refer to Ed. Willett's giant Hebron five. This will be the number one attraction of the season and if Palatine plays as they did against Crane Tech, Downers Grove, and in the DeKalb tourney they will give the visitors all they can handle. The team of Kjellstrom, Voltz, Burgett, Judson, and Peterson averaging close to six foot three in height will, however, have a distinct advantage playing on the narrow Palatine floor. Hebron will be fresh while Palatine will have played the previous night. Fans should arrive early as good seats will be at a premium.

The third big sports event of the week-end will be the annual Norge ski meet at Fox River Grove Sunday afternoon. This is really a thrilling spectacle as all will agree who have attended.

Racers Play Chinese Team

We understand that the Arlington Racers have an all Chinese team carded for next Tuesday night which ought to be quite an attraction. The Racers have an outstanding team and have built up quite a reputation this season. They have played the best teams available and beaten most of them. The management is to be congratulated on giving Arlington such a strong cage team.

Not Such Good Picking

Last week in our preview of the week's games we named the teams we thought would win and had our worst week of the year with four misses out of eight on Friday. Several were clearly upsets, but that is what makes basketball interesting for the fans and gives coaches sleepless nights. In this game of basketball teams have nights when they can seem to hit an unusual percentage and then just the reverse. However, the best teams usually get the most easy shots due to better ball handling. In our opinion ability to handle the ball is the most important basketball fundamental and is the skill that takes the longest to acquire. That's why the kid who has grade school playing experience and is interested enough in the sport to put up a goal in his backyard where he can practice with his pals the year round usually becomes a pretty good player. That's why Dundee has a top notch team. They gain at least a year or two of experience practicing on their own during the off season.

Picks This Week

Got off the subject a little in the paragraph above, but are back on it again. Our picks for the season to date are 31 right and 13 wrong. This week Friday we favor Wauconda over Grant, Antioch over Ela, Northbrook over Barrington, and Palatine over Bensenville in the Northwest loop. In the Northeast our picks are Crystal Lake to down Warren, Leyden to wallop Lake Forest, Woodstock to take Arlington, and Niles to dispose of Libertyville. Only close game in the Northeast will be at Warren. That's our guess. Barrington at Northbrook should be the best game in the Northwest.

Niles Drops Leyden To Second Place, 54-39

Niles turned on the power Friday night in the second half at Leyden to win from the Eagles, 54 to 39, and drop them from the undefeated ranks in the Northeast conference.

Leyden led through the first half with Niles keeping within striking distance by marking several long shots. In the third period the visitors got going, outscoring their hosts 18 to 8 to go into the lead they never relinquished.

Leyden's scoring was divided between seven boys with Bogacz and R. Doss each scoring ten. Niles' markers were also distributed among six players with Domas looping seven and four.

The lightweight game also went to a rallying Niles squad, 36 to 33. Leyden led most of the first three quarters but fell before the visitors' reserves in the last period. Lofgren scored 12 points to lead the Leyden scoring while Carol with 13 headed the Niles ledger.

Barrington Trounces Ela In Doubleheader

Barrington took both ends of a double header Friday night from weakened Ela squads 47 to 16 and 40 to 6.

Barrington assumed an early lead in the varsity game and increased it in every succeeding period by making 36 per cent of all tries. Ela, weakened by pre-game sickness of several of the boys and the loss of Kropp due to a broken finger, made but 14 per cent of their tries from the floor to lose 47 to 16.

In the lightweight game the inexperienced Lake Zurich squad couldn't penetrate the junior Bronchs' defense, getting but 17 shots at the basket throughout the entire fray. Wollar and P. DeWitz both scored eight points apiece to aid the Barrington lihts in their 40 to 6 victory.

Varsity

Barrington (41)	F.G.	F.T.	P.

Arlington Beats Warren, 39-23 For 2nd Victory

Lights Also Win By 26-21 Score

Warren's veteran Blue Devils went down to defeat before Arlington's driving Cardinals by a score of 39 to 23 last Friday night on Arlington's floor. The Green Tornadoes snapped their losing streaks at the expense of Warren's lightweights, winning 26 to 21.

The Cardinals started slowly, getting their first basket at the end of seven minutes of play. Warren led 7-4 at the end of the quarter. Mueller got the baskets and Becker hit one to put the home team ahead 13-12 at the half.

Edwin Hall, a junior forward, was making life miserable for Arlington's guards, collecting a basket and five free throws. Geary and Gripton each scored once from the field. The Blue Devils were displaying some well executed screen plays which got them open for numerous set shots.

Herman Becker gave the fans a hint of what was coming as he scored a drive-in shot to open the second half. Hall promptly hit a rebound for Warren, but Mueller and Becker put Arlington farther in front with two baskets and two free throws between them. The Cards were leading 21-15 after four minutes of play.

Jim Millay took over the floor guard spot for Arlington and Warren's forwards fouled repeatedly as he drove through their pressing defense. He hit three free throws, Jarvis hit one, while Mueller and Becker got another seven points for the front line. The score was 30-18, Arlington, when the third period ended.

Bob Gripton, Blue Devil center, got loose for two baskets in the fourth quarter, and Bratzke cashed a one-pointer from the free throw line. But Mueller and Becker kept their record clean by scoring in the final qaurter as in the other three. Busse and Vetter contributed to the team total of nine points for the period.

Millay took his fourth personal on a crash which went for a double foul just as the third period ended. Wirth fouled out for Warren at about the same time. McCann and Geary for the Blue Devils, Mueller, Schwolow, and Jarvis of the Cardinals each accumulated three personals. The game was kept free from roughness and wrestling over the ball, except on some of the milling about under the basket.

Poor shooting and lack of reserves contributed to Warren's defeat. The Blue Devils out-played their taller opponents on rebounds throughout the first half but got a draw in the second. While their set plays were clicking, they were the better team, but when the shifting Cardinal defense handled those, they lost ground steadily.

The Cardinals put the burden of the offense largely on Mueller and Becker who were playing "for keeps." These boys hit thirteen baskets in thirty-four shots and five free throws in nine.

Jarvis, Millay, and Schwolow eventually solved the Warren screen plays and held their offense down while the Card front line went to work. Dick Busse and John Harth were of tremendous value on rebounds although Harth's shots all were just missing. Busse hit one of two tries. Vetter scored one point, fed Mueller for several of his drives, and played a top-notch defensive game.

Warren's offensive record was seven baskets in fifty-four shots, or thirteen percent. Arlington's was fourteen in fifty-four, which exactly doubled the losers' record and percentage.

Lights Win, 26-20

The Green Tornadoes lived up to their name Friday night at the local gym when they piled up 18 points in the first half to defeat Warren 26-20.

With good ball handling and offensive drive sparked by Chuck Hamburg at guard and Tom Coleman at center, the local lightweights played their best game of the season in the first half. In the second half, the Warren "lights" outscored the locals, but never threatened.

At the free throw line the Warren boys scored on eight out of their seventeen attempts while the locals could only score on six out of their thirteen free tries.

Wauconda Upset By Northbrook, 35-34

Northbrook upset Wauconda 35-34 but lost the lightweight game to Carl Herrmann's team 21-15. Wauconda was weakened by the fact that Froehlke, their star, had been sick all week.

Both teams hit their shots for good percentages but Northbrook's height was probably the deciding factor. At that the winners had to come from behind to win. Northbrook trailed 11-6 the first period but gained a 16-5 first half lead while Froehlke was resting. In the third period Wauconda moved ahead 31-27 as both teams did some hot shooting. It was Q. Strauss whose second half shooting won for Northbrook, though Klein with 14 points was high for the Vikings. Werden with 11 and Oswald with 9 topped Wauconda.

Northbrook (35)	F.G.	F.T.	F.
Q. Strauss, f	4	0- 2	3

Ela at Antioch.

Woodstock Continues Pace Over Libertyville

Woodstock continued its unbeaten pace in the Northeast conference Friday evening by downing a fighting Libertyville squad, 34 to 27, on the latter's floor.

The first period was a low scoring affair with the visitors ahead 5 to 4. The second period saw the leaders gain headway in the second quarter as the half-time score jumped to 15 to 8. Woodstock increased the lead still further as they outscored the hosts 12 to 7 at the three-quarter mark. In the final period Libertyville put on a belated rush to score 12 points, nine of them by Strand, to seven for the visiting five.

Dibler and Seagrist were high for the Woodstock aggregation with nine apiece while Strand with nine and Cherenovich with eight led the losers.

In a loosely played lightweight game the Libertyville five also took it on the chin, 35 to 20.

Libertyville (27)	FG	FT	P
Cherenovich, f.	4	0	1
Krumery, f	0	0	1
Huffman, c.	2	0	2
Hoskins, c.	2	1	4
Strand, g.	4	1	1
Brefeld, g.	0	1	0
Kruckman, g.	0	0	0
	12	3	9

Woodstock (34)	FG	FT	P
Dibler, f.	4	1	0
Phelan, f.	0	0	1

O'Brien, c.	0	1	0
Carlson, g.	2	1	1
Anderson, g.	0	0	1
Shimmel, g.	3	0	1
	16	6	7

Palatine's double victory over Grant last Friday, gave the lightweights undisputed possession of first place at the half way mark in the schedule and pushed the varsity five two full games ahead of their nearest rivals. Neither Pirate team has suffered a conference defeat. Friday's scores were 32-30 for the lights and 42-22 for the varsity.

Palatine played great ball in the first quarter of the varsity game to pile up a 19-3 lead. The passing was fast and accurate and the shooting good. Thereafter the game developed into a wild affair with numerous fouls, bad passes and missed shots. Grant's chief offense was at the free throw line where they hit 12 out of 14 attempts. The Pirate's chief point getters, Hahnfeldt and Hollinger, were way off their usual shooting form. The pair made six baskets in 38 shots, most of which were not of the difficult variety. Coach McElroy substituted freely.

Sets Season Record

One of the bright spots in an otherwise drab and uninteresting game was the rebounding and free throwing of Hildebrandt. The big fellow used his height to good advantage in scoring eight goals in 19 tries. He also made all five free throws for a total of 21 or half the Pirate points. This was the season's individual record for a single game in the Northwest loop.

Lights Rally To Win 32-20

The Palatine lightweights trailed Grant all the way into the final period but then when the pressure was really on, came through with 15 points to the visitors two. The Pirates trailed 16-10 at the half due to indifferent playing combined with the hot shooting of Gerstein, who looped six baskets for Grant. Palatine rallied in the third paced by Harris but still was behind 18-17 going into the final quarter. With both Harris and Hobart Hayes out on fouls, the cause appeared hopeless but Jack Hayes and Penkava played a cool passing game as reserves while Salvo and Warder put on a fast hard driving offense which carried the Pirates to a well earned victory. Salvo scored 11 points and Harris eight for Palatine while Ed Gerstein made 15 of Grant's 20 counters.

The Palatine lights have overcome two of the four greatest obstacles in their campaign for a championship since they beat Barrington on the Broncho court and have defeated the north division leader, Grant. The toughest remaining games will be the battle at Bensenville Friday and the return game at Palatine with Barrington, February 7.

Cardinals Win Two Games From Wildcats

Woodstock, Niles Lake Forest Also Win Doubleheaders

Arlington, Woodstock, Niles and Lake Forest all won doubleheaders on their home floors Tuesday night in the Northeast conference race. The victories were the second doubleheaders in four days that all but Lake Forest had won.

Arlington played heads-up ball to win over Libertyville, their rival for fourth place, 47 to 34 and 33 to 15. Woodstock continued its unbeaten pace in the loop by repeating Niles' feat of last week of defeating Leyden, 66 to 48. The Woodstock lights won 28 to 19.

Niles remained among the contenders by dropping Crystal Lake in two games, the varsity game going 42 to 34 and the lightweight fracas, 33 to 23. In the other games of the loop Tuesday, Lake Forest won two low-scoring tilts from Warren, 19 to 12 and 15 to 8.

Arlington Gains Early Lead.

In the Arlington game Jarvis opened the scoring for Arington with three consecutive shots while Millay sank two free throws. Then Strand hit two baskets for the Wildcats, Harth swung up a rebound, and Strand hit again. The score stood 10-6 at the quarter.

Ed. Mueller, who had missed a couple in the first period, hit four consecutive shots in the first part of the second quarter. Becker and Millay each scored. Mueller made a free throw. Hoskins and Krumery got Libertyville two baskets and the half ended 25-11, Arlington.

Mueller shot five times in the third quarter and made five baskets. Becker added one and Busse cashed a free throw. Strand got back into action with three baskets and Hoskins hit his second of the game. The crowd was in an uproar as Strand and Mueller hit shot after shot from all over the court. The score was 38-20.

Strand kept going with seven points in the final period. Morris helped him with two baskets, Cherenovich with one. Mueller made three points in the four minutes that he played. Harth scored a basket and two free throws, while Millay and Jarvis hit once each from the line.

The game was a shooting affray from the first ten seconds to the final gun. Some good offense was played and at times the defense on both sides was competent. At others the ball game was wide open. First class officiating, rare enough ordinarily, helped make the game interesting. Arlington's record on shots was phenomenal as the Cardinals made fifty-one percent. Libertyville's twenty-seven percent was good shooting, but this was the wrong night for it to win.

Lights Win

Coleman again led the lights with nine points on three and three. The rest of the scoring was evenly divided among the other members of the team.

With Chuck Hamburg the spearhead of a fine passing offense, the Green Tornadoes piled up an eight to two lead at the quarter and increased the advantage to 14 to 4 at the half. Libertyville couldn't seem to find the hoop on their tries from the field or from the free throw line. In the first half they failed to convert a single free throw out of eight attempts.

With the reserves taking over late in the third quarter, the locals continued to score with "Lefty" Kleiner dropping in two field goals. Merrill played a fine game and scored two baskets after entering the ball game. Dorband did a fine job of rebounding and played good defensive ball. McWharter scored a basket and three free throws to keep the score mounting.

With the conference schedule now half over the local lightweights are beginning to climb in the standings, although they must meet a very good team Friday night at Woodstock, which may be a stumbling block to the ambitions of the Green Tornadoes although a victory isn't an impossibility.

Crystal Lake Wins Pair From Lake Forest

Crystal Lake won two games Friday night at home from Lake Forest, the varsity winning 28 to 26 and the lights 31 to 28.

The Crystal Lake five led at half time 14 to 8 but was behind 26 to 24 at the end of the third period. The hosts came back in the last period to score four points while holding Lake Forest scoreless.

George Schauble led the victors with ten points while Tipps collected nine.
